

POSTING DATE: April 24, 2026

FINAL FILING DATE: May 7, 2026

**Twin Rivers Unified School District is accepting applications for the following
2026 Summer School positions.**

Employees must be able to work the full assignment (if your current classification work calendar overlaps, you may apply only for your current work location per Article 8.32.2). Summer School employees will earn one day of sick leave which will be added to their sick leave balance. Only one day of accrued sick leave can be used during the Summer Session. No additional time off will be approved.

Administration reserves the right to reduce hours or eliminate positions based on lack of enrollment and/or funding.

June 19th and July 3rd (for July 4th) are non-work days/paid holidays (if applicable based on position schedule).

Salary placement will be determined based on your current salary in your current classification. If you have questions about your placement to work in another classification, please contact Nicole Zehnder in HR (ext. 32102).

^^Requires passing Employee Entrance Evaluation (strength test) if not your current classification.

The District will be accepting applications from all school-term employees for the above-named classifications. Assignments will first be offered according to seniority within each classification. Any unfilled positions will then be offered to employees by seniority in similar classifications first, then employees in other classifications.

Please click [here](#) to submit an application through Informed K-12 no later than Thursday, May 7th at 4:00 p.m.
