We have an awesome opportunity coming up! 🎉

Ahana Singh, a CCA student and the founder of ReBound—a student-led group that helps athletes learn about the mental and physical challenges of sports injuries—is coming to PTMS.

She's planning to run a fun, interactive activity for our 8th grade students. Since middle school is the perfect time to try new sports and activities, this is a chance to learn how to handle setbacks, bounce back from challenges, and grow stronger—both physically and mentally.

This is going to be inspiring, hands-on, and super relevant for anyone who loves sports, fitness, or just wants to learn how to push through obstacles.

Garden Club

We are excited to introduce you to our **Garden Club**, established in 2022! The club gives students a fun, hands-on opportunity to learn about plants, sustainability, and caring for the environment—all while helping to grow and maintain our school garden.

Our garden is a **Monarch Waystation Certified** site, providing a habitat for monarch butterflies and supporting local pollinators. Students in the club plant a variety of flowers, fruits, and vegetables, and take pride in watching their work grow and thrive throughout the year.

The Garden Club meets **every Monday after school for one hour**, and all students are welcome to join—no gardening experience needed!
