

Message for the Website:

Dear Ridgepoint School Community,

It is my privilege to serve as the principal of Ridgepoint School and to be part of a community that cares so deeply about the success and well-being of our students. Every day, our students, staff, and families contribute to what makes Ridgepoint such a special place to learn and grow.

At Ridgepoint, we believe that every student has the ability to succeed. Our responsibility is to provide students with meaningful learning experiences, high expectations, strong relationships, and the support they need to reach their potential. Our dedicated teachers and staff work each day to challenge our students academically while also helping them develop confidence, perseverance, responsibility, and respect for others.

We are proud of the progress our students make, both in the classroom and beyond. Academic achievement is an important part of our work, but we also recognize that success includes much more than test scores and grades. We want our students to become thoughtful, capable young people who are prepared to take on new challenges, contribute to their community, and continue learning throughout their lives.

A strong school is built on strong relationships. Our partnership with families is an important part of helping students succeed. We encourage families to stay connected with their child's teachers, participate in school activities, communicate with our staff, and celebrate the many accomplishments of our students. When schools and families work together, our students benefit.

We are also committed to maintaining a school environment where students feel safe, welcomed, respected, and valued. Every student should know that they belong at Ridgepoint and that there are adults here who believe in them and are invested in their success.

There is a great deal to be proud of at Ridgepoint, and there is always more work to do. We will continue to reflect on our practices, celebrate our successes, learn from our challenges, and look for ways to make our school stronger. Our goal is not simply to maintain what we do well, but to continually improve the experience we provide for every student.

Thank you to our students for bringing their energy and curiosity to school each day, to our staff for their commitment and dedication, and to our families for the partnership and support they provide. I am grateful to be part of this community and proud of the work we accomplish together.

At Ridgepoint, we are committed to helping every student learn, grow, and discover what they are capable of achieving.

Warm regards,

Doug Emerson

Principal

Ridgepoint School
