

## Welcome to Sheldon High School!

**Complete the attached course request form using the instructions below. Counselors will reference your completed form to create your schedule for next year.**

1. Put **your name and student ID#** on the top of the course selection form.
2. Circle the title of the course in its entirety to make a selection. See the back for an example.
3. Circle your **CORE courses** first, which can be found inside the square on your form. Make sure to circle one CORE course per subject area.
4. Circle eight **electives** and number them from one to eight, one being your top choice and eight being your last choice. These choices can be from any of the elective categories outside of the CORE box.
  - a. Electives #4 through #8 are considered your alternate electives
  - b. We recommend that you choose Computer Technology, a Visual and Performing Art class, and a World Language class as part of your eight electives since these are graduation requirements.
  - c. Scan the QR code below to view the Course Catalog for course descriptions
5. Once you have completed the paper form, please enter your selections into StudentVue to finalize your course selection for next year.
  - a. Scan the QR code below to view the instructional video or reference the slideshow sent via email for step-by-step instructions
  - b. The majority of the core courses have been preloaded for you, but you can edit these selections as needed.
6. **Once you have completed the paper form, please submit to a counselor before leaving. You can complete the computer piece of course selection now, during PACK time or at home.**
7. Course selection forms and StudentVue entries must be finalized and submitted by **February 2nd at 4pm**
