

2026-2027 DRAFT Annual Action Plan CDBG & HOME Funds

The City's Consolidated Plan establishes goals and funding priorities that address the greatest needs of the City's low-income residents. The City's two relevant federal grant sources are the Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME). Federal regulations govern how the City must plan, utilize, evaluate, and report on these two grant funding sources.

Each year of the 5-Year Consolidated Plan period, the City is required to prepare and adopt an Annual Action Plan that lays out how it will implement the Consolidated Plan goals through more specific Projects and Activities. The 2nd year plan includes resource allocations and projected outcomes for a number of specific measurements.

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

As a recipient of federal funds that assist low-income populations, the City of Chico is required to prepare and adopt an Annual Action Plan that lays out how it will implement the Consolidated Plan goals through more specific Projects and Activities. The 2025-2029 HUD Consolidated Plan was adopted June 2025, and goals and funding priorities were established that aimed to address the greatest needs of the City's low-income residents. The City's two relevant federal grant sources are the Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME). Federal regulations govern how the City must plan, utilize, evaluate, and report on these two grant funding sources each year. The Annual Plan also serves as the City's annual application to the federal government to outline the use of CDBG & HOME funds. The 2026-27 Annual Plan will cover the period from July 1, 2026 through June 30, 2027. Each year, the City also produces Consolidated Annual Performance Evaluation Reports (CAPERs) in September that measure annual progress in meeting five-year and one-year goals and projected outcomes.

HUD uses the following definitions for income categories in the CDBG and HOME programs:

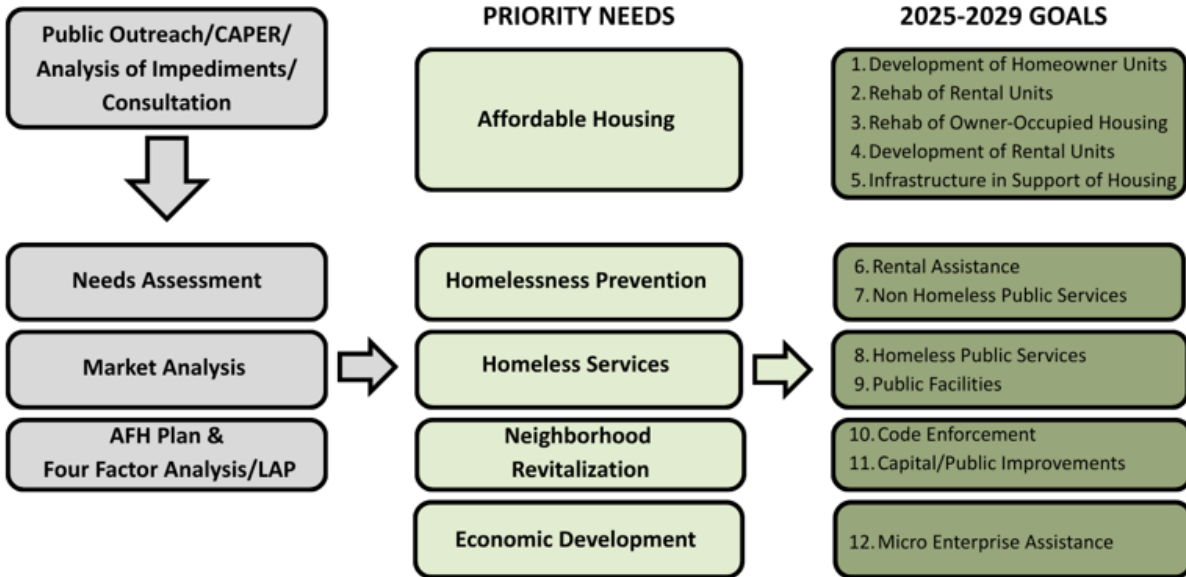

- Moderate Income- does not exceed 80% of Area Median Income (AMI) (Example: less than \$75,100 for a family of four in 2024).
- Low Income- does not exceed 50% of Area Median Income (AMI) (Example: less than \$46,950 for a family of four in 2024).
- Extremely Low Income- less than or equal to 30% of Area Median Income (AMI) (Example: less than \$32,150 for a family of four in 2024).

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Graphic below outlines objectives and outcomes identified in the Plan.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Over the last several years, Chico has continued to respond to the ongoing challenges of the economy and the effects it has had on labor, supply and demand, and housing. Chico’s housing demand was exacerbated by the 2018 Camp Fire Disaster, and the need for affordable housing continues to be a need and priority. Below is an overview of the City’s efforts in carrying out the fifth and final year of the previous, 2020-2024 Consolidated Plan. This evaluation is for program year July 1, 2024 to June 30, 2025. These efforts have also been described in each of the City’s annual CAPER reports that are submitted to HUD annually in September.

A. Priority Area: Affordable Housing

- Development of homeowner units Habitat Wisconsin: City committed CDBG and HOME funding for the development of five self-help homes (that includes one detached ADU), including the infrastructure and site improvements on land formally owned by the City of Chico. Site construction began in the Spring of 2025.

- Development of multi-family units The Foundation (1297 Park Ave): The City provided HOME and CDBG loans for the pre-construction and construction of 59 units (including one manager unit) for The Foundation. Of the total units, 43 of the units are supported with project-based Section 8 vouchers and 27 of the units are reserved for individuals with special needs. Construction was completed in July 2024 and leasing was completed in August 2024.
- Rehabilitation of owner-occupied units Housing rehabilitation program grant funds were provided to facilitate connection of owner-occupied houses to city sewer for one low-income homeowner living within the State-mandated Nitrate Compliance Area (NCA).

B. Priority Area: Homeless Prevention

- Rental Assistance: Through a partnership with the Housing Authority of the County of Butte (HACB) and participating social service providers, 12 households achieved housing stability through subsidies provided by the HOME-funded Tenant Based Rental Assistance (TBRA) program.
- Non-Homeless Public Services (Senior/Disabled Services; Youth/Childcare Service): Public Service funding was provided to Chico Meals on Wheels to provide in-home meals to elderly and disabled homebound adults, as well as the Peg Taylor Center to provide adult day health care and services to adults, all of whom are disabled. In total 348 people were served through these two programs during the program year.

C. Priority Area: Homeless Services

- Fund Homeless Public Services: City funding contributed to the prevention of homelessness and solutions to homelessness by supporting emergency shelters and related services for 729 individuals through the following programs:
 - Catalyst Domestic Violence Services through its HAVEN shelter – 72 individuals
 - True North Housing Alliance at the Torres Emergency Shelter – 575 individuals
 - Chico Housing Action Team (CHAT) through the Harmony at Home program – 20 individuals
 - Community Action Agency at the Esplanade House – 62 individuals

D. Priority Area: Neighborhood Revitalization

- Code Enforcement: to address deteriorating conditions in housing units and the community Neighborhood revitalization was achieved through CDBG-funded code enforcement in those areas of the City where at least 51% of the residents are low-moderate income. Together with other city improvements and services, code enforcement is anticipated to mitigate the decline and support neighborhood improvement in those areas. A total of 775 code enforcement cases were assisted through CDBG during the last planning period.

E. Priority Area: Economic Development

- Micro-enterprise assistance: CDBG funding was provided for micro-enterprise counseling through the Small Business Development Center (SBDC) at Butte Community College. The program continued to exceed its goals and successfully provided counseling to 268 businesses.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Citizen participation for this plan was encouraged through email distributions, noticing in the local daily newspaper, on the City's website, and during community and public meetings. During the development of the Annual Action Plan, the City held a public meeting on January 22, 2026. Unfortunately, no citizens attended this community meeting. A Council appointed Citizen Advisory Committee was utilized to evaluate and make recommendations for CDBG Public Service funding. This committee held two public meetings to discuss the grant applications and funding recommendations. Two public hearings of the City Council were conducted in April and May and the draft Annual Action Plan was available for a 30-day comment period online from April 10 to May 19. A more detailed schedule is included in Table 4.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Chico has been closely involved in the Butte CoC’s establishment and development for many years. The City of Chico helps fund the operation of the Butte CoC, and its Housing Program Manager sits on the Butte CoC Council, which is the governance and decision-making body of the Butte CoC. The City’s Assistant City Manager is also an appointed member of the CoC Council (as a representative for the City Council). Whenever possible, the City’s HUD-funded projects and programs are coordinated with the Butte CoC. Some of the CoC grantees have received funding and support from the City of Chico, including the Torres Shelter (emergency shelter), the Esplanade House (transitional housing), Valley View Apartments (permanent supportive housing), Creekside Place Senior Apartments (15 units set-aside for homeless persons with mental health diagnoses), and recently the City’s Pallet Shelter (“Genesis”) providing emergency shelter. The Butte CoC is in the process of updating the 10-Year Strategy to End Homelessness, which kicked off updates in 2025. The updated planning process will build off the City supporting the progress on some of key goals in the plan, including the establishment of a local housing trust fund, and development of a supportive housing project for persons with mental disabilities. Additional efforts by local agencies include reducing barriers to emergency shelter.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Chico’s Housing Program Manager is a member of the Butte CoC Council, which prioritizes the use of ESG funds, develops performance standards, evaluates outcomes, and directs administration of the Homeless Management Information System and the Coordinated Assessment process. The City of Chico regularly participates in Butte CoC meetings, and reviews Butte CoC plans and policies. The Housing Manager also participates in the CoC Governance Committee and regularly participates in the ESG grant review and recommendation process.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

(following page)

1	Agency/Group/Organization	Butte Countywide Homeless Continuum of Care
	Agency/Group/Organization Type	Services-homeless
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homelessness Strategy
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	The Butte Countywide Homeless Continuum of Care was consulted to understand the needs of homeless community members. This included an understanding of the challenges faced by persons who are extremely low or very low-income and those who have been chronically homeless in both finding and sustaining housing. This will help inform how the City may approach future affordable housing development and also address housing quality of existing units.
2	Agency/Group/Organization	CATALYST DOMESTIC VIOLENCE SERVICES
	Agency/Group/Organization Type	Services-Victims of Domestic Violence
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Non-Homeless Special Needs
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	Catalyst was consulted to understand the needs of victims of domestic violence. This consultation helped the City understand how to best continue assisting the Catalyst HAVEN shelter and transitional housing cottages.
3	Agency/Group/Organization	COMMUNITY HOUSING IMPROVEMENT PROGRAM
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	CHIP was consulted to better understand the needs of both families with children and single-person households who reside in affordable rental housing. The anticipated outcome is a better understanding of the needs of these households.
4	Agency/Group/Organization	Habitat for Humanity Butte County
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	Habitat for Humanity Butte County was consulted to better understand the needs of low-income households who are seeking to become homeowners. In addition, most of the households working with Habitat are single-parent, female head of household. The consultation helped the City understand how to better assist Habitat for Humanity's efforts to build self-help single family starter homes.
5	Agency/Group/Organization	Chico Housing Action Team

	Agency/Group/Organization Type	Housing Services-homeless
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	CHAT was consulted to better understand the needs of persons who have been chronically homeless, including those with a serious mental illness and/or a physical disability. CHAT operates a successful master lease program and also operates a tiny home village. This consultation will help the City to plan for future alternative models of housing which are best suited to serve this population.
6	Agency/Group/Organization	Housing Authority of the County of Butte
	Agency/Group/Organization Type	Housing PHA
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	The Housing Authority of the County of Butte (HACB) was consulted to better understand the needs of public housing residents and voucher holders. This included an assessment of accessibility needs in compliance with Section 504 and how the needs of public housing residents compare with the housing needs of the population at large. Consultation continued close collaboration between the City and HACB on providing housing through development, vouchers and the TBRA program. Both the City and HACB are active leaders in the Butte CoC.
7	Agency/Group/Organization	The Jesus Center
	Agency/Group/Organization Type	Housing Services-homeless
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	The Jesus Center operates a number of housing, shelter and housing navigation programs, including the Genesis Pallet Shelter, in cooperation with the City. This consultation helps the City to best understand how to support this project, as well as others operated by the Jesus Center.
8	Agency/Group/Organization	Legal Services of Northern California (LSNC)
	Agency/Group/Organization Type	Service-Fair Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homelessness Strategy

	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	Legal Services of Northern California was consulted to better understand fair housing and tenants' right issues in Chico. This consultation will help the City to plan for continued fair housing workshops that address timely and needed topics.
9	Agency/Group/Organization	Alliance for Workforce Development
	Agency/Group/Organization Type	Business Leaders
	What section of the Plan was addressed by Consultation?	Economic Development
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	Alliance for Workforce Development was consulted to better understand economic development needs and resources. This facilitated better alignment of economic development goals and activities.
10	Agency/Group/Organization	Butte College Small Business Development Center
	Agency/Group/Organization Type	Economic Development Organization
	What section of the Plan was addressed by Consultation?	Economic Development
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	The Butte College Small Business Development Center (SBDC) was consulted to better understand economic development needs and resources. The consultation continued collaboration on economic development goals, and small business development counseling for job growth.
11	Agency/Group/Organization	True North Housing Alliance, Inc.
	Agency/Group/Organization Type	Services-homeless
	What section of the Plan was addressed by Consultation?	Homelessness Strategy Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	True North Housing Alliance Inc. was consulted to better understand the needs of homeless individuals and households with children. This consultation helped the City understand how to best continue assisting the Torres Community Shelter and the new housing navigation center that True North is opening.
12	Agency/Group/Organization	3CORE, Inc.
	Agency/Group/Organization Type	Business Leaders Community Development Financial Institution
	What section of the Plan was addressed by Consultation?	Economic Development

	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	3CORE was consulted to better understand economic development needs and resources. This facilitated better alignment of economic development goals and activities.
13	Agency/Group/Organization	North Valley Property Owners Association (NVPOA)
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	NVPOA was consulted to understand current trends and issues within the rental market area that includes Chico. Consultation will help the City better understand trends to determine if there are needed projects or programs that might be funded in the future with federal funds.
14	Agency/Group/Organization	California State University- Chico Basic Needs Projects
	Agency/Group/Organization Type	College Student Services
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	The consultation was undertaken to understand the needs of low-income college students who attend CSU Chico. This is important because CSU Chico is a predominantly residential campus, with students impacting the demand for rental housing and basic support services. This consultation supports on-going conversations between the university and the City to ensure they are working cooperatively on housing issues.
15	Agency/Group/Organization	North State Planning and Development Collective
	Agency/Group/Organization Type	Business Leaders
	What section of the Plan was addressed by Consultation?	Economic Development Market Analysis
	How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?	The North State Planning and Development Collective offers economic development-related resources to businesses, governments, and residents of the North State Region (Counties of Butte, Glenn, Lassen, Modoc, Plumas, Shasta, Sierra, Siskiyou, Tehama, and Trinity). They were consulted to understand their implementation plan for economic growth, as laid out in the North State Regional Strategies, and gain their perspective on other critical economic development needs for the City of Chico.

Narrative (optional)

The City is developing a Municipal Fiber Utility named North Valley Fiber, supported by over \$12 million in Federal Funding Account (FFA) grant funds and over \$4 million in American Rescue Plan Act (ARPA) funding, to expand access to affordable, high-speed fiber internet across a project area of approximately 9,100 addresses. Construction began in 2025 in the Chapman Mulberry Neighborhood (low-income census tract), prioritizing areas with greater connectivity needs, with future expansion planned citywide. Construction has been completed to approximately 90% of the project area, with construction in the downtown area beginning soon. Service is expected to begin in the second quarter of 2026.

In November 2021, the City updated its Climate Change Vulnerability Assessment (originally adopted in 2018) to incorporate new data and guidance from the State of California. Prior to this, the City's CivicSpark Fellow completed community and stakeholder engagement for SB 379 in July 2021. The City has used this feedback, along with the updated Vulnerability Assessment, to develop goals, policies, and actions for incorporation into the General Plan's Safety Element. The draft is now complete and pending submission to the California Board of Forestry for review and approval.

Additionally, the City has received the Local Responsibility Fire Severity Zone maps, which are being integrated into the draft Safety Element as required by SB 379. City staff anticipate submitting the General Plan Safety Element Update for SB 379 compliance to the California Board of Forestry in Spring 2026, with City Council adoption expected in Fall 2026.

The City completed a Community Wildfire Protection Plan: <https://chico.ca.us/City-Services/Public-Safety/Fire-Department/Community-Wildfire-Protection-Plan-CWPP/index.html> and the Fire

Department updated the City's Annex to Butte County's Natural Hazard Mitigation Plan which included resiliency planning related to natural disasters.

The City participates in various regional economic development initiatives, including:

- North State Planning and Development Collective;
- The Economic Development District for the Comprehensive Economic Development Strategy (CEDS); and
- Butte County 2030 Economy Project.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal setting

The City of Chico makes efforts to involve the public in the Annual Plan process by publishing notice of the planning process on the City's website, through sharing posts on the City's social media accounts and distributing notices in English and Spanish via email to community listservs. Public participation is encouraged from a variety of groups, including low-income residents, persons with disabilities and special needs, housing and service providers, homeless individuals and advocates, and citizens in general. Outreach was facilitated through public service announcements, posts on the City website and social media accounts, and flyer distribution through public agencies, housing projects, service provider offices, City offices, and the public library. Outreach materials were provided in both English and Spanish.

Online Survey: The City conducted an online community wide survey, which was provided in both English and Spanish. The survey consisted of 10 questions which gathered basic residency and demographic data from the survey respondents and then asked them to provide input on priorities in the areas of infrastructure, neighborhood services, community services, housing services, community facilities and economic development activities. There were 45 responses to the survey (45 in English and 0 in Spanish). Because this was a community-wide survey, respondents from across Chico answered the questions. Respondents were asked to rank several housing services in order of what they would like the City to prioritize; Affordable Rental Housing Development, Homeless Services, and Transitional Housing were the top ranked services. When asked to share comments specific to housing or community services, most respondents discussed homeless services, transitional housing, and rent control.

Public Workshop and Public Meetings: The City held an online public workshop via Microsoft Teams on January 22, 2026. Unfortunately, there were no attendees during this workshop. To achieve greater community participation, the City established an Ad-Hoc Citizen's Advisory Committee to review applications and make recommendations regarding CDBG Public Service funding. The Committee is comprised of up to five members of the community who have experience working with low-income clients or are citizens at large. The Committee meetings are open to the public.

Two formal noticed public hearings were held during City Council Meetings. The Annual Plan is presented to Council and public comments are encouraged either during the Public Hearing or after via email or mail. The Plan was noticed on April 4th for the Public Hearing held on April 21. The Plan was available for public comment for 30 days from April 10 - May 21. The second Public Hearing is scheduled for May 21, 2026.

Public meetings are held in accessible structures and/or via Teams, and meeting notices include information regarding how persons needing special accommodations/interpretive assistance may request that assistance.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City maintains approximately \$12.3 million in match credit. This credit is derived from previous Low- and Moderate-Income housing funds of the former Redevelopment Agency, the value of land donations/leases, private donations and grants made to housing projects.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

In FY 2024-25, the City transferred a parcel previously acquired for the purpose of developing affordable housing in the Chapman-Mulberry neighborhood to Habitat for Humanity of Butte County for a 5-unit single family subdivision to be built under Habitat’s self-help model. This project has completed infrastructure improvements at the site and will begin the home construction in Fall 2026. The City also owns a parcel at the intersection of Bruce and Humboldt roads and another downtown, at 1st and Main known as Lost Park.

Discussion

Based on funding trends over the last several years, both CDBG and HOME funding is expected to continue level with very minimal growth. While the most recent allocations in CDBG have slightly increased, HOME funding has slightly decreased. There continues to be not enough resources to address the backlog of needs, compounded by ongoing natural disaster crises, the pandemic and economic uncertainties. In the absence of significant increases, funding will present challenges to the achievement of goals. The City’s primary focus for federal funds will be to continue to provide stable level of services as we’ve done in the recent past. This Annual Plan reflects a commitment to leverage CDBG and HOME dollars through partnerships with local agencies, non-profit organizations, and private sector stakeholders. It also prioritizes integrating multiple funding sources (both local, State and Federal and private investment) to increase effectiveness of programs and projects. By aligning federal resources with local priorities and collaborative strategies, the City aims to utilize every dollar to address critical housing and community development needs.

Funding Contingency Plan

The estimated budget in this proposed Annual Plan assumes flat funding for both CDBG and HOME programs and will be updated to reflect final HUD allocation.

CDBG

If actual funding is above or below the estimated budget, the Administration and Public Services caps would adjust to meet the 20% Admin cap and 15% Public services cap. All other adjustments would affect the Infrastructure in support of affordable housing (Project #12) and would increase/decrease based on the actual CDBG allocation. The public service allocations will be amended as follows: Calculate the difference between estimated allocation and final allocation. If the final allocation results in a surplus, distribute the additional funds proportionally among all applicants. If final funding is lower than the estimated amount, reduce each applicant’s recommended funding proportionally.

HOME

If actual funding is above or below the estimated budget, the administration cap would adjust to meet the 10% cap. The Development of Multifamily Housing Project #19 would increase/decrease based on the actual HOME allocation.

Table 8 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Prior to the 2018 Camp Fire, housing availability and homelessness were critical issues in the City. The Camp Fire coupled with the COVID Pandemic exacerbated these issues in Chico, but also statewide. Based on public participation, a community survey and interviews with service providers in our community last year, this year’s proposed activities continue to focus on placing households into permanent, affordable housing, including the preservation of existing affordable housing units through rehabilitation, helping households maintaining their housing through the utilization of public services through partnerships with our non-profit organizations. The City is also committing funding to infrastructure in support of affordable housing and infrastructure and public improvements in low-

income census tracts. The City will also continue connecting homeowners to City sewer through the homeowner rehab activity and economic empowerment have also been prioritized, by slightly increasing the funding going to SBDC in PY 26-27.

Obstacles to addressing underserved needs continue to include:

- land prices
- resources for construction of infrastructure;
- resources for operating subsidies;
- affordable housing;
- skilled workforce;
- limited transportation options; and
- and limited resources for mental health and/or detox facilities.

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of the County of Butte (HACB) operates 145 units of public housing within the City of Chico. This section summarizes HACB actions planned to address public housing needs and encourage public housing residents to become more involved in management.

Actions planned during the next year to address the needs to public housing

HACB has planned upgrades across its Chico public housing properties to enhance safety, comfort, and overall upkeep. Planned improvements include exterior painting, bathtub refinishing, and installing new signage at Rhodes Terrace and Shelton Oaks. HACB also plans to replace aging HVAC systems and roofs, remodel kitchens for a more functional space, replacement of VCT tiles & abatement, and to continue to trim and maintain trees to improve curb appeal at Public Housing properties.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

- Section 3 opportunities made available as part of contractor engagement, contracting awards prioritized to contractors retaining Section 3 new hires.
- Participation in Resident Advisory Board (RAB), addresses Public Housing policy, revisions to Public Housing Administrative Plan, operational feedback to management, and review of proposed Public Housing capital expenditures.
- Per State law, two (2) Commissioners of the seven (7) member Board of Commissioners must be residents of Housing Authority-owned housing. Currently, one (1) resident of HUD Low Income Public Housing, and one (1) resident of “other” Housing Authority-owned property represent Housing Authority tenant interests.
- Public Housing residents are specifically provided opportunity to:
 - Comment on the annual revision to Public Housing Admissions and Continued Occupancy Policy (ACOP), the opportunity provided by written notice and a 45-day comment period.
 - Comment on changes proposed and/or made to the Public Housing Lease, the opportunity provided by means of written notice and a 60-day comment period.
 - Comment on annual changes to the Utility Allowance schedule, the opportunity provided by means of written notice and a 60-day comment period.
 - Comment on annual changes made to the Schedule of Standard Maintenance Charges the opportunity provided by means of written notice and a 30-day comment period.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

HACB is currently listed as a Troubled Performer due to its late submission of 2023 Financials. Funding has not been impacted at this time, although a potential 5% decrease could be made on the pending

2026 grant award. Operations will not be significantly impacted by this funding decrease.

Discussion

HACB has taken corrective action by hiring a new CFO with significant public housing authority experience. The new CFO is implementing standard operating procedures, training staff, and ensuring timely financial disclosures.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

This section describes how the City will address the needs of homeless persons in the next year.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

As part of its Consolidated Plan goals to support Homeless Public Services and Homeless Public Facilities, the City will support the following actions during this year's Annual Plan:

- City's Outreach and Engagement Team (O&E) follows up with unsheltered persons in the City of Chico to determine eligibility to stay at the Torres Shelter and/or the City's Genesis Shelter. O&E also refers individuals to the alternative camping site for tent camping maintained by the City.
- City operates the Genesis shelter on City property. The site provides services to homeless individuals, including 177 pallet shelters, laundry and showering services, food, handwashing stations, bathrooms, potable water, garbage service, electricity, bike parking, and a pet run area.
- City staff will continue to work with the Butte Countywide Homeless Continuum of Care (Butte CoC) to fully implement and improve the Coordinated Entry System (CES) for homeless individuals. The Butte CoC implemented CES, which utilizes the VI-SPDAT for assessment, and has trained many agencies to enter their clients into the system. The County's housing and service providers are engaged and unified in the use of HMIS and CES. If a homeless individual is not working with an agency, Butte 211 is the primary intake point into the CES. The use of CES results in an efficient referral to appropriate services based on each homeless individual's needs.
- Continue to work with Butte County, in partnership with the Butte CoC, to identify on-going funding sources for street and encampment outreach.
- The City's Police Target Team collaborates with the Butte County Department of Behavioral Health (BCDBH) to respond to crisis calls. The 24/7 Mobile Crisis Response Team (MCRT) can respond with or without an officer from the Chico Police Department to individuals experiencing a mental health crisis. BCDBH also has two teams dedicated to providing homeless outreach (Resiliency Empowerment Support Team (REST) and Community Overdose Protection Effort (COPE) engagement). These programs help build trust in support systems and get individuals into housing and services.
- The City Manager's office continues to explore and assess funding and resource possibilities for

increased support for community members experiencing homelessness.

Addressing the emergency shelter and transitional housing needs of homeless persons

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City's 2026-27 Annual Action Plan will address the following issues.

- Helping homeless persons make the transition to permanent housing and independent living
- Provide CDBG public services funding to Chico Housing Action Team to provide transitional and permanent supportive housing for homeless individuals with a mental illness.
- Provide CDBG public services funding to Catalyst Domestic Violence Services to support the operations of the Haven Shelter for individuals experiencing domestic violence.
- Provide CDBG public services funding to Community Action Agency of Butte County to support their Esplanade House transitional housing program for homeless families with children.
- Public Service funding to Chico Area Agency on Aging/Meals on Wheels and to Innovative Health Care/Peg Taylor Center to assist in the prevention of homelessness by providing affordable meals to people in their homes and affordable adult day health care, respectively, to support households' health and stability to maintain their housing. These services assist many elderly and disabled individuals to maintain their homes.
- Continue the partnership with the County and HABC to support the operations of 37 permanent supportive units at Oleander Community Housing project.
- Assist the Butte Countywide Homeless Continuum of Care (Butte CoC) in accessing HUD CoC funds for supportive housing through participation with the Butte CoC Council.
- Continue to operate the Tenant Based Rental Assistance (TBRA) program to prevent homelessness and provide stable housing to families for at least 12 months (up to 24 months).
- Chico has seen the development of seventeen affordable housing projects (some built and leasing up and some under construction) that were funded with Disaster Low Income Housing Tax Credits and/or CDBG-DR funding in response to the 2018 Camp Fire. See Chart A below with a breakdown of each project mentioned above and affordability level.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services,

employment, education, or youth needs.

The Coordinated Entry System described above will help Low Income individuals and families avoid becoming homeless after discharge from institutions or systems of care. The Butte CoC has implemented the framework of the CES, which utilizes the VI-SPDAT for assessment, and uses Butte 211 as the primary intake point. The Coordinated Assessment System will track individuals' and families' needs and progress and direct them to appropriate levels of housing and support services. The City will continue to collaborate with Butte CoC in this effort.

Discussion

The City's Tenant Based Rental Assistance (TBRA) program provides short-term rental assistance for typically 12 to 24 months. This program provides assistance to very-low, extremely-low-income and special needs families at-risk of homelessness, who are working towards self-sufficiency with a locally established social services provider. The City contracts with the Housing Authority of Butte County to administer this program.

The City provides non-federal funding to a local non-profit to assist households with utility payments to aid in the prevention of homelessness due to non-payment of utilities.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

This section describes the City's action plan to remove barriers to affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Discussion:

The City continues to take actions to remove barriers to affordable housing by implementing the City's 2030 General Plan, 2022-2030 Housing Element, and ongoing updates to the Municipal Code.

Over the past year, the City advanced two phases of the Residential Readiness Program, a multi-phase effort to modernize Title 19 of the Chico Municipal Code and remove barriers to housing. Phase 1 (June 2024) included updates to streamline permitting, provide more flexibility for infill residential projects, clarify parking standards downtown, and expand the benefits of the Corridor Opportunity Site (-COS) overlay to additional zoning districts. Phase 2 (April 2025) focused on aligning Chico's code with new State housing mandates, including updated standards for accessory dwelling units (ADUs) and Low Barrier Navigation Centers, while also strengthening local density bonus provisions to support affordable housing. Together, these amendments 1) ensure consistency with evolving State housing law; 2) Implement key 2022 Housing Element actions; 3) Streamline processes and clarify outdated regulations; and 4) Advance Chicos application for State Pro-Housing Designation, enhancing eligibility for housing and infrastructure funding.

Phase 3 of the Residential Readiness Program is currently underway and includes additional code amendments as well as the evaluation and potential expansion of the Corridor Opportunity Site (-COS) overlay to key transit-served corridors. These efforts will continue to streamline development regulations, implement Housing Element actions, and strengthen Chico's pro-housing position.

The City has adopted the following land use policies:

- Implementation of a Streamlined Approval process for housing projects per State Senate Bill 35.
- Implementation of recently enacted State Senate Bill 9-California Housing Opportunity and More Efficiency Act which allows for more dense development in single-family residential zones.
- An Accessory Dwelling Unit (ADU) ordinance in compliance with State laws to encourage development of these units and updated comprehensive submittal package with reduced submittal fee.
- City secured grant funds to design 13 free pre-approved ADU plans (including one accessible

unit design) that allow for permit-streamlining and offer significant savings for the interested ADU owner. City finalized a 2-story ADU plan with parking below and the residence above and has a promotional video highlighting the ADU plans on the City's website.

- ADU impact fees have been reduced; owner occupancy requirement for primary unit has been removed for the majority of the City.
- Code changes to allow housing uses by Right without discretionary approvals.
- Housing density bonus or incentives for development of housing for very low, low or moderate-income households - if the prescribed percentage of units are made affordable, developers are eligible for a density bonus of up to 50% and may request up to three incentives or concessions.
- Small lot subdivisions - to allow small lot single-family housing development in new and existing neighborhoods to provide compact development and efficient infill.
- Transitional and permanent supportive housing is allowed by right in all residential zones.
- Modifications for accessibility may deviate from standard development standards with the approval of the public works director.

AP-85 Other Actions – 91.220(k)

Introduction:

This section describes the City's actions to address underserved needs, maintain affordable housing, reduce lead-based paint hazards, reduce poverty, develop institutional structure, and enhance public-private coordination in these areas.

Actions planned to address obstacles to meeting underserved needs

- Continue supporting the development of seventeen affordable housing projects that were funded in part through Disaster Tax Credits and CDBG-Disaster Recovery. These projects are expected to be in service over the next two years. These developments will greatly impact the extreme needs for affordable and special needs housing in Chico (see **Chart A**).
- Support the City's Genesis shelter to assist with housing homeless and providing wrap around services.
- Support ongoing operations of the Torres Emergency Shelter and navigation center to meet the needs of all unhoused individuals.
- Support facilities which serve the homeless, such as the Housing Navigation Center and Low Barrier Emergency Shelters
- Continued allocation of CDBG funds for Micro-enterprise assistance through the Small Business Development Center technical assistance and counseling program.
- The City budgets non-federal funds for a homeless prevention program and funded two organizations last year. The Home and Heart program continues to work on matching clients for their home share program. The City also funds a non-profit that assists low-income homeowners with past-due utility bills to ensure residents can remain in their homes.
- The City transferred City-owned property to Habitat for Humanity to support the development of five ownership housing units for low-income households.
- The City continues to fund warming and cooling centers during the hottest and coldest months of the year that provide a space for homeless to rest and charge their electronics.
- City completed a list of accessible units within the community and provided the document to the Disability Action Center so that they may make appropriate referrals.
- The Affordable Housing Resource Guide continues to be available on the City's website and at City Hall.
- The City continues to fund its non-HUD funded Lease Guarantee program, administered by the Housing Authority of the County of Butte.
- The City will be focusing on disseminating fair housing resources and increase outreach efforts to residents in high segregation and poverty census tracts, in accordance with the City's new Housing Element.
- The City's "Tenant Resources" website was updated to create a more user-friendly interface.

Actions planned to foster and maintain affordable housing

- Explore potential properties and partnerships for development of Single Room Occupancies, tiny homes, studios or one-bedrooms.
- Explore and apply for appropriate new State funding sources for affordable housing development, such as PLHA and Prohousing.
- Explore potential resources to support development of Accessory Dwelling Units (ADUs) for Low- and Moderate-income households.
- Work with owners of existing City-assisted multifamily developments to facilitate rehabilitation of the developments.
- Continue the owner-occupied sewer connection grants under the housing rehabilitation program.

Actions planned to reduce lead-based paint hazards

Continue to implement lead-based paint hazard policies and procedures in the Tenant Based Rental Assistance (TBRA) and Housing Rehabilitation projects. Continue development of new affordable housing units.

Actions planned to reduce the number of poverty-level families

- Continued allocation of CDBG funds for the Small Business Development Center counseling program.
- Continued allocation of CDBG Public Services funds for the Meals on Wheels program.
- Continued allocation of HOME funds for self-help housing programs, such as Habitat for Humanity and Community Housing Improvement Program.
- Continue providing funding for micro-enterprise counseling and assistance, tenant-based rental assistance, and funding for transitional housing programs which provide a safety net for Very-Low-income families.
- The City provides temporary housing assistance to participants in the HOME Tenant Based Rental Assistance program.
- The City continues to budget non-federal funds for two homeless prevention programs.

Actions planned to develop institutional structure

- The City will continue to use CDBG and HOME Administration funds to implement the Consolidated Plan and Annual Action Plans, train staff, address the Analysis of Impediments to Fair Housing, complete annual CAPER reports, and comply with HUD regulations.
- Continue to update the Housing Resource Guide, which provides citizens with information to

help them access affordable housing in the community.

- The City continues to provide technical assistance to non-profit groups to the extent possible, to improve the organizational capacity of housing and service organizations. There continues to be increased collaboration among the non-profits and City Departments.
- City staff continues to be trained to assist in the administration of the CDBG program and takes advantage of HOME and CDBG trainings.
- Continue to obtain services of applicable consultants to expand capacity.

Actions planned to enhance coordination between public and private housing and social service agencies

The City encourages private sector participation in all HOME and CDBG and non-HUD funded activities. All construction contracts for the housing rehabilitation- sewer-connection program are made available to private sector contractors. The Habitat for Humanity Homeownership Program utilizes private grants, in-kind donations, Youth Build (when available) and owner participation in the production of single-family homes. The Tenant-Based Rental Assistance Program provides assistance and security deposit grants for "at-risk" tenants. The success of the program depends very much on the participation of private sector landlords. The City works in cooperation with the Housing Authority of the County of Butte and private non-profit service providers to successfully implement the program. Continue to participate in the Butte Countywide Homeless Continuum of Care. Assist the Butte CoC members in achieving goals laid out in the 10-Year Strategy to End Homelessness. Assist the Butte CoC in planning and implementing the Coordinated Entry System for homeless persons.

Discussion:

Outlined in the above sections.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

**Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(I)(1)**

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	0
5. The amount of income from float-funded activities	0
Total Program Income	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

**HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(I)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Not applicable
2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City will use the Recapture Provision in compliance with 24 CFR Part 92.254(a)(5) in all cases where a homebuyer subsidy exists in order to recapture HOME assistance to homebuyers if the housing does not continue to be the principal residence of the household for the duration of the period of affordability.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Recapture provisions are based on 24 CFR 92.254 (a) (5) (ii), which stipulates the conditions for recapture of the HOME investment used to assist low-income families in purchasing a home. Homebuyer recapture provisions which require recapture of funds if the home does not continue to be the borrower's principal residence during the duration of the period of affordability, are included in a covenant to be recorded on the property and within the written loan agreement that is secured by a recorded deed of trust. The amount to be recaptured will not exceed the net proceeds, if any.

The net proceeds are the sale price minus the senior loan repayment (other than HOME funds) and any closing costs. In the event of a short sale or foreclosure during the HOME Affordability Period, the Loan may be forgiven.

Affordability period per the HOME guidelines:

- For assistance under \$15,000 the affordability period is 5 years.
- For assistance under \$15,000-\$40,000 the affordability period is 10 years.
- For assistance over \$40,000 the affordability period is 15 years.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows: Not applicable.
5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)). Not applicable
6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)). Not applicable
7. If applicable, a description of any preference or limitation for rental housing projects. (See 24 CFR 92.253(d)(3) and CFR 91.220(l)(2)(vii)). Note: Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a). Not applicable
