

You Matter Middle School Conference– Informational Letter

(Please read this letter and keep for future reference)

Dear Parent:

The Lassen County Office of Education, in coordination with the Prevention Collaborative, is sponsoring the “You Matter Middle/High School Conference.” Students from throughout Lassen County have been invited to attend. Your school’s scheduled day is Tuesday, January 20, 2026.

The event's purpose is to allow students to attend workshops about topics relevant to their lives presented by professionals in the field. These professionals will work to give students more excellent knowledge and understanding about how to make good choices and the effects of their decisions. This year’s topics include Healthy Choices, You and Your Story, Building Relationships, and Finding Your True Self in a Digital World.

The location for the event will be at the Lassen County Fairgrounds. Lunch will NOT be provided for students this year.

Your student will need to bring:

- A coat or jacket
- A sack lunch

Students will be supervised by their teacher and Chaperones.

We look forward to this exciting event for the Lassen County Middle and High School Students.

Sincerely,

James Hall, Director
Student, Family, and Community Engagement
