Welcome to Marina Village Middle School! We are excited to begin another school year full of academic, extracurricular, and co-curricular opportunities for our sixth, seventh, and eighth graders. Student safety and success is our highest priority, and we are committed to working with families to help all students have a great year. Our students and staff have embraced the 'Ohana spirit that makes our school a great place to spend each day!

We ask all parents/guardians to review this handbook with your child to ensure you have an accurate and complete understanding of our programs, procedures, and expectations here at Marina Village. If you have any questions or concerns regarding this handbook, please contact our school office. Again, we welcome you to the Marina Village Middle School family and look forward to a fantastic 2026-2027 school year!

ACADEMICS

We believe that academic honesty and personal integrity are fundamental components of every student's education and character development. The RUSD Board of Education expects that students will not cheat, lie, plagiarize, or commit other acts of academic dishonesty. ALL work submitted must be the student's own work. **ANY work copied from a book, the Internet/AI, or another student that is not the original to the writer without acknowledging/citing said work as such by student and submitting said work for credit, is plagiarism. Copying and/or allowing copying of a fellow student's work is cheating.** Students, parents/guardians, staff, and administrators shall be responsible for creating and maintaining a positive school climate that encourages honesty and integrity. Students found to have committed an act of academic dishonesty shall be subject to district and school discipline rules (BP 5131.9). Infractions of Marina's Academic Integrity Policy result in incremental discipline consequences.

1st Incident – Student fails assignment, receives one detention, loss of five merits, and teacher contacts a parent

2nd Incident – Student fails assignment, receives two detentions, loss of five merits, and administrator contacts a parent

3rd Incident – Student fails assignment, receives a Saturday school, loss of 5 merits, and administration will schedule a meeting with parental attendance required.

Grade Checks: Parents and students are encouraged to monitor student progress in classes through the Jupiter Grades website (www.jupitergrades.com). Teachers will provide class requirements and grading procedures to their students. Official report cards can be viewed on the Aeries.net Parent Portal located on the Rescue Union School District website, Marina Village's school website or at <https://aeries.rescueusd.org/rusdportal/LoginParent.aspx>

Grade Reporting Schedule	Progress Report	Report Card
Trimester 1	September 25, 2026	November 13, 2026
Trimester 2	January 8, 2027	February 26, 2027
Trimester 3	April 9, 2027	May 28, 2027

Honor Roll: Each trimester, students who achieve a 3.5 – 3.9 GPA in all subjects will be recognized as Honor Roll students. Principal's Honor Roll recognition is given for students achieving a 4.0 ("Straight A's") grade point average.

Student Planners: The school provides each student with a planner at the beginning of the school year to help students organize their time and assignments. Students are to record assignments, make reminders, and keep track of events using the planner. We strongly encourage parents to review their student's planner and help them to effectively use this valuable tool. Replacement planners cost \$5.

Student Success Team (S.S.T.): The Student Success Team is available for students who are not experiencing academic success. There are prerequisites for a parent requesting an SST meeting. SST meetings are not substitutes for parent/teacher conferences. If you answer no to any of the following questions, please contact your student's teacher(s) as a first step in supporting student success. All criteria below MUST be satisfied before an SST will be scheduled:

- Has your child participated in an intervention program for at least 6-8 weeks? (Homework Club, Tutorials, etc.)
- Does your child have D's or F's on a progress or trimester report card?
- Have you met with each of your child's teachers to express your concerns?
- Are you using Jupiter Grades to monitor your child's work and academic progress?

AFTER SCHOOL ACTIVITIES

Students are invited to participate in a wide variety of after-school enrichment classes, clubs, activities, and programs. Times and dates will be published in the weekly announcements, student newsletter, and on the school website. Parents need to arrange transportation home for their student immediately following the activity. Students who are waiting for a ride from an after-school activity must wait in front of the school and are expected to act responsibly, showing respect for others and school property. Students who have habitual problems being picked up in a timely manner may not be allowed to continue to participate in after school activities, including dances. Students should leave campus as soon as school or their after school activity ends.

Extracurricular and Co-Curricular Activities (RUSD BP 6145): Extracurricular and co-curricular activities may include, but are not limited to clubs, enrichment classes, dances, and field trips. To be eligible to participate in extracurricular and co-curricular activities, a student must have a minimum grade point average of "C" (2.0) with no "F's" during the preceding trimester. Eligibility will be determined and enforced at progress report and trimester grade reporting periods. The activity advisor and/or administration at their discretion may require additional progress reports. In addition, to maintain eligibility students must have at least 80 merits per trimester and all financial obligations must be met (e.g., library/textbook fines). Students must attend school for at least four periods or 4 hours on the day of the activity to be eligible to participate.

Athletics: The school offers a full range of athletic opportunities after school. Students of all grade levels are eligible to participate in cross-country, volleyball, basketball, track, and soccer. Students are not required to try out for cross-country or track. Teams

compete against other middle schools from within the Foothill Athletic League. To be eligible to participate in the sports program, a student must have:

1. A minimum grade point average of "C" (2.0) with no "F's" during the preceding trimester
2. No suspensions during the trimester of participation
3. 80 merits for the trimester
4. No outstanding financial obligations (e.g., library/textbook fines)

Members of sports teams at school are expected to act as exemplary citizens of the school and community. They are ambassadors for the school when competing with and visiting other schools and are expected to act as such. They are also to be exemplary in their efforts in P.E. class by demonstrating good sportsmanship, a cooperative attitude with teachers, and always giving 100% effort in class activities. The following are basic athletics guidelines for our students:

1. Students must have a completed Athletic Packet (including a doctor-signed and stamped physical form) signed by a parent/guardian to try-out or participate. Athletic Packets are available on the school website at <http://www.marinamustangs.com/>
2. Students must maintain a 2.0 GPA during the sports season. Coaches may require athletes to circulate grade checks and submit them directly to the athletic director. If at any time during the playing season a student's grades drop below the 2.0 GPA, he/she will be put on probation for two weeks to fulfill this academic requirement. During the two-week probation period, the coach has the discretion to allow the student to compete in contests or have him/her sit on the bench. If the student's grades do not meet the 2.0 GPA by the end of the two-week probation period, he/she will be removed from the team.
3. Students must attend school for at least four periods or 4 hours on a game day or on Friday preceding a Saturday competition.

ATTENDANCE

If a student is absent from school, the reason for the **absence must be reported by calling or emailing the school office by 8:15 am** on the day of the absence. Parents/guardians should be prepared to provide their student's name, date of the absence, the reason for the absence and relationship of the person reporting the absence (e.g., mom, dad, grandma). **The attendance line is available 24 hours a day at (916) 933-3993 ext. 6504.** If verification of a student absence due to illness has not occurred within three school days, the unverified absence will be recorded as unexcused. Per state education code, after three days, an unexcused absence cannot be changed. If a student is absent 3 or more consecutive days a doctor's note is required or the absences will be unexcused.

Excessive absences (more than 14 total days) due to illness must be verified by a physician (RUSD board policy 5113). Excessive excused and/or unexcused absences will result in a referral to the School Attendance Review Board (SARB). The following are the only legal excuses that will be accepted by the office for absences or tardies as outlined in Education Code 48205: 1) Personal illness; 2) Quarantine under the direction of the county or city health officer; 3) Medical, dental, optometric or chiropractic appointments, court appearance; 4) Attendance at funeral services; or 5) Participation in religious exercises or to receive moral and religious instruction in accordance with district policy. In such instances, the student shall attend at least the minimum school day (180 minutes). The student shall be excused for this purpose on no more than four days per school month. Parents/guardians may seek approval from the principal or designee for an excused absence for their student when requested in advance with a signed, written note for the following reasons: 1) Appearance in court; 2) Observation of a holiday or ceremony of his/her religion; 3) Attendance at religious retreats for no more than four hours during a trimester. **NOTE: Family vacations are unexcused absences unless an Independent Study contract is granted (See Independent Study).**

Independent Study: Parents who foresee their student being absent for three or more school days may request an Independent Study Contract in the office **not less than 5 school days prior to the first day of absence** to prevent loss of learning time. To receive full credit for missed assignments, the Independent Study Contract **must be completed and returned to each teacher the day the student returns to school.** Contracts are not available for the first two weeks or the last four weeks of the school year.

Early Checkouts: Please arrange for medical and dentist appointments after school hours. Early checkouts from school cause a disruption to the instructional program. If checking your child out early is unavoidable, please come to the office to sign your child out. At that time, your child will be called to the office. Parents/guardians should be prepared to show valid identification as an authorized adult when signing students out. **Per district policy, only a parent/guardian or a person listed on a student's emergency release card may sign a student out of school.** Upon return, the student must sign-in in the office.

Make-Up Work due to Absence: It is the student's responsibility to check Jupiter grades and/or request make-up work from teachers due to absence.

- Students have one day per day of absence to complete make-up work for **excused absences only.**
- Students who miss schoolwork because of **unexcused absences** may be given the opportunity to make up missed work for full or reduced credit. (BP 6154).
- Students will be given the opportunity to make up schoolwork missed because of a **suspension** and shall receive full credit if the work is turned in upon return from the suspension.

Tardy to School: Students must be in their seats in the classroom when the bell rings. A student arriving late must obtain a tardy slip in the office before going to class. Students should bring a note stating the reason for the tardy. Any student who has an unexcused tardy in excess of 30 minutes will be considered truant and receive a truant tardy. **Tardies to classes are not acceptable and students may be subject to merit loss and detention assignment beginning with the third tardy.**

Truancy: Students with 5 absences/tardies (Ed Code Section 48260.5) during the school year will receive a truancy letter from the school. Students with 14 absences/tardies (Ed Code Sections 48264.5) during the school year are classified as a habitual truant and will receive a truancy letter to hold a conference that may result in a referral to the El Dorado County School Attendance Review Board (SARB).

Home Hospital Instruction (HHI) is a limited program available to students who are temporarily disabled (2-8 weeks) by a serious injury or illness that results in absence from school for more than two consecutive weeks. Required authorization forms (Parent Authorization, Medical Verification and Authorization for Exchange of Information) must be on file before program eligibility can be determined and HHI may begin. When approved by school administration, a certificated teacher will be assigned.

BICYCLES & SCOOTERS (*NO SKATEBOARDS OR MOTORCYCLES/DIRTBIKES ALLOWED AT ANY TIME)

Please be prepared to show picture ID to sign out your student. Students may not bring friends or relatives to class or lunch with them. Students are not allowed to walk home from school during school hours. No unauthorized adults or dogs on campus including the field and track.

CONCERNS/COMPLAINTS

We encourage the resolution of concerns and complaints early and informally whenever possible. **Parents and students should direct academic concerns to their student's teacher(s).** If a problem remains unresolved, the individual should contact school administration. Parent concerns about school-related matters involving other students should be addressed through the school office, not through direct communication or confrontation with other students (or parents) on school grounds. Private (non-school) concerns should be addressed through appropriate private communication with other families.

COUNSELING DEPARTMENT

Requests for counselor assistance can be made by students, parents, and staff members by **contacting the school counselor at (916) 933-3993 ext. 6507 or LTeddington@rescueusd.org**

Discipline/Merit Program: Marina Village utilizes a merit system to monitor behavior of students. Each student is given 100 merits to begin each trimester. Merits will be deducted for unacceptable behavior. All students must have a minimum of 80 merits each trimester to participate in extracurricular and co-curricular activities, such as dances or sports. **A minimum number of 275 total merits are required for 8th grade students to attend the end of year activities (Sunsplash and 8th Grade Dance).** Students will avoid suspension for any reason during the 3rd Trimester. If suspended, the student will not be permitted to attend Sunsplash and the dance.

Merit Recovery: Students have the opportunity to earn back lost merits each trimester through completion of 1 hour of community service per 5 merits lost. **Merits must be recovered in the same trimester during which they were lost.** All merit recovery is voluntary and must be completed to regain privileges. Merit Recovery forms are available through the school website <http://www.marinamustangs.com/> and in the school office and must be completed/returned to the office by the due dates listed on the form.

Referrals: Students will be issued Discipline Referrals for inappropriate conduct. Students who receive a referral will be subject to progressive disciplinary consequences. Merit loss, after-school detention(s), lunch-time detention(s), class/in-house suspensions, and home suspensions are possible consequences for behavior infractions. If a student does not attend an assigned detention, two detentions will be assigned. If either of these two detentions is missed, Saturday School may occur. (Exceptions to a Detention "no-show" are if a student is absent on the day of the assigned detention or if a parent requests rescheduling prior to the assigned day of the detention. For these exceptions, students will be reassigned a make-up detention.) **Students who lose 25 merits in a trimester will be subject to a conference with their parent/guardian and an administrator to discuss subsequent alternative consequences.**

Student Rights: At Marina Village we strive to model respect for all students and support their rights. In respecting those rights, students will always be given the opportunity to present their perspective in situations regarding potential misbehavior. In addition, multiple sources of information will be sought and taken into consideration as part of the investigation process.

Diversity/Racism/Equality: Recognizing and valuing diversity creates a school environment that is welcoming and productive. The California Education Code states: "All pupils have the right to participate fully in the educational process, free from discrimination and harassment. Harassment on school grounds directed at an individual on the basis of personal characteristics or status creates a hostile environment and jeopardizes equal educational opportunity as guaranteed by the California Constitution and the United States Constitution (Ed Code 201)." Harassment based on personal characteristics or status will be viewed as significant and will be addressed with appropriate and significant disciplinary action.

At Marina Village, we appreciate diversity and make every effort to guarantee the rights, safety and learning opportunities of all students. In working to accomplish our goal of establishing a bias-free environment, the Marina Village staff and administration will uphold the Education Code as it states: "There is an urgent need to prevent and respond to acts of hate violence and bias-related incidents that are occurring at an increasing rate in California's public schools. California's public schools have an affirmative obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity (Ed

Code 201).” Any act of racism or discrimination will be viewed as significant and will be addressed with appropriate and significant disciplinary action.

Respect for Staff: It is the job of all staff on campus to ensure that all students are safe and have the opportunity to learn. In order to carry out the duties of their job, it is important for all staff members to be treated with respect. This means students are expected to act and speak in a manner that recognizes the staff’s authority in the classroom, on the school campus and at school related events. All pupils shall comply with the regulations, pursue the required course of study, and submit to the authority of the teachers of the schools (Ed Code 48908).

Students are to respond courteously to the direction of staff members even if they are in disagreement with the direction being given. If a student has questions or concerns about the direction(s) they are being given by staff, the student is still expected to comply with the directions, unless it is illegal or unethical. Then, at an appropriate time, the student should talk individually with the staff member to explain his or her concerns regarding the direction given. Students who demonstrate disrespectful behavior toward staff members will be subject to appropriate discipline.

Bullying/Harassment: Students have the right to be free from threats, intimidation, inappropriate teasing and name-calling that create an intimidating and/or hostile school environment. Bullying/Harassment can have significant effects on students and can lead to even more serious retaliatory behaviors. We are committed to maintaining a school environment that is free from bullying and harassment. **Since harassment and bullying often occurs when adults are not present, it is important for students who are victims or bystanders to report these incidences to teachers, yard supervisors, administration, or other school personnel immediately.** The school administration may also use social media to investigate bullying. The school administration takes all reports of bullying, harassment and retaliation seriously and will respond with appropriate and significant disciplinary action (Ed Code 48900, BP 5131).

Bullying/Cyberbullying: Bullying is repeated exposure over time to negative aggressive actions. Bullying can take many forms including physical, verbal, psychological, relational, or cyberbullying. Cyberbullying is bullying using electronic information or communications (text or images) to humiliate, harass, tease, intimidate, threaten, or slander one or more students. Any student engaged in the act of cyberbullying which has a negative impact on the victim’s academic performance, or creates an intimidating, hostile, or offensive educational environment, will be subject to school discipline. Cyberbullying using any school district owned, operated, and supervised technologies is prohibited. Administration or designee may report allegations of cyberbullying to law enforcement authorities.

Harassment/Sexual Harassment: Harassment is one or more specific, unrelenting, and unwanted acts that are related to race, gender, sexual orientation, disability, etc., and create a hostile educational environment. Harassment can occur even if the behavior is not directed at the individual who feels harassed. Sexual harassment of any student by another student, an employee, or other person at school or at a school-sponsored or school-related activity is prohibited. Any student who engages in sexual harassment of anyone at school or a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action (BP 5145.7). Sexually harassing behaviors that will not be tolerated include, but are not limited to unwelcome sexual flirtations, contact, rumors, jokes, stories, drawings, pictures, gestures, threats, verbal abuse, comments, or sexually degrading descriptions. Students may not bring to school or have in their possession any material depicting or describing indecency, obscenity, or sexual behavior.

Violence: A safe environment is essential if students are to be focused and ready to take advantage of the learning experiences on campus. Part of a safe environment includes feeling unthreatened by the use of force or violence by others on campus. Students who are involved in the use of physical force or violence on another person on campus will be addressed with appropriate, significant disciplinary actions.

Weapons and Dangerous Objects: The Governing Board desires students at school to be free from the fear and danger presented by firearms and other weapons. The Board therefore prohibits students from possessing weapons, replicas of weapons, or dangerous instruments of any kind in school buildings, on school grounds or buses, or at any school-related or school-sponsored activity away from school. (Exception: Students who create historical replicas of a weapon for a classroom assignment; arrangements must be made to store item in the office or classroom.) Any school employee may confiscate any weapon, dangerous instrument, or replica from any person on school grounds under the power granted by the Board to maintain order and discipline in the schools and to protect the safety of students, staff, and the public (BP 5131.7a).

Drugs: No Tolerance Policy: Rescue District maintains a No Tolerance policy regarding student use, possession, distribution, sale or being under the influence of alcohol, illegal drugs, controlled substances, “look-alike” drugs, steroids or possessing drug paraphernalia including Vape pens (Or similar devices), and lighters on the school premise or at any school function (home or away). School officials may search students, their property and/or district property under their control, and may seize illegal, unsafe, and prohibited items (BP 5145.12). Any student found in violation will be immediately suspended, possibly issued a citation by law enforcement, and may be recommended for expulsion. (Please see Grounds for Suspension or Expulsion).

Suspension from Class by a Teacher: A teacher may suspend a student from class for any of the acts enumerated in the discipline guidelines (Ed Codes 48900 and 48900.2). The student is expected to do schoolwork in the office or dedicated location during the class suspension. The teacher will inform the parent/guardian of the class suspension. Parental attendance may be required on the day the student returns to class or within one week thereafter (BP 5144.1b, Ed Code 48900.1). Students who are repeatedly suspended from class may be subject to home suspension. (cf. Labor Code 230.7): “Current law enables parents/guardians to be absent from work without endangering their employment status in order to attend a portion of their student’s school day at a teacher’s request. Besides furthering improved classroom behavior, such attendance can promote positive parent-student interactions.”

Suspension/Expulsion (Ed Code Section 48900)

If a student is suspended from school, he/she will lose the right to attend school and school activities. During the suspension period the student may not be on any school campus in the district for any reason. School suspension will result in the loss of merits as determined by administration. A student may be suspended or expelled:

1. While on school grounds
2. While going to or coming from school
3. During the lunch period whether on or off the school campus
4. During, going to, or coming from a school-sponsored activity

Reasons for suspension and expulsion are outlined in Ed Code Section 48900, et seq.

Enforcement of the Discipline Plan: When misconduct occurs, staff shall implement appropriate discipline and attempt to identify and address the causes of the student’s behavior. Staff shall enforce disciplinary rules fairly, consistently and without discrimination (BP 5144a).

Appeal Process for Disciplinary Actions: This process applies to disciplinary actions other than suspension or expulsion. (Appeal for either suspension or expulsion is outlined in board policy). If a student chooses to appeal a disciplinary action, these are the procedures to follow. This process must begin within one week of receiving a disciplinary action.

1. Student discusses the action with the teacher or other staff member who issued the disciplinary action.
2. If the student’s appeal is denied, the student may request a parent discuss the disciplinary action with the teacher or staff member who issued it.
3. If the parent’s appeal is denied, the parent may request a meeting with the teacher or staff member and an administrator.
4. If an administrator denies the parent’s appeal, they may request a meeting with the superintendent.

EMERGENCIES

In the event of an actual emergency or lockdown, we will be keeping you updated in multiple ways including but not limited to recorded phone messages, text messages, emails, and the posting of updates on school and district webpages. **Please understand that calling or going to the school during an emergency may put you and/or others at risk and could potentially hinder emergency personnel.** Should an emergency occur, we will provide you with directions regarding the reunification process as soon as emergency personnel deems it appropriate.

ANAPHYLACTIC REACTION

California Education Code 49414 authorizes Rescue Union School District to provide epinephrine auto-injectors to trained personnel to use to provide emergency medical aid to persons suffering from an anaphylactic reaction.

ELECTRONIC DEVICES

Marina Village provides electronic devices for use in the classroom. Students should not bring their own devices to school.

HOMEWORK CLUB/ACADEMIC INTERVENTION

During each 12-week trimester, students are allowed to attend Homework Club/Academic Intervention on Tuesday or Thursday, after school, from 2:15 - 3:15. Students may be enrolled in Homework Club/Academic Intervention by a teacher or administrator when a ‘D’ or lower is earned in a core class (Math, English, Social Studies, or Science). This is intended to provide students the opportunity to make up, repeat, or correct work to raise a failing grade.

Students are responsible for meeting all deadlines related to the application process.

LIBRARY

The Marina Village library is an area of the school where students have the opportunity to be effective users of information for both research and personal enrichment. Students are encouraged to be active learners in the library while remembering to maintain an atmosphere of mutual respect and courtesy for all to maximize time. The library will be open daily from 7:15-3:45. The lunch/break closures will be posted.

Library/Textbooks: Students are allowed to borrow up to 2 books at a time for a period of ten school days. Materials may be renewed as necessary unless requested by another student. It is preferred that every student have their student I.D. card at all times when checking out books. All reference materials are restricted to use in the library and may not be checked out. Periodicals are for library use but may be checked out overnight if needed for class assignment. Students are encouraged to return materials as soon as they have finished using them. This permits these resources to be used by several students during the course of the year.

1. Textbooks are only checked out with a current lending policy agreement form signed by student and parent/guardian.
2. Students are to protect all textbooks and library books from damage. It is advised not to store liquids in your backpack with your books. Students will be responsible for text and library books damaged by liquids, food, gum, dirt, torn pages, damaged covers and graffiti.

All students are responsible for books checked out in their name and will be assessed a fine of 10 cents per day/per book up to the replacement cost of the book including shipping fees. For any book lost or damaged, a bill will be generated for a replacement cost; one copy will be given to the student, and one will be sent home to parents. Students who fail to return borrowed books or pay fines may lose future borrowing privileges and the opportunity to participate in extra-curricular activities that include athletic events, dances, field trips, assemblies, and end-of-year activities including the promotion ceremony. Yearbooks are held until all library obligations are cleared
