January 2026 Newsletter

Cordova Families,
Happy 2026! We hope the New Year finds you and your families well. We are pleased to be back on campus and to see all of our students' smiling faces.

We look forward to a wonderful year ahead and hope it brings many great things for you and your loved ones.

As we move through January, we are excited to share that we will celebrate the 100th day of school on January 27th—with only 80 school days remaining after that milestone!

Cordova will also be participating in The Great Kindness Challenge from January 26th to January 30th. During this week, we will focus on what it means to be kind and how our actions can positively impact others. Students will take part in activities designed to encourage kindness, empathy, and positive choices.

We invite families to join us by encouraging your students at home to practice kindness as well!

Thank you for your continued support, and we look forward to a great month ahead.
