Honcut

Honcut Elementary's production of "Charlotte's Web" was a wonderful success. Families filled the audience to support our students and enjoyed an entertaining evening of talent, teamwork, and creativity. After the performance, families gathered together to celebrate with ice cream sundaes, making the event a memorable experience for our entire school community.

Golden Hills

Golden Hills Elementary has had an exciting and positive few weeks filled with student achievement, school spirit, and community involvement.

We recently celebrated our Olympic Opening Ceremony, which kicked off our schoolwide Olympic-themed activities. Students and staff enthusiastically participated in the festivities, creating a fun and engaging atmosphere as we head into the final weeks of school. Daily Olympic events and activities have continued to build excitement and strengthen school spirit across campus.

We are especially proud of our fourth-grade students for meeting their referral challenge goal of fewer than five referrals in one week by demonstrating outstanding TEAM expectations. To celebrate their positive behavior and hard work, students enjoyed a special reward celebration with water soakers and Otter Pops. Fifth grade also showed tremendous improvement and came very close to meeting the challenge as well.

Golden Hills students also had an outstanding soccer season. Our fourth-grade soccer team won the league championship against other fourth- and fifth-grade teams, demonstrating excellent teamwork, determination, and sportsmanship throughout the season. We are also proud of our fifth-grade team for earning third place in league competition.

During Staff Appreciation Week, our school community showed incredible generosity and support for our staff. We are deeply grateful to all of the families who helped make our teachers and staff feel appreciated and valued.

Our fourth- and fifth-grade students also participated in CAASPP state testing during our “May the Fourth Be With You” themed testing week. Students were encouraged and motivated throughout the week, which concluded with a fun and spirited school rally.

We are proud to celebrate our talented student artists whose artwork was selected for display at the local student art showcase. Their creativity and hard work represented Golden Hills beautifully at the community reception event.

Additionally, our fourth-grade students proudly performed the play *Gold Dust or Bust* at the Oroville State Theatre on May 20. Students worked incredibly hard preparing for the production, and the performance showcased their talent, confidence, and teamwork.

Golden Hills staff members continue to be recognized as educational leaders beyond our school site. Mrs. Webb, Ms. Rainbow, and Mrs. Napoli recently presented for the Butte County Office of Education, Sacramento County Office of Education, and Shasta County Office of Education, sharing the successful work being done at the district and Golden Hills through our MTSS framework and Community School model. In addition, Mrs. Webb and Mrs. Napoli presented to a national audience of more than 800 participants regarding Golden Hills’ and district attendance processes, supports, and continued progress in improving student attendance.

Finally, we welcomed families to our Open House event, where students proudly shared projects, classroom work, and the learning accomplishments they have achieved throughout the school year. It was a wonderful opportunity to celebrate student growth and strengthen our partnership with families.

Golden Hills Elementary continues to foster a positive, engaging, and supportive environment where students can thrive academically, socially, and creatively. The Golden Hills staff is amazing and working so hard to create an amazing end of the year for our students. The third graders are visiting Golden Hills soon, the fifth grade is visiting Palermo School to begin getting ready for the 26-27 school year
