PURPOSE

SIP demonstration sites are a direct response to the most commonly asked question we receive from colleagues in the field, "Where can we see inclusive practices in action?" SIP has partnered with Thompson Policy Institute, Fenix Research & Evaluation, and 17 inclusive school sites to bring this opportunity back to our grantees for the 25-26 school year. Here's a sneak peak of our demonstration sites in a short [VIDEO](#).

BENEFITS

Demonstration sites are eagerly awaiting their opportunity to host colleagues from across the state. While at the sites, you will see inclusive instructional practices, get access to curated artifacts, and learn from colleagues and their experiences. Each site has a specific focus. To learn more about the sites, see page two of this document.

INTERESTED IN A VISIT?

Build your visit team

1

Maximize your experience by inviting colleagues to the visit. We recommend a team of teachers, site administrators, and central office leaders to model shared ownership.

2

Secure your spot by registering

Use the QR code below or click on [**THIS**](#) link to access our master calendar. Find your demonstration site location and click on your preferred visit date to continue to the registration page (one form per visitor). Once registration is complete, you will receive a confirmation email.

3

Prepare for your visit

To best prepare for your visit, we recommend identifying your team's learning priorities. Once your visit is confirmed, you will get the opportunity to let us know what those are via a survey.
