New Business

- Special Olympics/Eagle Mount Volunteer Opportunities (Warren) Special Olympics
- Greenhouse Update: Ms. Davis is working on updating the greenhouse. There was a work party on March 6th. The beds have been weeded, door replaced, and we are getting starts from the Garden Barn. Jacki is interested in fencing the garden area and also needs potting soil to fill two very large planters for a 3 sisters garden.
- Kindergarten Garden Update (Yager): Mrs. Yager has been working gardening and other programs within the pre-K classroom through the Farm to School grant. We did receive a grant that included curriculum and materials for student use from the Spoons Across America grant for PreK. We are looking for grants to update the outside playspace and establish an area for the preschoolers to play and learn. Jacki Van Meter has made a mud kitchen for the play area. We need a list of supplies. The grant cycle for many of the play area grants are ending their grant cycle, but we will continue to look for grants for this project.
- Food Service Volunteers: We will need help putting together lunches for students needing them.
- Suggestions for the Wellness Plan: 25-26 GGS Wellness Plan.docx. I'll remove all the transportation, food service items within the plan.
