

## Experian's **Minor Plus** provides comprehensive coverage when it comes to protecting a child's identity.

Minor Plus provides monthly monitoring of Experian® information for every enrolled child, internet surveillance, fraud resolution services and identity theft insurance from material damages that may occur against a child whose credit file is misused. It's an important benefit for your customers and an important opportunity for you.

Experian has managed thousands of data breach incidents in the finance, education, commerce, medical and government sectors. We can manage yours.
