Note for registration Choice 6:

Students will select their 1st and 2nd language choice. Graduation requirements require 2 years of the same language. It is recommended students start their language as a 9th grader in order to have the opportunity to fit in 4 years total and apply for Seal of Biliteracy*. An exception can be made under the following circumstances only.

1. Student has been accepted into AVID and a Yearlong Program such as Marching Band or Leadership, etc... In order to fit these two programs I am electing to postpone taking my language. **Select "Row 6" for 1st choice and a language for 2nd choice.**
2. Student has an IEP and Case Manager recommends postponing language to Accommodate a recommended course. Case manager will notify counselor of assigned course. **Select "Row 7" for 1st choice and a language for 2nd choice.**
3. Students who want AVID and are not selecting a yearlong program should choose their languages only and select AVID in the next section (Choice 7/8 Electives) as one of their choices.

Note for registration Choice 7/8:

Academic Success classes can only be selected by students with an IEP. Check with your **Case Manager** to determine whether you need to select **Academic Success** for one or both choices.

Students applying for the following yearlong courses: Jazz Band, Marching Band, Leadership, Yearbook, Peer Mediation must select two boxes representing each portion of the class...

Example:

☒ 0704 *Marching Band Brass (VAPA) - Yearlong, **check Symphonic Band as well**

☒ 0706 *Symphonic Band (check with Marching Band Brass)

☐ 0703 *Marching Band Woodwinds (VAPA) - Yearlong, check Wind Ensemble as well

☐ 0727 *Wind Ensemble (check with Marching Band Woodwinds)

or

☒ 0800 *Leadership - required for ASB nominees (yearlong - Fall, counts for 1 of 2)

☒ 0800 *Leadership - required for ASB nominees (yearlong - Spring, counts for 2 of 2)

Please keep in mind these courses have very limited spaces and require Applications and/or Interviews. Be mindful of the time commitments. Do not select more than one yearlong program.
