Transportation is provided to our families who live in Berry Creek on a first come first serve basis due to limited capacity. After approval of transportation is granted by the superintendent, the following documents must be on file before the child is transported.

- **Transportation Conduct Rules**
- **Permission to Transport and Treat**

Cameras are installed in each van. Our expectation is that all students will follow the conduct rules. If your child loses their transportation due to inappropriate conduct, it will be your responsibility to get them to school. Parents are required to walk their student to their assigned van **AFTER** the van has parked.
