### **12th Grade**

Emily P.N. (28.5)

## **EMPLOYEE OF THE MONTH**

Heather Sosa

# CITRUS COLLEGE AUTOMOTIVE TECHNOLOGY WORKSHOP COMING TO YOU!

Have you ever wondered how to check tires, oil and filters on a car? Would you like to get started on a career path in the automotive industry?

## NOW'S YOUR CHANCE!

Join the Citrus College Automotive and Medium/Heavy-Duty Truck Technology (MTRK) programs for a chance to inspect an actual car with our expert assistance and guidance. We are a friendly and helpful team that will be on your campus for a workshop soon - join us!

## WHAT TO EXPECT:

Check tire pressures and wear patterns and learn about tire sizes on an actual car. Open the hood, look for specifications and inspect maintenance items on a vehicle. You'll also have the chance to find, remove, inspect and reinstall air filters. These are just some of the activities you'll be able to do on your own or with a friend!

**When:**  
Friday, February 27, 2026  
Noon to 2 p.m.

**Where:**  
Chaparral-Vista  
High School

## What to bring:

- Safety items:
  - Closed-toe shoes (sneakers are best)
  - Comfortable clothes to work in and possibly get dirty
- An appetite! We will be serving a light lunch, drinks and snacks
- A good attitude! Be ready to work and have some fun

## Bonus!

To thank you for your time, all participants will receive free giveaways from Citrus College!

# Boletín de Bulldog
