

Brittan School

Hello Brittan Families and Community Members,

My name is Heather Azevedo and I am thrilled to be the Superintendent/Principal for Brittan Elementary School. I was born and raised in Live Oak, and built a life here in Sutter. One of my greatest accomplishments was becoming a mom and raising two incredible sons; Jeffrey who is beginning his Junior year at the University of Nevada, Reno, and Hayden, who is entering his Senior year at Sutter Union High School. I loved growing up in this area, and when Brittan hired me in the summer of 2003; I knew it would be my forever home.

I began my educational career at Brittan as an Eighth Grade English teacher. From there I continued to serve our school community in a variety of ways, and it was always centered on passion, dedication, and enthusiasm. I received my Masters in Education; Reading and Literature and then in 2017, I was given the opportunity to grow in this profession and was accepted into the Preliminary Administrative Service Credential Program through California State University, Chico, which propelled me into the Administration side of education.

Brittan is a very special school and Sutter is a very special community. Year after year, our staff continues to go above and beyond for our students and their families. Our school Motto is "Every Student; Every Day," and I truly believe that whether your child/children walk onto campus, or are seen out and about in the community; our staff shows them we really mean what we say and that they matter! I believe in our community and have high expectations for making this another remarkable year.

It's a Great Day to be a Bear!

Sincerely,

Mrs. Heather Azevedo
