Principal's Message

This is my last *Roundup*. I have so enjoyed highlighting the learning journeys of our incredible students, staff and families. I will miss seeing everyone every day, but my smiles will go on for years thinking of our incredible students. It's been the absolute highlight of my career to grow with this community.

Next school year, you'll hear from someone new about the goings on here at Elliott Ranch. Your new principal will be great, I'm sure, and with everyone else here on staff, our site will remain a powerhouse elementary school in Elk Grove.

Once you're all in the groove next year, perhaps the new principal will allow me to come say hello. In the meantime, I'll be doing my tile mosaics and gardening – always with my puppies nearby – and always with a smile on my face at the thought of all that we accomplished in our years together.

Take care, Everybody!

With love and appreciation,
Ms. Van Housen
