BUILDING YOUR NETWORK

- **Your Network is Your Net Worth:** The people you know can open doors to new opportunities you might not find on your own.
- **It's Not What You Know, It's Who You Know:** Building relationships with professionals in your field gives you an advantage.
- **Start Now:** Your network includes teachers, coaches, family friends, and anyone you meet. All are connections!
- **Be a Giver:** Networking is a two-way street. Look for ways you can help others, too.

November is National Entrepreneurship Month

This month celebrates the entrepreneurs who build new businesses and highlights the value of turning innovative ideas into reality.

MAKING THE CONNECTION

- **Ask Good Questions:** Ask about their career path, what they enjoy about their job, or advice they have for you.
- **Be Prepared:** Bring a resume or a list of your skills and experiences to share.
- **Follow Up:** After a meeting or event, send a brief thank you email to show your appreciation and professionalism.
