

## INFORMATION ON APPLYING FOR APPOINTMENT TO THE 7-11 COMMITTEE

The San Ramon Valley Unified School District ("District") Board of Education ("Board") is seeking volunteers to serve on the District's 7-11 Committee ("Committee"). The District is currently evaluating current and potential uses, space availability, and enrollment for certain facilities. The purpose of the Committee is to advise the Board regarding alternative and potential uses, including disposition, of District school buildings, space, and property, with a focus on the District's former administrative office, known as the Educational Center, located at 699 Old Orchard Drive in Danville. Committee members will serve in a voluntary, unpaid advisory capacity only and will not be considered employees or agents of the District.

The Committee will be responsible for reviewing and evaluating all relevant data, documents, reports, and studies in order to provide the Board with the best possible judgment regarding every situation involving District school buildings, space, and property. The Committee shall do all of the following: (a) Review the projected school enrollment and other data provided by the District to determine the amount of surplus space and real property; (b) Establish a priority list of use of surplus space and real property that will be acceptable to the community; (c) Cause to have circulated throughout the attendance area a priority list of surplus space and real property and provide for hearings of community input to the committee on acceptable uses of space and real property, including the sale or lease of surplus real property for child care development purposes; (d) Make a final determination of limits of tolerance of use of space and real property; and (e) Forward to the District's Board of Education a report recommending uses of surplus space and real property. All Committee meetings will be public and noticed conducted in compliance with the Ralph M. Brown Act (Gov. Code, 54950 et seq.).

Appointment, membership, and duties of the Committee will follow the parameters of Education Code section 17387 *et seq.*, although the duties, roles, and responsibilities of Committee members may exceed those set forth in the Education Code. Committee members will be appointed to represent a cross-section of the local community in regards to socio-economic composition, ethnic group, profession, expertise in land use planning, among others. Committee members will be expected to attend Committee meetings, typically in the evenings, with reasonable notice provided. The Committee will be composed of not less than seven and no more than eleven members, hence the "7-11 Committee" name. The Board may, in its discretion, also identify alternate members to appoint to the Committee in the event of a vacancy.

*To be considered for membership, applicants must live within the District's boundaries.*

If you are interested in being considered for appointment to this Committee, please complete the application and return the form to:
