The background of the poster is a composite image from the movie Avatar. It features a Na'vi character in a blue suit flying through a dense, dark forest. In the upper right, a large, multi-colored feathered bird is shown in flight against a bright, hazy sky. The overall color palette is dominated by blues, greens, and purples, with a bright light source creating a lens flare effect in the center.

38th Annual

2026 SACS Dinner Dance

GO BIG BLUE!

Bob, this one's for you!

Saturday, February 21, 2026

The SACS (School and Community Solidarity) Committee is seeking your help with donations for our 38th annual School dinner dance. This is not a fundraiser, but an opportunity for the AUHS District Employees and the Community to mix and mingle in a purely social setting.

Any type of donation would be greatly appreciated. We anticipate 400 people will attend our event; and your donations will help us to have a successful event. The event has been a huge success over the years and donations from different local organizations have contributed greatly to the success.

Thank you very much for your consideration,
