

Welcome to Twin Creeks Elementary

Home of the Tigers!

A Message from the Principal

It is with great pride and enthusiasm that I introduce myself as the new principal of Twin Creeks Elementary. My journey in the San Ramon Valley Unified School District spans 27 years and began in a kindergarten classroom where I discovered my passion for working with students. I have served the district in a variety of roles and at every level, including instructional assistant, special education teacher, intervention and inclusion specialist, instructional coach, program supervisor, MTSS Liaison and Assistant Principal.

I am deeply honored to return to my roots in elementary education, and especially to join the Twin Creeks community. This moment feels incredibly full circle. Over the years, I've had the opportunity to work closely with many of our elementary schools, including serving as Extended School Year principal for three summers and supporting campuses as a program supervisor. Twin Creeks, in particular holds a special place in my heart, not only professionally but personally.

Our family planted roots in the San Ramon, Twin Creeks area more than 30 years ago. Twin Creeks was the field our sons first played Little League baseball, and the broader community has always felt like home. Both of our sons are now grown and married, one lives locally in Walnut Creek and the other in Denver, Colorado. They often reflect fondly on their time attending San Ramon schools, crediting their teachers with providing them a strong foundation and a rich educational experience. In their words, growing up here was like growing up in a true community utopia.

This year, our family grew again with the arrival of our first grandchild, a granddaughter just four months old. As I watch her begin her own journey in life, I am even more inspired by the work we do in education and the importance of creating schools where every child is nurtured, encouraged and inspired to thrive.

I know Twin Creeks to be a school with a collaborative and dedicated staff, and a deeply engaged, supportive parent community. I am excited to partner with our families, staff, students and community members, as we embark on the 2025-2026 school year together. My commitment is to lead with heart and integrity, keeping a clear focus on what matters most, ensuring that every student feels safe, valued and supported, while reaching their full potential.

Here's to a wonderful year ahead!

Looking Ahead

I am eager to connect with each of you and work together to create an exceptional learning environment for all our students. Please feel free to reach out with any questions or concerns. I look forward to a fantastic year at Twin Creeks Elementary, Home of the Tigers!
