

DECEMBER 2025

Teachers Note:

December is my favorite time of the year! We have so many fun crafts, lessons, and activities planned for the next three weeks! As much as we love to have everyone here for our fun activities, we want to remind you to keep your child home for 24 hours after fever or diarrhea/ vomiting. We're trying to make it through these last few weeks before Christmas healthy so we can all enjoy our holidays without spreading illness to our loved ones.
Love – Mrs. Cantrell
