ABOUT EXLP

Our Mission

In Expanded Learning at Kohler, our mission is to provide youth with a safe and supportive space to grow, learn, and thrive. From hands-on science activities and exciting project-based learning, to teamwork through sports and recreation, students are encouraged to explore their interests and build new skills. Each month, we come together around our community campfire to celebrate birthdays and foster friendships, creating lasting memories alongside meaningful learning.

MEET OUR COACHES

"With Great Power Comes Great Responsibility"

Athletic Coordinator Coach Gabe

"At Kohler, I believe athletics are a key part of helping students grow physically, socially, and emotionally. Our program focuses on inclusion, teamwork, and sportsmanship, giving all students a chance to participate, learn, and have fun. Through age-appropriate activities and healthy competition, we promote confidence, respect, and a love for movement that lasts a lifetime. I'm proud to support Kohler's mission by helping every student grow both on and off the field."

Philosophy:
"Patience is KEY"

QUINN

Philosophy:
"Embody the phrase no kid left behind. Everybody has a purpose and individual set of skills. Make every kid feel empowered within themselves."
