[Government Code section 4217.12]

Ventilation Services Contract

NOTICE IS HEREBY GIVEN of the intention of the Board of Trustees of the **Lowell Joint School District** (“District”) to consider entering a Ventilation Services contract (“Agreement”) with **ACCO Engineered Systems**, pursuant to the terms of Government Code section 4217.12. The total project cost under the proposed agreement is expected to be up to **\$189,008.** to the extent that nearly 100% of the project is funded by CalSHAPE grants. In accordance with California Government Code section 4217.12 *et seq.*, based on the energy cost savings to be generated by the proposed project, the cost of the energy purchases contemplated will be less than the anticipated cost to the District of electrical energy that would have been expended by the District if such project were not completed. At such time the testimony of all interested persons for or against the proposed Agreement will be heard. Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities and defects to which the objection is made. Any written protest shall be filed with the Clerk of the District on or before the time set for the hearing. The District may waive any irregularities in the form or content of any written notice and at the hearing may correct minor defects in the proceedings. Written protests may be withdrawn, in writing, at any time before the conclusion of the hearing.
