

A Trip Around the District - August 27, 2026

Natalia Lopez • 7 days ago • Thursday, Aug 27 at 4:30 PM • **Orland Unified School District**

You've Got Mail!

There's something special about getting a little piece of good news in the mail!

This year, OUSD is bringing back a little old-fashioned mail with a new purpose: celebrating our students! Throughout the school year, our school sites will be sending Positive Postcards home to families to recognize students for their positive behavior, accomplishments, effort, kindness and the many ways they

contribute to their school community.

These postcards are a simple way to let families know, “We noticed something great about your student!” Whether a student has gone above and beyond, shown kindness to a classmate, demonstrated leadership, worked hard, or simply made a positive choice, we want to take the time to celebrate it.

Each school has created its own unique postcard featuring its mascot and school identity. From a Honeybee High Five at Mill Street to a Fairview Falcon soaring, each postcard is a special way to recognize students for being the best version of themselves.

We hope these little surprises bring a smile to students and their families, when they arrive in the mailbox.

So, keep an eye on your mailbox this school year. You never know when you’ve got mail!

We'd Love to Have You Volunteer!

As we head into fall, there will be many opportunities for parents and families to volunteer and participate in school events, classroom activities, and field trips. We'd love to have you involved!

Now is a great time to stop by the District Office to renew your volunteer status or complete the clearance process for the current school year. Getting cleared early means you'll be ready to join us when opportunities arise throughout the year.

Have questions about the volunteer process? Please contact the District Office at **530-865-1200**. We appreciate the time, energy, and support our families give to our schools!
