Delivering the news from Our Community School

## Book Fair

Scholastic book fairs are a fantastic way for schools to encourage reading by providing students access to a wide variety of books suitable for various age groups and interests. These events often feature popular children's books, educational materials, and sometimes even author visits or reading events. If you're looking to support your school or child's reading habits, participating in or visiting a book fair can be a great opportunity to explore new titles and foster a love for reading. If you have any specific questions about the book fair or need further information, feel free to ask Mrs Lattuca!

**Oct 23<sup>rd</sup> Fall Festival 4:30pm-7pm**

**Oct 24<sup>th</sup> Blue Zone walk to school 7:30am**

**Oct 31 No school**

# FALL

# September Fun at Kynoch

We would like to extend our sincere gratitude to SRO Officer Martinez and his team for visiting Kynoch and his willingness to share such an engaging and valuable Bike Safety presentation with our students. Our 1st-5th graders learned important lessons, including the proper use of helmets, correct hand signals, and safe riding practices on the road.

A special highlight for our Cubs was Officer Souza's impressive bike skills, which captured their attention and made the experience even more memorable.

Thank you once again for your time, dedication, and the incredible demonstration for our school and community. Our students truly enjoyed and greatly benefited from this experience. 🚲 🧑‍🚒 🧡 🐾

The partnership between First 5 and Kynoch is an exciting initiative aimed at enriching the resources available to young students aged 0-5. The event held on September 3rd was a resounding success, drawing a fantastic turnout from the community. Attendees benefited from a variety of services, including vision and hearing screenings, as well as developmental milestone assessments. The event was further enhanced by the presence of several key partners, such as Ampla Health, Yuba County Office of Education (YCOE), and the Tooth Mobile representative, among others. This collaborative effort underscores a shared commitment to supporting the growth and development of young children, ensuring they have access to essential health and educational resources from an early age.

Our visit from the Marysville Fire Department here at Kynoch Elementary was an exciting and educational experience for everyone involved. The firefighters' demonstration not only introduced the young cubs to essential fire safety practices but also gave them a firsthand look at the impressive tools and equipment used in emergency situations. By allowing the children to explore the fire truck and see the gear up close, the firefighters provided an engaging learning opportunity that likely sparked curiosity and admiration for these everyday heroes. Parents this was both a memorable and impactful experience. This kind of community engagement is invaluable in teaching children how to stay safe and respond appropriately during emergencies.

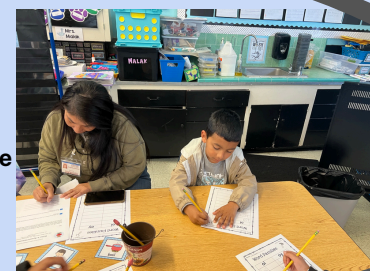

August's Walk to School Day was a fantastic success, with enthusiastic participation from students and teachers alike. The friendly competition for the coveted Sparkling Glitter Tennis Shoe Trophy added an extra layer of excitement to the event. Congratulations to Ms. Pantoja and her students in Room 26 for their outstanding commitment to the Blue Zone Challenge, earning them the top spot once again. Their consistent dedication and team spirit are truly commendable. Events like these not only promote healthy habits but also foster a sense of community and camaraderie among participants. Here's to many more successful Walk to School Days in the future!

**Congratulations to the Cubs who have truly exemplified the values of respect, earning them the prestigious RESPECT Award in September! Your dedication to fostering a positive and inclusive environment serves as an inspiring example to your peers. This achievement highlights your commitment to treating others with kindness and understanding, embodying the spirit of teamwork and community. Keep up the excellent work, and continue to shine as role models within the school. Your efforts make a significant difference, and we are proud to celebrate your success!**

**Volunteering in your child's classroom is a wonderful opportunity to actively engage in their education and support their learning environment. Your involvement not only benefits your child but also enhances the overall classroom experience for all students. To get started, please reach out to Ms. Diane. She will provide you with all the necessary information, for the required background checks. Your contribution can make a significant difference, and the school community will greatly appreciate your dedication and support.**

Celebrating Grandparents Day in your Transitional Kindergarten (TK) classes on September 12 was a heartwarming experience for everyone involved. This special day provided a wonderful opportunity for young children to express their love and appreciation for their grandparents, who play an invaluable role in their lives. The activities included crafting heartfelt cards, sharing stories, singing songs, and even participating in fun games together. Such events not only help bridge the generational gap but also instill important values of gratitude and respect in young minds. It was a day filled with joy, laughter, and precious memories that both children and grandparents will cherish for a long time.

On October 21st, the Kindergarten classes are excited to embark on a field trip to Bishop's Pumpkin Farm. For this fun-filled day, teachers request that your child wears pants and tennis shoes, as the farm environment can be quite rustic and hay can be itchy during the hay ride to the pumpkin field. To keep things simple and organized, backpacks will remain at school, and school lunches will be provided for all children, ensuring they have the energy to enjoy the day's activities. This trip promises to be a delightful experience, filled with the joy of selecting their very own pumpkin and exploring the farm atmosphere.

# UPCOMING BLUE ZONES PROJECT EVENTS

OCTOBER 2025

## TUESDAYS

EllisLakeWalking Moai  
(MeetatGazebo), 6:30AM

Mall Walking Moai, Yuba-SutterMall

Moai, Feather River Blvd., Yuba  
City, 10:00 AM

## FRIDAYS

Shanghai Garden Park  
Walking Moai, Garden  
Highway, Yuba City, 8:30AM

## Walking Moais

### *What is a Moai?*

A Moai (pronounced “MOH-eye”) is a small, close-knit social group that originates from Okinawa, Japan, where people have long used these circles of support to maintain health, happiness, and longevity. Like these walking groups, a Moai brings people together for friendship, encouragement, and shared wellness.

Whether you’re looking to get moving, meet new people, or simply enjoy a moment of connection, Walking Moais are the perfect way to put the principles of a Moai into action. Walking Moais are free, community-led walks open to everyone. Go at your own pace, connect with neighbors, and make new friends along the way. Inspired by the Blue Zones principle of Move Naturally, these walks are about more than just moving your body, they’re about building connections, sharing conversation, and enjoying the simple joy of walking together. Whether indoors or outdoors, each walk is a chance to take small steps toward a healthier, happier life.

## OCTOBER 1, 8, 15, 22

5:30 PM - 6:30 PM

Regency Park  
Stabler Lane & Parc W. Dr., Yuba City

## FREE Community Dance Class

Join us this October for a FREE dance class in the park with Transitions Dance Center! Learn fun new moves, stay active, and connect with the community. No experience needed, just bring a friend and come dance!

Visit [yubasutter.bluezonesproject.com](http://yubasutter.bluezonesproject.com) and follow @bzpyubasutter on Facebook and Instagram to learn more!
