

8TH GRADE SCIENCE

Mrs. Lopez- Room S35

Email: jlopez@chicousd.net

How to be successful in Science

- Come prepared to class with your chromebook, planner, writing utensils, & interactive notebook supplies.
- Start working within five minutes of the bell. There will always be a warm-up posted on the viewboard.
- Work should be turned in on its due date. Late work will lose points.
- Participate in class and ask questions.

Class Materials

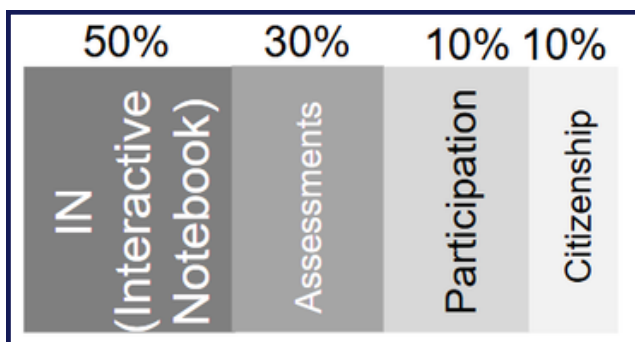

- Composition Notebook
- Chromebook and Charger
- Pencils and pens
- Colored pencils
- Colored markers
- Glue
- Tape

Units of study

This school year, students will learn about:

- Harnessing Human Energy
- Force and Motion
- Magnetic Fields
- Thermal Energy
- Phase Change
- Chemical Reactions
- Light Waves

Class Grades

Interactive Notebooks

- Bring it to class EVERYDAY
 - Only take it home if you need to finish an assignment
- Make sure you insert your warm-ups, notes, lesson activities, worksheets, etc.)
- Graded on completeness, academic quality, and neatness as well as assignment specific requirements

Homework

Most work will be completed in class, if students use their time wisely. Some work may need to be done outside of class to finish researching and or/ preparing for projects or supplementary assignments needed to understand the Unit.

Late Work or Low Scores

Make-up or fix-up work, including INs, assignments, and projects, may be submitted at any time during the CURRENT unit. After the unit ends, assignments from previous units will no longer be accepted.

***Additional time will be given for EXCUSED absences, and approved accommodations but not suspensions.

Electronics

Electronic devices should be kept in students backpacks. Devices should not be out during class.

- First offense: Device confiscated, call home, return to student by office.
- Second offense: Device confiscated, call home, detention, and return to parent/guardian.
- Third offense: Device confiscated, call home, detention, return to parent/guardian, and behavior contract.

Further discipline will result if cell phone usage continues.

Food and Drink Policy

Absolutely no food or drinks are allowed in class. This is to follow lab safety guidelines. If you would like a snack or drink, please step outside for a moment. Not following classroom rules will result in loss of citizenship.

***This policy is subject to change at my discretion, and at any time for specific labs.
