

Guide for Student Access to Google Classroom

Follow these steps to access your Google Classrooms created by your classroom teachers.

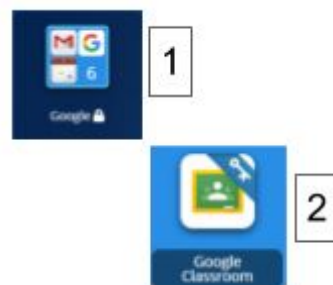

Parent/guardians, if you would like to have access to your child's classroom material, you will need to have your child log in and show you the classroom content.

GETTING STARTED

1. Click on the Google Chrome browser icon on your computer. Go to www.neisd.net
2. In the upper right part of the screen, click “Launchpad” to login with your child’s NEISD username and password. (If you do not know this information, please contact the NEISD Help Desk at 210-356-HELP)

3. Click on the folder labeled “Google”, then click on “Google Classroom” and sign-in with your district username and password. (This sign-in step is only required for first time users)

Using a smartphone or tablet:

If you are connecting with an Android or iOS

device, go to the Google Play Store or App Store to download the Google Classroom app. Once you open the app, sign-in with your NEISD username and password.

If you are missing any of your classes, please check with the teacher of that class.
