11.2 Ethnic Studies Student Survey Results

Ethnic Studies Student Survey Results

Staff will report out the results of the student Ethnic Studies course survey administered to 9th and 10th graders at MVLA.

Recommendation: For Information.

Teri Faught, Associate Superintendent of Educational Services, presented the data results of the Hanover Research results on the Ethnic Studies online survey given to MVLA tenth and ninth grade students.

Trustee Vonnegut felt the survey calls in to question if Ethnic Studies should be a semester class and would like to work on the recommendations that were in the results from the survey and the district should continue to require it as it is being reviewed.

Trustee Cornes indicated that it took the Board two years to approve the class with many meetings. She also thanked the teachers for their hard work in creating the class. Trustee Cornes would also like Staff to review the recommendations and come back to the Board with a proposal including if the class should be reduced to a semester.

Trustee Katz wanted to make a motion that the administration prepare curriculum for a future meeting so the board can review Ethnic Studies as a semester-long course. Due to the presentation not being an action item, Board President Dr. Ortiz indicated recommendations could be made, but not a motion.

Trustee Levich asked that the administration and teachers review the survey and create a plan that allows the Board to evaluate a one-semester course.

Trustee Ortiz indicated that the survey and data was helpful. The Board can make decisions from an informed place.
