# Lampasas Independent School District

# Hanna Springs Elementary School

# 2025-2026 Campus Improvement Plan

# Mission Statement

The mission of the Lampasas Independent School District is to develop and encourage life-long learners and to share in the responsibility of educating the total child.  The District strives to prepare the students physically, mentally, socially and morally toward the full realization of their highest capabilities.

# Comprehensive Needs Assessment

## Demographics

**Demographics Summary**

For 2025-2026, Hanna Springs Elementary (HSE) continues to service students from Pre-Kindergarten through 5th grade, and it maintains a student population of approximately 685 students. The campus also maintains an Elementary Program for Students with Disabilities (EPCD) and Classroom for Autism Programming and Support (CAPS). HSE utilizes Title I funding to supplement instruction in order to meet the academic needs of all learners. Classrooms and grade level instructional teams are a mixture of self-contained and departmentalized settings. The demographic make-up and design of HSE is as follows for last year's demographics:

African American - 1.52%; Hispanic - 37.73%; White - 54.55%; Asian - 0.30%; Native American - Pacific Islander - 0.30%; American Indian - 0.00%; Multi-Race - 5.45%; Economically Disadvantaged - 60.76%; EB - 9.39%; At Risk - 34.24% not complete at this time (by end of October); Mobility Rate - 12.7%; Special Education Rate - 25.3%

**Demographics Strengths**

**2024–2025:** Reflect an overall score of **82**, maintaining a **B** rating.

**2024-2025 STAAR showed growth from the previous years in many areas. We are continuing to make and show growth. Strengths are in the following areas:**

Reading:
- 3rd Grade Reading: Economically Disadvantaged Meets - 37%, Hispanic Meets - 45%, 2 or more Races Meets - 67%
- 4th Grade Reading: All Students Approaches - 86%, Economically Disadvantaged Approaches - 79%, Hispanic Approaches - 86%, Hispanic Meets - 40%, 2 or more Races Approaches - 100%, 2 or more Races Meets - 100%
- 5th Grade Reading: All Students Approaches - 83%, All Students Meets - 63%, All Students Masters - 30%, Economically Disadvantaged Approaches - 84%, Econo Disadvantaged Meets - 54%, Economically Disadvantaged Masters - 25%, Hispanic Meets - 49%, White - 87%, White Meets - 74%, White Masters - 44%, EB Meets - 40%, High Focus - 48%

Math:

- 3rd Grade Math: White Masters - 27%
- 4th Grade Math: All Students Meets - 49%, Hispanic Meets - 46%, EB Meets - 55%, 2 or more Races Meets - 100%
- 5th Grade Math: Economically Disadvantaged Meets - 40%, White - 90%, White Meets - 54%, White Masters - 25%

**Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Overall performance for Hispanic, White, and special education students continues to present an achievement gap.
**Root Cause:** Due to students' developmental levels, some students are missing foundational skills and need targeted instruction. Students are making gains, but we must continue to intervene through intervention.

# Student Achievement

**Student Achievement Summary**

We are excited for the 2025-2026 school year!  HSE earned the "B" rating from the Texas Education Agency for the 2024-2025 school year.  We are continuing to focus on student progress.  Our primary goal for HSE is for all students to make progress on all state assessments and district benchmarks from the previous school year.  At this time, HSE continues to implement the RtI process, with fidelity, for all grade levels.  We have a system in place to track, identify, and serve all struggling learners in all core content areas.  We continue to implement HB 1416 requirements of an additional 30 hours of intervention time in a small group for each subject that our students failed on the STAAR test.

Test Results from 2025:

| STAAR 4th Math 2025 | 73% | 49% | 21% |

| | Approaches | Meets | Masters |
|---|---|---|---|
| 3rd Benchmark 2025 | 59% | 29% | 7% |
| STAAR 3rd Reading 2025 | 75% | 45% | 15% |

| | Approaches | Meets | Masters |
|---|---|---|---|
| 3rd Benchmark 2025 | 49% | 25% | 6% |
| STAAR 3rd Math 2025 | 70% | 44% | 24% |

**Problem Statements Identifying Student Achievement Needs**

**Problem Statement 1:** Need to increase all passing levels (approaches, meets, advanced.) Students at Hanna Springs will meet or exceed 81% on the 3rd grade STAAR approaches passing rate, 42% on Meets passing standard and 23% Masters passing standard.
**Root Cause:** Students need targeted instruction to close academic gaps.

# School Culture and Climate

**School Culture and Climate Summary**

For the 2025-2026 school year, HSE continues to focus on safety, schoolwide structure, and enhanced character building opportunities for students. HSE staff works diligently to maintain a positive, safe, and productive learning environment for all students. We maintain a school-wide system of order and discipline that allows for Check 1-2-3 lines in our hallways, frequent assemblies to address character and manners, and a discipline referral system that "processes" students prior to classroom removal. This school year, HSE continues PBIS schoolwide. We continue to have our school store opened this year. Students earn Badger Bucks for acts of kindness and with good behavior. The school store is open to shop every nine weeks. Our World Changers students lead our morning announcements and on Wednesdays, they perform the announcements on video for the school.

HSE holds meetings with teachers and parents to address key areas of school improvement: Academics Achievement, Building Leaders and School decision making, and Culture & School Climate. These committees work to identify and address key areas throughout the school that can benefit from frequent, continual improvement. Teachers and parents are continuing to work to meet the social, emotional and academic needs of all students throughout the school.

In addition, HSE maintains a number of extra-curricular activities and events to ensure that all students at HSE can work to become strong, successful leaders:
- Positive behavior incentives through our school store and earning Badger Bucks
- Nine-weeks awards for attendance, good behavior, and distinguished student awards; as well as mid 9-weeks reinforcers for these areas
- AR Reading Incentive programs that are awarded to all grade levels each nine weeks
- Continued instruction in character education, drug prevention, good decision-making, and manners - promoted school wide and reinforced in counselor facilitated character classes and small groups
- Frequent assemblies addressing current student needs, achievements, student feedback, and academic successes
- Leader in Me Celebration Days
- Red Ribbon Week, Fire Prevention Week, and anti-bullying education
- Coordinated Health Programs and Wellness incentives
- Family Night Events and Parent Education Nights
- Fostering time with students that allows them to identify and address the needs of other students and community members

**School Culture and Climate Strengths**

HSE has worked to maintain a positive, enriching climate for students, teachers, and parents. Several methods in which our personnel work to address the school climate and culture includes:

- Daily Leader in Me lessons each morning to review and focus on the 7 habits
- Daily character education and manners are taught on the announcements
- Culture Committee Meetings that address current, relevant concerns related to student achievement and staff morale, sub committees were created
- Continuation of the Child Centered Team (CCT) process that allows for multiple adults to track and monitor the progress of individual students
- Key Staff Development Days for classroom teachers that allows them to plan and prepare for instruction utilizing TRS and Staff Vertical Alignment Days
- Formal and informal Teacher Mentoring programs
- Continued, positive responses to teacher feedback regarding student and staff morale
- Incentive programs for students and teachers regarding attendance and performance
- Daily announcements which teach the Essential 55 and important character rules for life and promote kindness and compassion as a school culture

- Student led World Changers for greeting students and visitors and for conducting daily school announcements
- The number of returning staff who are invested in our school

# Staff Quality, Recruitment, and Retention

**Staff Quality, Recruitment, and Retention Summary**

**HSE has maintained a 100% Highly Qualified staff.**

The 2025-2026 school year continues to maintain a 100% highly qualified staff.  All new personnel are supported campus-wide by not only being partnered with veteran teachers, but also participating in a formal teacher mentoring program.  The professional/staff development that our staff receives is monitored through data, frequent classroom visits by administrators, team meetings, vertical meetings, and individual conferences with teachers throughout the year.  For the 2025-2026 school year, HSE maintains one full-time interventionist and four part-time interventionists who assist teachers in addressing the individual needs of all struggling learners.  HSE also maintains an RtI Coordinator to help track, identify, and supervise the implementation of the RtI process so that "no child is left behind."

HSE also provides professional development to the staff in order to:
* Increase professional development in core content areas to increase knowledge and understanding
* Develop technology skills in collaboration with TEKS Resource lesson plans
* Increase awareness for staff members regarding community and student home-life needs
* Faculty meetings to share current educational research findings, provide training on differentiation

**Staff Quality, Recruitment, and Retention Strengths**

**Strengths for HSE:**
* Formal and informal teacher mentoring
* Increased technology support from campus and district personnel
* Instructional coaching facilitated by the Instructional Specialist (IS) for teachers and administrators for the 2025-2026 school year
* Campus planning meetings to encourage teacher involvement in decision making processes
* Grade-level planning days are given to have data talks on student data.
* Maintaining 100% Highly Qualified instructional staff members

**Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs**

**Problem Statement 1:** We have recruited quality teachers and are retaining employment. We are focusing on growing our new teachers to use best practices so that they will grow to be master teachers.
**Root Cause:** It takes time for new teachers to learn.

# Curriculum, Instruction, and Assessment

**Curriculum, Instruction, and Assessment Summary**

HSE utilizes the  TEKS Resource Curriculum System (TRS), and is implementing this curriculum in all core subject areas (ELA, Mathematics, Science, Social Studies) utilizing concentrated, instructional focus documents.  Campus administrators frequently monitor the implementation of this curriculum through lesson plan reviews, classroom observations, and formal/informal walk-throughs.  Principals provide feedback to teachers on observations through Eduphoria T-TESS.  HSE teachers are required to meet and track student data during weekly team meetings, and PLC meetings are scheduled throughout the year.  All teams are working to track and identify the needs of struggling learners, but they are also working to challenge and address the academic needs of high-achieving students.

In addition, HSE utilizes an Enrichment Time (or SMART Time) to help adequately address the intervention and higher-order needs of all students.  This Enrichment block, utilized five days a week, allows all students to receive concentrated, differentiated instruction based on the academic needs of each individual learner.  Teachers work together to identify and address the needs of Tier 2 and Tier 3 struggling learners in small groups, while high-achieving students are simultaneously provided with higher-order instruction opportunities.  This Enrichment Time allows for students' instructional time and achievement to be maximized without missing any key, core instructional content.  In addition, HSE utilizes common assessments and benchmark testing to aid in the identification of specific objectives that may require more concentrated instruction.

We utilize the Fundations Phonics program for Tier I Reading instruction and the Tier 2 program to use with Tier 2 and 3 Smart Time instruction.  For Math, we use Lonestar Learning bulletin board Math during SMART Time as a weekly spiral review of Math skills.

If a student was unsuccessful on STAAR, they receive 30 hours of intervention in each subject failed during SMART Time.  This meets the HB 1416 requirements.  These hours are serviced during summer school or after school in a tutorial setting.

Current curricular and instructional activities for teaching staff:
- Monthly meetings with intervention personnel to pursue specific areas to address vertically and horizontally
- TRS horizontal planning time each nine weeks to assist with planning and alignment
- TRS vertical planning time each semester to assist with planning and alignment
- Frequent training in Eduphoria Aware (disaggregation and objective analysis)

In addition to small group intervention and large-scale differentiated instruction through Enrichment Time, HSE also utilizes several computerized intervention programs to aid in the remediation and acceleration of struggling learners.  These programs include Lexia, Program for Dyslexia Intervention (PDI), Read Naturally, and IXL.  Teachers and paraprofessionals monitor students' performance in these areas and report to the campus RtI Coordinator every nine weeks for analysis and review.  Teachers, administrators, and intervention personnel meet monthly to review the individual needs of struggling learners during Child-Centered Team (CCT) meetings.

**Curriculum, Instruction, and Assessment Strengths**

**HSE Curriculum and Instructional Strengths:**
- Teacher knowledge and implementation of TRS curriculum
- Disaggregation of data through Eduphoria AWARE
- Classroom and large-scale differentiated instruction and creative learning approaches

- Grade level collaboration to track and identify specific needs of struggling students AND high-achieving students
- TRS horizontal planning and implementation relative to alignment
- TRS vertical planning and implementation relative to alignment
- Implementation of Program for Dyslexia Intervention (PDI), the district-adopted Dyslexia program
- Chromebooks available for all 5th Grade students via 1:1 access
- Chromebooks available for all 3rd and 4th grade students, but not considered 1:1 long term

**Problem Statements Identifying Curriculum, Instruction, and Assessment Needs**

**Problem Statement 1:** Student achievement on the Math STAAR assessment has remained below district and state averages, indicating gaps in students' conceptual understanding and mastery of grade-level math standards.
**Root Cause:** The root cause of low performance is the previous lack of full vertical alignment in the math curriculum, which led to inconsistent skill development and gaps in foundational knowledge from grade to grade. Teachers were not consistently building upon prior knowledge due to misalignment in curriculum scope and sequence. To address this, the campus has adopted Bluebonnet Math, a vertically aligned

# Family and Community Engagement

**Family and Community Engagement Summary**

For 2025-2026, HSE maintains a number of frequent ongoing activities and events to help inform and involve all parents and community members. Primarily, HSE advocates an "open door policy" for parents to tour the school and observe their child's academic progress.

This school year, HSE continues to keep the school store open, which is funded and manned by parents from our PTSO.

We are recognizing and rewarding positive behavior and students are learning to work hard to earn the school currency in order to purchase items in the school store.

We will hold Family Nights this year.

HSE activities are posted on the school website and campus marquee. Events and information that are beneficial to parents are communicated to parents through the internet, notes home in both English and Spanish, and frequent phone calls via SchoolMessenger. Newsletters are also sent home each month with highlights of student events, activities, and accomplishments. HSE and the HSE PTSO both have Facebook pages where information is posted.

**Family and Community Engagement Strengths**

- Parent volunteers run our school store.
- Frequent phone calls home to parents for positive contact and relationship building
- Increasing number of PTSO members, and increased electronic communication with parents
- Multiple methods of communication to parents regarding student progress and achievement (newsletters, website, Facebook, Skyward, notes home, progress reports, email reminders, teacher phone calls)

**Problem Statements Identifying Family and Community Engagement Needs**

**Problem Statement 1:** We are continuing to grow our PTSO.
**Root Cause:** Parents are working or are not able to attend meetings.

# School Organization

**School Organization Summary**

**2026-2025 School Context Summary:**

HSE maintains a number of scheduling and support services to appropriately meet the academic needs of all learners. Our campus maintains frequent communication with parents and community members, consistent meeting dates for teachers and paraprofessionals, and regular faculty meetings for professional development opportunities. Teachers are also granted daily planning time to collaborate with colleagues about student progress and data analysis/tracking/monitoring. Intervention personnel work closely with teachers and staff to effectively identify and address the academic needs of all struggling students.

In addition, HSE utilizes an Enrichment Time, or SMART Time, that offers large-scale differentiated instruction to all students. This Enrichment block, utilized five days a week (4 days pull-out and 1 day push-in), allows all students to receive concentrated, differentiated instruction based on the academic needs of each individual learner. Grade levels work together to identify and address the needs of Tier 2 and Tier 3 struggling learners in small groups, while high-achieving students are simultaneously provided with higher-order instruction opportunities. Enrichment Time allows for students' instructional time and achievement to be maximized without missing any classroom instructional content.

**School Organization Strengths**

- Frequent committee meetings to address vertical alignments, school actions concerns, and school climate
- Faculty meetings to incorporate staff development opportunities
- Monthly grade level meetings to monitor grade levels and to send out school-wide expectations to the campus from administration
- Enrichment Time, or SMART Time, to help differentiate instruction for all learners
- Frequent planning and collaboration opportunities for classroom teachers
- Weekly communication between administration and teaching staff regarding student progress and success
- Organized, large-scale differentiated instruction within all grade levels
- Optimum use of intervention staff and personnel to address the needs of struggling students in ALL grade levels
- Effective communication with parents and community members with regard to student activities

**Problem Statements Identifying School Organization Needs**

**Problem Statement 1:** Limited funding and volunteers for after school instructional programs and extracurricular activities.
**Root Cause:** Limited funding and people available.

# Technology

**Technology Summary**

**2024-2025 HSE Technology Summary:**

HSE incorporates technology into all facets of the school. Struggling students, grade level learners, and high-achieving students all have opportunities to enhance learning through the interactive use of a number of new technologies. HSE has also continued to plan and train staff in order to effectively use document cameras and projectors. Teachers are able to create engaging interactive lessons with dynamic components that would otherwise not be utilized in a traditional classroom setting. Document cameras enable teachers to place creative items, handouts, textbooks, do Science experiments, and display live images for classroom students via a ceiling mounted projector. In addition, most classrooms at HSE are equipped with live interactive SMART Boards. SMART Boards allow students to participate and engage in lessons in a digital fashion. This technology has helped to create a dynamic, interactive classroom for all HSE students. For the classrooms who have opted to not have a SMART Board, teachers utilize the document camera and stream information from their computer through the document camera and project it on the white board.

Our 5th grade students are a 1:1 Chromebook program to allow for more ongoing classroom technology usage. Instructional technology, paired with campus technology, maintains ongoing training with our 5th grade teachers to help keep instructional approaches current and effective.

Lampasas ISD has also opened up the school networks and workstations for teachers, allowing the use of more educational resources on a wider scale. HSE utilizes Eduphoria AWARE to disaggregate data, complete appraisals, communicate with teachers regarding observations, create testing and benchmark items, and submit technology work orders for questions or concerns regarding technology. Through Eduphoria Strive, administrators and teachers can track all staff development trainings, enter Teacher T-TESS goals, walkthroughs, and summative evaluations. Eduphoria Formspace enables teachers to create, disseminate, and disaggregate data from all types of surveys. Eduphoria Help Desk allows technology and maintenance personnel to track and fill requests from staff regarding classroom technology concerns. HSE is now utilizing Eduphoria Forethought for all lesson plans.

**Technology Strengths**

- Continued implementation of a variety of technological software and hardware to enhance instruction (ex. SMART Boards, Document Cameras, Smart projectors, Chromebooks, and standard computerized interventions)
- Usage of district technology coordinator and technology personnel
- Use of Eduphoria to observe staff, communicate technology needs, and disaggregate student data
- Continued staff development in new technologies and software usage

**Problem Statements Identifying Technology Needs**

**Problem Statement 1:** We have a high number of economically disadvantaged students who do not have access to technology in the home.
**Root Cause:** Students' families cannot afford technology due to being economically disadvantaged.

# Priority Problem Statements

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- State and federal planning requirements

**Accountability Data**

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card and accountability data

**Student Data: Assessments**

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Texas approved PreK - 2nd grade assessment data
- State-developed online interim assessments

**Student Data: Student Groups**

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Section 504 data
- Homeless data
- Gifted and talented data

- Dyslexia data
- Response to Intervention (RtI) student achievement data

**Student Data: Behavior and Other Indicators**

- Attendance data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

**Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS data
- T-PESS data

**Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

**Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Action research results

# Goals

**Goal 1:** The Students in the Lampasas ISD will demonstrate exemplary performance in Mathematics, Science, Social Studies, and the Reading and Writing of the English language.

**Performance Objective 1:** By Spring 2026, the percentage meeting or exceeding proficiency will meet or exceed state average on the STAAR tests. HSE will meet or exceed 81% on the 3rd grade Reading STAAR.

> **Evaluation Data Sources:** All students and each special population will exceed the state average on the STAAR tests, meet ARD expectations, and the Campus/District will meet AYP.

| Strategy 1 Details | Reviews | | | |
|---|---|---|---|---|
| **Strategy 1:** HSE will use the scientifically research-based TEKS Resource System TRS to ensure academic success for all students in all classes. | **Formative** | | | **Summative** |

## 1. Comprehensive Needs Assessment (CNA) ESSA Section 1114(b)(6)

### 1.1: Description of CNA Process

On April 8, 2025, the Site Based Committee reviews the current year CIP and CNA.  We discussed improvements and/or amendments that need to be made the CIP for the upcoming school year. Below is the agenda and the minutes from the meeting.

HANNA SPRINGS ELEMENTARY
SITE BASED DECISION-MAKING COMMITTEE AGENDA
April 8, 2025
3:45 p.m.- 4:30 p.m.

- Members Present:
- Introductions:

- Current School Membership: 682 Students
    - Pre-K - 5th Grade
        - Pre-Kinder - 38
        - Kinder -95
        - 1st - 107
        - 2nd - 108
        - 3rd - 111
        - 4th - 114
        - 5th - 109

- PTSO Programming: Meeting Tuesday, April 7th
  - Balance after Fundraiser~ $25,419.39
  - Funding School Store - Students shop every 6 weeks with Badger Bucks that they earn with good behavior.
  - Purchased food for the Fall Family Night and purchased and made popcorn for the Spring Talent and Art Show.
  - Donated rewards and supplies for All-Stars
  - PTSO has assisted with all picture days.
  - Providing food and goodies for teachers on STAAR days and for Teacher Appreciation Week in May.
  - Donated candy bars for students who met goals each 9 weeks.
  - Concessions for field days.

- Parent Involvement Ideas:
  - First semester events:
    - Open house in September
    - Popcorn Fridays
    - Donations for Sunshine Cart
    - School Store
    - Veterans Day program
    - Grandparents Day
    - Hosted UIL
    - Christmas Program at the high school that had a packed house for both shows
  - This semester:
    - Art and Talent Show was on April 3rd
    - Field Days
    - Teacher Appreciation donations
    - End of year awards ceremonies
    - Class parties

- We have had some parents and grandparents volunteer in classrooms.
- Other ideas?? Question regarding parent participation in class parties and birthday celebrations.

- Community Involvement Activities and Ideas:
  - Welcome Letter for all NEW HSE Students, from the World Changers
  - Play It Safe!, Hill Country Advocacy Center
  - Unity Day
  - Start with Hello!, student outreach for building school community and reporting
  - SOCKTOBER, Love Covers All
  - Upstander Initiative and District Bullying Survey
  - RRW, Safety and Fire Week
  - Purple Star  Campus Designation, TEA- Received in Oct 2024
  - LISD Special Olympics Bowling
  - Thankfulness Drive, Lampasas Mission (campus donations of 878 lbs. of food)
  - Ringing the Bell, Salvation Army  (World Changers raised $2200)
  - LISD Special Olympics Basketball
  - CREST Award for 23-24, TSCA- Received in Feb 2025
  - Texas School Counselor Conference
  - Bowlful of Heart, campus food drive for Lampasas Animal Shelter and World Changers walking the dogs
  - See Something, Say Something, community outreach for reporting
  - National School Counseling Week, school and community outreach about the HSE CSCP
  - LISD Special Olympics Track & Field
  - Career Exploration (5 community members presented in rotations for the entire campus)
  - Purple UP! Recognition and Breakfast for Military Connected Families, April 2025
  - Play Date with Special Olympics, May 2025

- LMS Minnow Tour, May 2025
- LHS CTE Exploration, May 2025
- Teacher/Student Showcase for School Board members on May 6th

  - Other ideas??
<span style="color:red">Brown: Adopt a Unit hasn't been able to participate in much this year.</span>

- Title 1:
  - % enrollment; 62%
  - Activities: Funds are used for activities such as Parent Involvement, family events etc. We purchased books for each student to take home.  Classes are in the process this week selecting the books to take home.
  - The Intervention Team is funded with Title 1 funds ~ they give targeted instruction to small groups through intervention.  Most of our Title 1 funds are spent on employee salaries.

School Goals, 2024-2025:
  - School Mission: Lead with Love, Learn as a Family and Empower Everyone.
  - Students have Individual Student Reading & Math Goals to show their progress.
  - Duhon's 2024-2025 T-PESS Goals:
    - Students at Hanna Springs will meet or exceed 81% approaches, 42% meets, and 23% masters on the 3rd grade Reading STAAR. Students in 4th and 5th grade will show progress from their previous year's STAAR tests. 85% of the students in K-2 will show growth in mClass from the BOY to the EOY scores.
    - I presented at the TASA (Texas Association of School Administrators) in January with our  Instructional Specialist and two Fourth Grade Teachers.  We were invited to speak at the Lead4ward conference next

year after our presentation.

- I will continue to grow my school as a Leader in Me School to develop both teacher and student leaders.
    - Lighthouse Team - Teachers will be an active part of decision making
        - Sub Committees
            - Building Leaders
            - Culture
            - Academics
    - Leader in Me School Visits - Teachers and Leadership Team went on school visits to view other LIM schools.  All Hanna Springs teachers have now been on a school visit.
        - February 7th -  Elm Grove Elementary in Hays Consolidated ISD
        - March 7th - Blackland Prairie in Round Rock ISD
    - Student Leadership - Our World Changers led our 3rd 9 Weeks Celebration Day.

Academics
- We Reviewed all programs used at the fall meeting.
- After School Tutorials-
    - December:  4th & 5th grade teachers wanted the opportunity to work in small groups with students who were beginning to make gains and needed the extra attention to spur growth.  These groups were very targeted to individual student needs.
    - January:  3rd & 4th grade offered tutorials right before Benchmarks.  These small groups targeted specific foundational skills students were struggling with and needed additional practice with.
    - February - April:  3rd-5th grade Reading, Math, and Science tutorials were offered.  This round focused on high impact TEKS, still maintaining the small group atmosphere so instruction could be very targeted.

- Additional Support:
    - Rockin Review:  3rd-5th grade 10 days before STAAR
    - Bootcamp:  Tier 2 & 3 students will receive High Impact TEK targeted instruction during SMART time 10

days before STAAR.

Compare 4th STAAR 2024 to 5th Benchmark 2025 for Growth.

Compare last year's Benchmark and STAAR to 2025 Benchmark to see where we are.

Intervention

- Detailed breakdown of SMART time and personnel were reviewed at the Fall meeting.
- 5 Days a week, 45 minutes a day - every other week math and every other week reading. K-5th grade students all participate in SMART Time. Question: Are parents usually told what Tier their child is?
- T1 Students stay with grade level teachers.
- T2/T3 Students get pulled to small group instruction with interventionists
  - Boot Camp - 10 days before STAAR tests

- Attendance - We track daily attendance and have conducted three school-wide attendance competitions.

- Parents are allowed up to 6 notes for excused absences - meaning 6 excused absences in total.
        - Parents are encouraged to obtain doctor notes for other absences, so they are excused.
        - After 10 unexcused absences in a 6-month period, parents may be filed on through the court for truancy.
        - Students must be in attendance 90% of the school year.  Students must complete clock hours after 18 absences to receive credit for the school year.

- Campus Improvement Plan: Duhon, Curtis and Mulcahy will update quarterly the progress of the plan in each area.
    - Accountability Report for last school year ~ HSE received a B rating for the 2021-22 school year.
        - 2022-2023 school year - 71 C Rating - Not Released
        - 2023-.2024 school year - 84 B Rating - Not Released
    - STAAR is 100% online.
    - 23-24 school year STAAR Scores (These scores have not officially been released but the breakdown of our percentages were reviewed at the Fall Site-Based Meeting)
    - Upcoming Changes for next year: Bluebonnet Math Adoption.  We will be getting new math curriculum next year.  We will add an implementation goal to our campus plan.

    - What is going well?
        - <span style="color:red">Like the emphasis on AR and goals being rewarded</span>
        - <span style="color:red">Year is going fast</span>
        - <span style="color:red">Dog</span>

    - Areas at Hanna Springs that could be strengthened ~
        - <span style="color:red">Medication form sent out sooner rather than later</span>
        - <span style="color:red">Preference on doctor's note - email or paper</span>
        - <span style="color:red">Lack in communication of when days don't have to get made up (ice storm, water pipe issue)</span>
        - <span style="color:red">District has not published Elementary Handbook</span>

- How does the district manage substitutes? ReadySub
- Field trip and lots of parents vs parents at school in classroom for the everyday support
- SRO- are they part of the ISD or the City/PD
- Career Day- community participants, included how current academics will support career
- Parent asked what concerns as a school we have.. Bonds etc.

- Summer School 2025

| GRADE/LEVEL | DATES | HOURS | COURSES | LOCATION |
|---|---|---|---|---|
| Summer School: ELEMENTARY ESL PK – 5th Grade | Teacher Workday - May 20th May 21st – June 20th (May 26th - Holiday) | 8:00 – 2:00 - M-F (7:30 – 2:30 for staff) | | Hanna Springs |

- Parent and Family Engagement Policy Reviewed at the Fall meeting.

- Questions:
  - 

Next Meeting: Fall  2025

## 1.2: Location for Evidence of Multiple Meetings Held

We hold two meetings a year for SBDM and two Title 1 Parent meetings.  We hold them in the library or cafeteria.

Our fall SBDM is 10/15/25 and we will hold one in the spring in April.  Our Title 1 meets will be offered on 11/4/25 at 4 p.m. at our PTSO meeting and on 11/6/25 at 9:30 a,m.

Agendas and sign in are filed in my Hanna Springs Title 1 notebook after completion.

# 2. Schoolwide Program Plan/Campus Improvement Plan (CIP) ESSA Section 1114(b)

## 2.1: Timeline for Schoolwide Program/CIP Development 1114(b)(1)(A)

- SBDM meeting in April each year.  4/8/25 - CNA is discussed and CIP is available to committee to view.
- July each year the Leadership Team takes the SBDM  information and updates the current CIP to the goals needed for the next year.
- Fall meeting for SBDM is held in October each year. 10/15/25
- Title 1 meetings are offered in November each year.  11/4/25 @ 4 p.m. and 11/6/25 @ 9:30 a.m.

## 2.2: Stakeholders 1114(b)(2)

We get feed back from the meetings that are held, district surveys. campus surveys and conversations with parents, teachers, students and community members.

## 2.3: Description of Plan Availability, Format, and Language 1114(b)(4)

The CIP is on our website.

# 3. Evaluation of Program Effectiveness ESSA Section 1114(b)(3)

## 3.1: Location and Confirmation for Evaluation of Program Effectiveness Documentation

This documentation is filed in my Title 1 notebook.

Early Childhood

**Program Self-Assessment**

Prekindergarten

**TEA**
Texas Education Agency

# Early Childhood Program Self-Assessment

In 2017, the Texas Education Agency (TEA) developed and disseminated our High-Quality Prekindergarten Self-Assessment (now known as the Early Childhood Program Self-Assessment) to support school districts and charter schools in their ongoing effort to evaluate and improve their early education programs. There is no requirement or expectation regarding the submission of evaluation scores back to the TEA.

Your survey suggestions helped us create new versions of the Early Childhood Program Self-Assessment for prekindergarten and for kindergarten. Both of the aforementioned program self-assessment tools, along with the new 1st and 2nd grade versions, will be posted online in fall 2020.

Research shows that children who attend high-quality early childhood programs obtain better outcomes and are better prepared for school and life. We hope this program evaluation tool will assist you as you analyze your program and plan for next steps in continuous quality improvement. The TEA Early Childhood Division is here to answer your questions, provide technical assistance, and help you to plan for your program. Please do not hesitate to contact us using the contact information on the last page of this program self-assessment tool. We will continue to ask for your feedback to assist us in ensuring that future iterations accurately reflect viewpoints from all over Texas.

Thanks for all that you do to help our youngest learners succeed!

Regards,

**Jacquie Porter**
**Statewide Director Early Childhood Education**
**The Texas Education Agency**

# Overview

The Early Childhood Program Self-Assessment was created to assist administrators in evaluating their early childhood programs and making program adjustments to meet the needs of all students.

## What It Is

- A means of internal reflection and evaluation of current practices

- A voluntary method to identify areas of strength and opportunities for growth

- A process to measure the extent to which growth has occurred

- A tool to inform continuous improvement

## What It Is Not

- A system of scoring, grading or labeling a program

- A tool used to publicly compare or judge prekindergarten programs

- A prekindergarten staff evaluation tool

- A means of comparing individual prekindergarten sites within a school district/charter

## Early Childhood Program Self-Assessment Guide

A self-assessment guide is available to support local education agencies (LEAs) in utilizing the program evaluation tool. The guide provides definitions, explanations, resources, and other helpful information. The program self-assessment guide can be found on this TEA web page https://tea.texas.gov/academics/early-childhood-education/high-quality-early-childhood-program-self-assessment.

# Quality Components and Strategies

| Component | Strategies |
|---|---|
| **Access / Enrollment** | ✓ Eligible 4-year-olds<br>✓ Eligible 3-year-olds<br>✓ Outreach Strategies<br>✓ Enrollment Plan<br>✓ Enrollment Process |
| **Administrative and Teaching Staff** | ✓ Education Aide Qualifications<br>✓ Teacher Qualifications<br>✓ Teacher Evaluations<br>✓ Teacher Professional Development<br>✓ Coaching and Mentoring<br>✓ Administrator Professional Development<br>✓ Leading Continuous Improvement |
| **Curriculum** | ✓ Curriculum<br>✓ Scope and Sequence<br>✓ Curricular Integration<br>✓ Vertical Alignment<br>✓ Horizontal Alignment |
| **Instruction** | ✓ Instructional Activities<br>✓ Instructional Settings<br>✓ Supporting Special Populations<br>✓ Children with Special Needs<br>✓ Teacher Interactions with Students<br>✓ Supporting the Whole Child<br>✓ Student to Teacher Ratio |

| Component | Strategies |
|---|---|
| **Assessment** | ✓ Formative Assessment<br>✓ Summative Assessment<br>✓ Data-Driven Practices<br>✓ Family Input<br>✓ Referrals/Intervention |
| **Learning Environments** | ✓ Physical Arrangement<br>✓ Link to Classroom Instruction<br>✓ Procedures and Routines<br>✓ Supporting Student Behavior<br>✓ Daily Schedule<br>✓ Classroom Displays<br>✓ Outdoor Environment |
| **Family Engagement** | ✓ Family Engagement Plan<br>✓ Communication Practices<br>✓ Inclusive Family Engagement Policy<br>✓ Family Conferences and/or Home Visits<br>✓ Reporting Student Progress<br>✓ Program Expectations<br>✓ Attendance Plan<br>✓ On-Campus Opportunities<br>✓ Participation<br>✓ Support to Families |
| **Transition** | ✓ LEA and non-LEA Shared Professional Development<br>✓ Collaborative Meetings with Early Care and Education Providers<br>✓ Sharing Student Data<br>✓ Family Transition Strategies<br>✓ Transition Plan |

The program self-assessment presents rubrics that outline indicators for three levels of quality for each strategy within each quality component. Complete the program evaluation tool by reading the indicators and selecting the indicator that best describes your program. Utilize the results from the tool to create a continuous improvement plan. A continuous improvement plan template is provided in the Early Childhood Program Self-Assessment Guide.

**Step 1. Read the indicators at each level**

**Step 2. Circle the indicator that best describes your prekindergarten program**

*Example*

Prekindergarten teachers in a school district send out weekly newsletters to inform families of the concepts and skills their child will be learning that week. The district has provided a template for teachers to use.

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| Communication Practices | LEA provides guidance and supports to teachers to ensure that teachers communicate about classroom activities and curricular goals with families. | LEA provides guidance and supports to teachers to ensure that teachers communicate **weekly** about classroom activities and curricular goals with families. | LEA provides guidance and supports to teachers to ensure that teachers communicate **weekly** about classroom activities and curricular goals **through multiple modes of communication** with families. |

**Step 3. Compile results using the chart on page 17**

**Step 4. Identify strengths, opportunities for growth, and next steps for continuous improvement on page 18**

**Step 5. Use results to create a continuous improvement plan** (template is provided in the program self-assessment guide)

# Access / Enrollment

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Eligible 4-yr-olds** | **Fewer than 50%** of eligible 4-year-olds in the community, including 4-year-old children with disabilities and English Learners, are enrolled in an LEA-provided or LEA-partnership prekindergarten program. | **Between 50 and 75%** of eligible 4-year-olds in the community, including 4-year-old children with disabilities and English Learners, are enrolled in an LEA-provided or LEA-partnership prekindergarten program. | **More than 75%** of eligible 4-year-olds in the community, including 4-year-old children with disabilities and English Learners, are enrolled in an LEA-provided or LEA-partnership prekindergarten program. |
| **Eligible 3-yr-olds** | **Fewer than 50%** of eligible 3-year-olds in the community, including 3-year-old children with disabilities and English Learners, are enrolled in an LEA-provided or LEA-partnership prekindergarten program. | **Between 50 and 75%** of eligible 3-year-olds in the community, including 3-year-old children with disabilities and English Learners, are enrolled in an LEA-provided or LEA-partnership prekindergarten program. | **More than 75%** of eligible 3-year-olds in the community, including 3-year-old children with disabilities and English Learners, are enrolled in an LEA-provided or LEA-partnership prekindergarten program. |
| **Outreach Strategies** | LEA utilizes **one** family or caregiver outreach activity to notify families or caregivers of the value and availability of free LEA-provided or LEA-partnership prekindergarten, the enrollment period, eligibility criteria and documentation needed for enrollment. | LEA utilizes **two** family or caregiver outreach activities to notify families or caregivers of the value and availability of free LEA-provided or LEA-partnership prekindergarten, the enrollment period, eligibility criteria and documentation needed for enrollment. | LEA utilizes **three or more** family or caregiver outreach activities to notify families or caregivers of the value and availability of free LEA-provided or LEA-partnership prekindergarten, the enrollment period, eligibility criteria and documentation needed for enrollment. |
| **Enrollment Plan** | Enrollment plan **varies from campus to campus** within an LEA. | LEA implements an enrollment plan **across all campuses that addresses all steps for completing prekindergarten enrollment, includes an annual enrollment day/week and provides enrollment information to families in a manner they can understand.** | LEA implements an enrollment plan **across all campuses that addresses all steps for completing prekindergarten enrollment, includes an annual enrollment day/week with extended hours to accommodate families' schedules and provides enrollment information to families in a manner they can understand.** |
| **Enrollment Process** | Enrollment process varies from campus to campus within an LEA. The enrollment process may take **multiple visits to complete**. | LEA implements an enrollment process that enables families to **complete enrollment in one visit.** | LEA implements an enrollment process that enables families to **complete enrollment in one visit. LEA provides assistance, when needed, to acquire the necessary documentation (e.g. birth certificate).** |

# Administrative and Teaching Staff

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Educational Aide Qualifications** | Not applicable | LEA employs prekindergarten educational aides that have an Educational Aide I, Educational Aide II or Educational Aide III certificate.  TEC 21.003 (a) – *LEGAL REQUIREMENT* | Not applicable |
| **Teacher Qualifications** | Not applicable | LEA ensures that all prekindergarten teachers are appropriately certified according to their teaching assignment and meet one "additional qualification." TEC 29.167 (b) (c); 19 TAC 102.1003(d) *LEGAL REQUIREMENT* | Not applicable |
| **Teacher Evaluations** | LEA ensures that teaching staff are evaluated annually using multiple sources of data, including data that captures and reflects staff's ability to address all student needs. | LEA ensures that teaching staff are evaluated annually using multiple sources of data, including data that captures and reflects staff's ability to address all student needs. **LEA uses evaluation data to inform continuous improvement efforts.** | LEA ensures that teaching staff are evaluated annually using multiple sources of data, including data that captures and reflects staff's ability to address all student needs. **LEA uses evaluation data to inform continuous improvement efforts.  An early childhood specific research-based evaluation tool (e.g. CLI-COT, ERS, CLASS, etc.) is consistently used to supplement the LEA's teacher evaluation tool.** |
| **Teacher Professional Development** | LEA ensures **some** of the professional development activities offered to prekindergarten teachers are early childhood specific. | LEA ensures **most** of the professional development activities offered to prekindergarten teachers are early childhood specific. | LEA ensures **most** of the professional development activities offered to prekindergarten teachers are early childhood specific **and connected to needs identified by student progress monitoring data and teacher evaluation results.** |
| **Coaching and Mentoring** | LEA ensures **some** of the prekindergarten teachers receive coaching and mentoring. | LEA ensures **most** of the prekindergarten teachers receive coaching and mentoring. | LEA ensures **all** of the prekindergarten teachers receive coaching and mentoring. |
| **Administrator Professional Development** | Campus- and LEA-level administrators overseeing early childhood programs **do not attend** early childhood specific professional development activities. | Campus- and LEA-level administrators overseeing early childhood programs **participate annually in one** early childhood specific professional development activity. | Campus- and LEA-level administrators overseeing early childhood programs **participate annually in at least two** early childhood specific professional development activities. |
| **Leading Continuous Improvement** | LEA has structures in place to assist administrators in routinely monitoring progress towards increasing positive child outcomes. | LEA has structures in place to assist administrators in routinely monitoring progress towards increasing positive child outcomes **and the quality of the prekindergarten program**. | LEA has structures in place to assist administrators in routinely monitoring progress towards increasing positive child outcomes **and the quality of the prekindergarten program. LEA assists campuses in making program adjustments throughout the year based on monitoring.** |

# Curriculum

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Curriculum** | LEA's prekindergarten curriculum aligns with all of the 2015 Texas Prekindergarten Guidelines. TEC 29.167; 19 TAC 102.1003 (b) *LEGAL REQUIREMENT* | LEA's prekindergarten curriculum aligns with all of the 2015 Texas Prekindergarten Guidelines **and provides supports for English Learners and students with special needs. A fully aligned curriculum in the student's primary language is provided for English Learners served through bilingual education.** | LEA's prekindergarten curriculum aligns with all of the 2015 Texas Prekindergarten Guidelines **and provides supports for English Learners and students with special needs. A fully aligned curriculum in the student's primary language is provided for English Learners served through bilingual education. The effectiveness of the curriculum to maximize kindergarten readiness is evaluated annually.** |
| **Scope and Sequence** | LEA-wide scope and sequence (for 3-year-old and 4-year-old students) is developed and implemented to ensure that **most** concepts and skills in the ten domains of the 2015 Texas Prekindergarten Guidelines are introduced, reinforced and practiced within the prekindergarten year. | LEA-wide scope and sequence (for 3-year-old and 4-year-old students) is developed and implemented to ensure that **all** concepts and skills in the ten domains of the 2015 Texas Prekindergarten Guidelines are introduced, reinforced and practiced within the prekindergarten year. | LEA-wide scope and sequence (for 3-year-old and 4-year-old students) is developed, implemented **and evaluated annually** to ensure that **all** concepts and skills in the ten domains of the 2015 Texas Prekindergarten Guidelines are introduced, reinforced and practiced within the prekindergarten year. |
| **Curricular Integration** | LEA provides teachers with resources to support curricular integration across **most** of the domains in the 2015 Texas Prekindergarten Guidelines. | LEA provides teachers with resources to support curricular integration across **all** ten domains in the 2015 Texas Prekindergarten Guidelines. | LEA provides teachers with resources to support curricular integration across **all** ten domains in the 2015 Texas Prekindergarten Guidelines **and in all learning centers.** |
| **Vertical Alignment** | Strong, consistent vertical alignment across prekindergarten to grade 2 curriculum and instruction (monolingual and bilingual) is achieved through an **annual joint planning meeting** to understand what is taught, how it is taught and how it is assessed at each grade level. | Strong, consistent vertical alignment across prekindergarten to grade 2 curriculum and instruction (monolingual and bilingual) is achieved through **two joint planning meetings annually** to understand what is taught, how it is taught and how it is assessed at each grade level. | Strong, consistent vertical alignment across prekindergarten to grade 2 curriculum and instruction (monolingual and bilingual) is achieved through **three joint planning meetings annually** to understand what is taught, how it is taught and how it is assessed at each grade level. |
| **Horizontal Alignment** | Teachers' planning meetings support horizontal alignment of the curriculum and instruction between prekindergarten classrooms. | Teachers' planning meetings support horizontal alignment of the curriculum and instruction between prekindergarten classrooms **as evidenced by common curricular goals, themes/units/projects, routines and schedules.** | Teachers' planning meetings support horizontal alignment of the curriculum and instruction between prekindergarten classrooms **as evidenced by common curricular goals, themes/units/projects, routines and schedules. Planning meetings include a review of assessment data.** |

# Instruction

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Instructional Activities** | LEA provides support to teachers in the use of the prekindergarten curriculum to implement activities that introduce, reinforce and practice new concepts and skills within the theme/unit/project. | LEA provides support to teachers in the use of the prekindergarten curriculum to **plan and** implement activities that introduce, reinforce and practice new concepts and skills within the theme/unit/project. | LEA provides support to teachers in the use of the prekindergarten curriculum to **plan, implement and evaluate** activities that introduce, reinforce and practice new concepts and skills within the theme/unit/project. |
| **Instructional Settings** | LEA supports that the majority of daily instruction occurs through small group instruction, individualized instruction and learning centers in both indoor and outdoor contexts. | LEA supports **and ensures** that the majority of daily instruction occurs through small group instruction, individualized instruction and learning centers in both indoor and outdoor contexts. | LEA supports **and ensures** that the majority of daily instruction occurs through small group instruction, individualized instruction and learning centers **that maximize student choice and utilize student interests** in both indoor and outdoor contexts. |
| **Supporting Special Populations** | LEA provides supports for teachers to differentiate instruction for English Learners and provide appropriate accommodations and modifications for students with special needs. | LEA provides supports **and ensures** teachers differentiate instruction for English Learners and provide appropriate accommodations and modifications for students with special needs. | LEA provides supports **and ensures** teachers differentiate instruction for English Learners and provides appropriate accommodations and modifications for students with special needs. **These supports are evaluated annually.** |
| **Children with Special Needs** | Special education services within the LEA are available, but **limited to one educational environment.** | Special education services within the LEA are available **and offered across a continuum of services based on the individual needs of the student.** | Special education services within the LEA are available **and offered across a continuum of services based on the individual needs of the student. The continuum of services is evaluated at least annually.** |
| **Teacher Interactions with Students** | LEA provides supports to teachers in spending equal interaction time with students addressing student behavior and supporting and scaffolding learning. | LEA provides supports **and ensures** teachers spend equal interaction time with students addressing student behavior and supporting and scaffolding learning. | LEA provides supports **and ensures** teachers spend **the majority of** interaction time with students supporting and scaffolding learning. |
| **Supporting the Whole Child** | LEA provides supports and resources to ensure play and hands-on activities are intentionally used daily to support **most** of the domains in the 2015 Texas Prekindergarten Guidelines. | LEA provides supports and resources to ensure play and hands-on activities are intentionally used daily to support **all** domains in the 2015 Texas Prekindergarten Guidelines. | LEA provides supports and resources to ensure play and hands-on activities are intentionally used daily to support **all** domains in the 2015 Texas Prekindergarten Guidelines **and the developmental needs of all students.** |
| **Student to Teacher Ratio** | Not applicable | LEA **attempts to maintain** a student to teacher ratio of 11:1. TEC 29.167 (d); 19 TAC 102.1003 (h) *LEGAL REQUIREMENT* | LEA **maintains** a student to teacher ratio of 11:1. |

# Assessment

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Formative Assessment** | LEA ensures that formative assessments are embedded throughout the school year to assess student progress in most of the domains in the 2015 Texas Prekindergarten Guidelines. | LEA ensures formative assessments are embedded throughout the school year to assess student progress in most of the domains in the 2015 Texas Prekindergarten Guidelines. **Formative assessments are developmentally, linguistically and culturally appropriate.** | LEA **provides supports** and ensures **multiple forms of** formative assessments are embedded throughout the school year to assess student progress in most of the domains in the 2015 Texas Prekindergarten Guidelines. **Formative assessments are developmentally, linguistically and culturally appropriate.** |
| **Summative Assessment** | Not applicable | LEA ensures an assessment instrument from the Commissioner's List is utilized **twice** a year with all students to assess the five primary developmental domains. TEC 29.169 (c); 19 TAC 102.1003 (c) (1) *LEGAL REQUIREMENT* | LEA provides supports and ensures an assessment instrument from the Commissioner's List is utilized **three times** a year with all students to assess the five primary developmental domains. |
| **Data-Driven Practices** | LEA provides written guidance to teachers on how to use assessment data to inform instruction to better meet the developmental and linguistic needs of all students. | LEA provides written guidance **and supports** to teachers on how to use assessment data to inform instruction to better meet the developmental and linguistic needs of all students. | LEA provides written guidance, **supports and systematically ensures** teachers use assessment data to inform instruction to better meet the developmental and linguistic needs of all students. |
| **Family Input** | LEA requires teachers to involve families as partners in the assessment of their child's development once during the school year. | LEA requires **and supports** teachers to involve families as partners in the assessment of their child's development once during the school year. | LEA requires **and supports** teachers to involve families as partners in the assessment of their child's development **twice** during the school year. |
| **Referrals/ Intervention** | LEA has a process to ensure that data from student assessments are used to make referrals for those students who may need intervention services. | LEA has a process to ensure that data from student assessments are used to make referrals for those students who may need intervention services. **Teachers and administrators receive annual updates on how to implement the process.** | LEA has a process to ensure that data from student assessments are used to make referrals for those students who may need intervention services. **Teachers and administrators receive annual updates on how to implement the process. Consistent follow up is done to make sure student needs are addressed.** |

# Learning Environments

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Physical Arrangement** | LEA provides guidance to teachers in creating their prekindergarten classroom environment that is well equipped with space and materials (space available for large group, small group and individual activities) with at least 7 learning centers (multiple materials in each) and is accessible to all students regardless of abilities or primary language. | LEA provides guidance, **resources and supports** to teachers in creating their prekindergarten classroom environment that is well equipped with space and materials (space available for large group, small group and individual activities) with at least 7 learning centers (multiple materials in each) and is accessible to all students regardless of abilities or primary language. | LEA provides guidance, **resources and supports** to teachers **and systematically ensures** that the prekindergarten classroom environment is well equipped with space and materials (space available for large group, small group and individual activities) with at least 7 learning centers (multiple materials in each) and is accessible to all students regardless of abilities or primary language. |
| **Link to Classroom Instruction** | LEA provides teachers with guidance for evaluating the materials and environmental print in the learning centers at least monthly and adjusting materials as necessary to maintain and/or enhance student interest and support curricular content. | LEA provides teachers with guidance for evaluating the materials and environmental print in the learning centers at least monthly and adjust materials as necessary to maintain and/or enhance student interest and support curricular content. **LEA provides materials to teachers to ensure diversity of the students (e.g. race, gender, language, etc.) in the classroom is represented.** | LEA provides teachers with guidance **and supports** for evaluating the materials and environmental print in the learning centers at least monthly and adjusting materials as necessary to maintain and/or enhance student interest and support curricular content. **LEA provides materials to teachers to ensure diversity of the students (e.g. race, gender, language, etc.) in the classroom is represented.** |
| **Procedures and Routines** | LEA provides guidance to teachers in implementing procedures and routines designed to maximize instructional time and support student independence and self-regulation. | LEA provides guidance **and supports** to teachers in implementing procedures and routines designed to maximize instructional time and support student independence and self-regulation. | LEA provides guidance **and supports** to teachers **and systematically ensures** that procedures and routines designed to maximize instructional time and support student independence and self-regulation are implemented. |
| **Supporting Student Behavior** | LEA provides written guidance and ongoing training for administrators and teachers regarding realistic and age-appropriate expectations for behavior and the use of positive guidance to ensure the emotional and physical safety of all students. | LEA provides written guidance, ongoing training **and targeted support, when needed**, for administrators and teachers regarding realistic and age-appropriate expectations for behavior and the use of positive guidance to ensure the emotional and physical safety of all students. | LEA provides written guidance, ongoing training **and targeted support, using internal or external services**, for administrators and teachers regarding realistic and age-appropriate expectations for behavior and the use of positive guidance to ensure the emotional and physical safety of all students. |

# Learning Environments

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Daily Schedule** | LEA provides guidance to teachers about displaying a classroom daily schedule located at student eye level that includes words (in students' primary language) with pictures/icons for each activity. | LEA provides guidance **and supports** to teachers about displaying a classroom daily schedule located at student eye level that includes words (in students' primary language) with pictures/icons for each activity. **The schedule is consistently followed.** | LEA provides guidance **and supports** to teachers **and systematically ensures** that a classroom daily schedule is displayed at student eye level that includes words (in students' primary language) with pictures/icons for each activity. **The schedule is consistently followed, but adapted according to student needs.** |
| **Classroom Displays** | LEA provides guidance to teachers to ensure classroom displays are meaningful, at student eye level and used for learning. | LEA provides guidance **and supports** to teachers to ensure classroom displays are meaningful, at student eye level, used for learning, **and are predominantly student work.** | LEA provides guidance **and supports** to teachers to ensure classroom displays are meaningful, at student eye level, used for learning, **are predominantly student work, and include a variety of work samples (e.g. art, emergent writing, projects).** |
| **Outdoor Environment** | LEA provides an outdoor area with large motor equipment that is age appropriate, safe, clean and accessible to all prekindergartners, including students with disabilities. There are **1-2** natural elements present in the outdoor environment. | LEA provides an outdoor area with large motor equipment that is age appropriate, safe, clean and accessible to all prekindergartners, including students with disabilities. There are **3-4** natural elements present in the outdoor environment. | LEA provides an outdoor area with large motor equipment that is age appropriate, safe, clean and accessible to all prekindergartners, including students with disabilities. There are **5 or more** natural elements present in the outdoor environment. |

# Family Engagement

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Family Engagement Plan** | Not applicable | LEA is implementing and has posted on the LEA's website a plan that describes their approach to meaningful family engagement using the required six components. TEC 29.168 (a); 19 TAC 102.1003 (e) - *LEGAL REQUIREMENT* | LEA is implementing and has posted on the LEA's website a plan that **incorporates and fulfills the expectations of various entities** in describing their approach to meaningful family engagement **(e.g. High-Quality Prekindergarten Family Engagement Plan, Title 1, Head Start). The document is reviewed annually.** |
| **Communication Practices** | LEA provides guidance and supports to teachers to ensure that teachers communicate about classroom activities and curricular goals with families. | LEA provides guidance and supports to teachers to ensure that teachers communicate **weekly** about classroom activities and curricular goals with families. | LEA provides guidance and supports to teachers to ensure that teachers communicate **weekly** about classroom activities and curricular goals through **multiple modes of communication** with families. |
| **Inclusive Family Engagement Policy** | LEA has developed and implements a policy that allows all families, regardless of home language or ability, to fully participate in **most** school activities and receive **some** written documents in an inclusive, culturally, and linguistically appropriate manner. | LEA has developed and implements a policy that allows all families, regardless of home language or ability, to fully participate in **all** school activities and receive **most** written documents in an inclusive, culturally, and linguistically appropriate manner. | LEA has developed and implements a policy that allows all families, regardless of home language or ability, to fully participate in **all** school activities and receive **all** written documents in an inclusive, culturally, and linguistically appropriate manner. |
| **Family Conferences and/or Home Visits** | LEA has a written expectation that family conferences and/or home visits are held **once** per school year and that student assessment data is used to guide the conference and/or home visit. | LEA has a written expectation that family conferences and/or home visits are held **twice** per school year and that student assessment data is used to guide the conference and/or home visit. | LEA has written expectations that family conferences and/or home visits are held **twice** per school year and that student assessment data is used to guide the conference and/or home visit. **LEA provides supports so that teachers can offer families the options to meet before, during or after the school day.** |
| **Reporting Student Progress** | LEA ensures student progress across the five primary developmental domains is reported to families in writing. | LEA ensures student progress across the five primary developmental domains is reported to families in writing **and families are given strategies to support their child's development at home in the areas of need.** | LEA ensures student progress across the five primary developmental domains is reported to families in writing **and families are given strategies to support their child's development at home in all five primary developmental domains.** |

# Family Engagement

| Strategies | Developing | Proficient | Exemplary |
|---|---|---|---|
| **Program Expectations** | LEA provides clear written expectations regarding roles/responsibilities of staff, students and families. | LEA provides clear written expectations regarding roles/responsibilities of staff, students and families **prior to the beginning of school.** | LEA provides clear written expectations regarding roles/responsibilities of staff, students and families **prior to the beginning of school and reviews the expectations with families.** |

Texas Education Agency

# Continuous Improvement Worksheet

## 💪 **Strengths** Identified:

- The physical environment of the classroom is set up for success.
- Small group instructional activities are the core learning style.

## 📈 Next Steps for **Continuous Improvement:**

- Further implementing the curriculum will be our focus to meet standards.
- Tracking and utilizing our data to improve instruction will be another focus as we progress through the year.

## 🚪 **Opportunities to Grow** Identified:

- Family engagement needs to be improved.  COVID has hindered some of that.
- The learning environment needs improvement in regards to student displays.
- The curriculum needs to be studied and better implemented to ensure all standards are being met.
