Article 1 – Agreement

1.1 This is an agreement made and entered into this 25th day of May 2022 by and between the SHASTA UNION HIGH SCHOOL DISTRICT (hereinafter referred to as "District") and EDUCATIONAL SUPPORT PERSONNEL-SSEA/CTA/NEA (hereinafter referred to as "Association").

1.2 The District confirms the recognition of the Association as the exclusive representative for those classified employees certified by Public Employment Relations Board on December 23, 1988 (S-R-298B/S-D-110). This agreement applies only to regular classified District employees included in this representation unit.

Article 2 – District Rights

2.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law.

2.2 The District's exercise of its powers, rights, authority, duties and responsibilities; the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this agreement, and then only to the extent such specific and express terms are in conformance with law.

2.3 The District retains its right to amend, modify, or rescind policies, regulations, and practices referred to in this agreement in cases of emergency. For the purposes of this article, an emergency is defined as an act of God, a war, a natural or man-made disaster.

2.4 Any review of grievances related to this article, pursuant to Article 12 (Procedures for Processing Grievances) is solely limited to whether or not the District appropriately reserved its rights.

Article 3 – Organizational Rights

3.1 Within 30 days after the execution of this contract, the District shall post this contract on the District website to be viewed and/or printed as needed by employees of the bargaining unit. (Board approved July 10, 2018)

3.2 The Association President or other designee assigned by the President will be permitted released time up to a maximum of twelve days for each 12-month period under this contract for the purpose of conducting the normal (define) business of the Association. Release time shall be requested in no less than one (1) hour increments. The released time is granted with the understanding that the Association President's first commitment is to employment with the District and that absences for Association activities will be held to a minimum. The Association President will seek at least five days advance review by a designated management person for each request. (Board Approved 5/13/2014)

3.3 The District will provide the Association with a seniority list for purposes of layoffs of all classified employees in the District. Such list shall be provided by February 1 of each year of this Agreement; and upon request of the Association, the District will provide the Association with an updated list within 10 calendar days of the service of layoff notices to members of the bargaining unit.

3.4 Released Time for Negotiations

3.4.1 Released time for negotiations shall be provided only as authorized in this Article.

A total of 10 hours of time will be provided to the negotiating ESP team for preparation and/or with approval of the site administrator. (Board Approved 10/12/2021)

3.4.2 The Association shall request released time for negotiations. Such request shall be directed to a designated District representative.

3.4.3 A unit member released for negotiations shall be released from all work regardless of the unit member's assigned shift if negotiations last or are scheduled to last for six or more hours, except that a unit member shall work that portion of a shift which can be completed before negotiations begin.

3.4.4 A unit member released for negotiations shall return to work if there is more than 1 hours of work left in the day. (Board Approved 10/12/2021)

3.4.5 Any exceptions to the foregoing shall be mutually agreed to by the District and the Association.

Article 4 – Maintenance of Membership

4.1 Employee Rights

- 4.1.1 For the purpose of this article the definition of a unit member is a probationary or permanent employee. (Board approved 6/23/2011)
- 4.1.2 The District and the Association recognize the right of employees to form, join and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon nor discriminate against an employee in the exercise of these alternative rights. Accordingly, membership in the Association shall not be compulsory. A unit member has the right to choose, either to become a member of the Association, or to refrain from membership.
- 4.1.3 Outside substitutes and/or outside temporary employees are not dues paying unit members. They do not earn seniority. These individuals are not represented by the union. (Board approved 6/23/2011, 12/17/2019)

4.2 Payroll Deductions

- 4.2.1 The Association shall be provided continuous payroll deductions of membership dues, including the dues of the State organization. The Association shall hold the District harmless on account of any problem arising from monies having been deducted and remitted to the Association pursuant to this Section. The Association agrees to furnish any information needed by the District to fulfill the provisions of this Section.
- 4.2.2 The Association is entitled to a change in payroll deductions of its member(s) provided an authorized Association officer submits a written request to the District for such adjustment; and provided further that at least 30 calendar days prior to the change an authorized Association officer shall furnish the District with evidence that the Association provided notification to its members of said change. Such changes shall consist of total annual dues change, increase or decrease in dues requirements, increase or decrease in authorized deductions by a member(s) for Association approved items.
- 4.2.3 The District shall remit all dues collected to the Association with an accompanying alphabetical list of all unit members for whom all dues deductions have been made.

4.3 Payment Method and Association Certification Requirements

- 4.3.1 The District is under no obligation to make payroll deductions for periods during which a unit member is either terminated from active employment or not on the District's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than 30 days. The unit member's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues to be deducted. When a unit member is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period. In the case of a unit member who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions have priority over Association dues. (Board approved 12/17/19)

4.4 Hold Harmless Provisions

- 4.4.1 The Association, as defined by this Agreement, shall hold the District harmless and shall fully and promptly reimburse the District for reasonable legal fees and costs incurred in responding to or defending against claims, disputes, or challenges, which are actually brought against the District or any of its agents by other than the Association in connection with the administration or enforcement of any section of this Agreement pertaining to representation fee. Such reimbursement shall include costs and attorney's fees incurred by the District.
- 4.4.2 Upon notice that the District is going to seek indemnification or to be held harmless under this provision, the Association shall have the right to meet with the District regarding the reasonableness and merit of any claim, demand, suit or action for which the District seeks indemnification, and shall attempt to agree whether any such action listed above in Section 4.4.1 shall be compromised, resisted, defended, tried or appealed.
- 4.4.3 In determining whether or not such action shall be compromised, resisted, defended, tried or appealed, the District will defer to the Association's interest if the District does not have a distinct and separate legal interest in the matter in dispute.
- 4.4.4 The District shall not be entitled to be reimbursed for any fees, costs, charges or penalties for which the Association was not properly notified and provided the opportunity to discuss as set forth herein; nor will the District be entitled to any such reimbursement when the District's efforts in defending against such action would be duplicative, or when the District is defending a separate and distinct legal interest or when the District is defending an activity which is arguable subject to criminal liability on the part of any District administrator.

This shall not be interpreted to affect a unit member's permanent status in the District. Within 10 work days of each observation, a conference between evaluator and evaluatee shall be held. Such inspection shall take place under the supervision of a District administrator or designee.

5.5.3 No materials of a derogatory nature, except those items listed in 5.5.1, may be placed in a unit member's personnel file without allowing the employee an opportunity to review and comment thereon. A unit member shall have the right to enter, and have attached to any such derogatory statement, the unit member's own comments. The review and comment upon materials of a derogatory nature shall take place during the normal business hours of the District and at a time when the employee can be spared from duty, as determined by the site administrator. The employee shall submit a request in advance to the site administrator to leave the normal place of work during assigned duty times for such review and comment.

5.5.4 All material placed in an employee's personnel file shall be dated and signed by the contributor.

(Board approved 6/23/2011)

6.1.2 The work day and work week for all unit members shall be established by the District. The Superintendent or designee reserves the right to modify the work hours of any classified ESP staff by not more than one hour. Any change in the work hours of more than one hour shall be negotiated with ESP. The District shall provide a ten-day notification prior to any change taking place unless agreed upon by ESP. (Board Approved 10/12/2021)

6.1.3 The work year shall be defined on the ESP calendar. The calendar shall be an automatic re-opener each year.

6.2 The District will not modify a work shift or a work schedule for purposes of avoiding the payment of overtime.

6.4 Meal and Rest Breaks

6.4.1 A non-compensated meal period of 30 to 60 minutes shall be provided to all unit members who render service of at least six consecutive hours. The length of the meal period shall be determined by the site administrator. The site administrator shall assign the meal period to be taken as soon after the conclusion of four hours of service as possible. Employees may not combine compensated breaks with uncompensated meal periods in any combination in order to come to work late, leave work early or extend the meal period. (Board approved 6/23/2011)

6.4.2 Two (2) 15-minute compensated rest periods shall be provided to employees who work 6-8 hours. Employees who work between 4-hours and 5-hours 59-minutes shall receive one (1) 15 minute compensated rest period. Rest periods shall be taken at the direction of the site administrator at or near the mid-point of each four-hour period of service. (Board approved 6/23/2011)

- 6.4.3 Upon request of an employee, rest periods of a total of 30 minutes on evening or special work shifts may be scheduled. Such scheduling shall be made at the mutual convenience of the employee and the site administrator.

6.5 Overtime

- 6.5.1 Overtime compensation shall be provided employees who are directed by their supervisor to work in excess of eight hours in any one day, or in excess of 40 hours in any work week.
- 6.5.2 For the purpose of computing the number of hours worked, time during which an employee is excused from work because of holidays, sick leave, vacation, compensatory time off, or other paid leave of absence shall be considered as time worked by the employee. All time during which an employee is directed and authorized by the site administrator to be on duty and to perform service shall also be considered as time worked.
- 6.5.3 Employees with a work week of five consecutive work days averaging four hours or more per day shall receive overtime compensation for work directed and authorized by the immediate site administrator to be performed on the sixth and seventh day following the commencement of the work week.
- 6.5.4 Employees whose average work day is less than four hours shall receive overtime compensation for work directed and authorized by the site administrator to be performed on the seventh day following the commencement of the work week.
- 6.5.5 Upon request of a unit member who has been given the option by their supervisor to work in excess of eight (8) hours in any one day or in excess of forty (40) hours per week, the District may grant compensatory time equal to time and one-half of the employee's regular rate of pay or shall receive compensatory time off at time and one-half of the employee's regular rate of pay. Employees authorized by the District to take compensatory time off in lieu of cash compensation for authorized overtime shall take the compensatory time off, as approved by the District, within six (6) months the overtime service was rendered. If the employee is unable to take the time within the six (6) months period, a specific plan to use the hours will be submitted by the employee to the supervisor for pre-approval. If the employee is unable to take the time, or if the District rejects the employee's request for compensatory time, the unit member shall be compensated in the form of pay as set forth herein. (Board Approved 3/10/2009)
- 6.5.6 The intent of the parties is to provide total compensation or compensatory time off within the guidelines as specified in articles 6.5.1, 6.5.2, 6.5.3 and 6.5.4.
(Board Approved 3/10/2009)

6.5.7 Shift Differential

A full-time member of the unit whose assigned work shift commences between 2:30 p.m. and 4:00 a.m. shall receive a shift differential in the form of an assigned shift of seven and one-half hours, for which he/she shall be paid eight hours at the regular rate of pay.

6.5.8 Full-time unit members called in or called back to work by the site administrator on a work day beyond the normal working hours, on a day not scheduled to be worked, shall receive at least two hours of work at the overtime rate, as specified above. This provision shall not apply to any employee who is assigned, prior to leaving work, to work beyond the normal workday. On the sixth and seventh days of work, the minimum call-in time is four hours paid at the overtime rate.

6.5.9 The District will offer the opportunity for overtime on a rotational basis for purposes of equitable distribution among the eligible employees at the work site. The rotation shall begin by offering the opportunity in the order of greatest seniority within classification. If a unit member declines overtime, then that employee shall not again be offered overtime until the completion of the rotation. The District has the right to assign overtime; however, such involuntary assignment shall consist of a rotation in the reverse order of seniority within classification.

6.6 Four-Day Work Week

The following applies if the District elects to assign employees during the summer recess to a four-day work week consisting of 10 hours per day:

Work performed on the fifth, sixth and seventh days shall be compensated for at the rate equal to one and one-half times the regular rate of pay of the employee designated and authorized to perform the work. An employee working an average work day of five hours or less during the work week shall, for any work required to be performed on the sixth or seventh day following the commencement of his work week, be compensated for at a rate equal to one and one-half times the regular rate of pay of the employee designated and authorized to perform the work.

6.6.2 Employees who use vacation or sick leave on one of the 10-hour work days will have 10 hours, or 1.25 days, deducted for each full day of leave taken. Five hours, or .625 days will be deducted for each half day of leave taken.

6.6.3 Work week assignments shall consist of four consecutive days.

6.6.4 The Fourth of July and June 19 will be a full 10-hour holiday.

6.6.5 Part-time employees who are assigned to work during the period will not receive a reduction in hours per week. Any resulting increase in hours per day, however, will not increase the employees' basic assignment for calculation of fringe benefit proration.

6.6.6 Rest periods shall be 20 minutes each.

6.7 Staff Development Days

For ESP 10-month employees, the Association and the District agree to add two (2) optional days for staff development. If employees work on optional day(s), the employee shall be compensated at their hourly rate for those hours worked. 1-310	
4-10	15
11 or more	20

8.2 Vacation leave shall be prorated for employees employed less than full-time for 12 months on a proportionate basis based upon the number of hours the part-time employee is paid in comparison with a full-time 12-month employee.

8.3 Upon separation from service, an employee shall be entitled to lump-sum compensation for all earned and unused vacation.

8.4 A holiday falling within a vacation period shall not constitute a vacation day.

8.5 For 12-month employees, accrued vacation may be taken at any time during the school year, with the approval of the site administrator. If the employee does not utilize the full accrued vacation, the amount not taken shall accumulate for use in the next year or be paid for in cash at the option of the District. For 11-month employees, vacation may be scheduled anytime during their work year calendar with site administrator approval. At the end of each fiscal year, employees who have unused vacation accrued in excess of 30 days will be paid out in cash down to the 30 day accrued vacation level. When the unit member's vacation leave is to be converted to illness or bereavement leave, the appropriate vacation credit shall be restored to the unit member's earned vacation balance, and a reasonable opportunity to utilize this vacation credit shall be provided for in order to avoid loss of vacation credit.

Article 9 - Leaves

9.1 Sick Leave

- 9.1.1 Unit members employed five days a week shall be entitled to 12 days leave of absence for illness or injury with full pay for a fiscal year of service. Unit members employed for less than five days a week and/or less than 12 months/year are entitled to sick leave as follows:
- 9.1.1.1 A unit member employed five days a week, who is employed for less than 12 months/year, is entitled to that proportion of 12 days leave of absence for illness or injury as the number of months he/she is employed bears to 12.
- 9.1.1.2 A unit member employed less than five days a week shall be entitled, for a fiscal year of service, to that proportion of 12 days leave of absence for illness or injury as the number of days he/she is employed per week bears to five. When such persons are employed for less than a full fiscal year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
- 9.1.2 Credit for leave need not be accrued prior to taking such leave. However, newly employed employees shall not be eligible to take more than six days or the proportionate amount to which entitled until after completion of six months of active District service.
- 9.1.3 Unit members may accumulate unused sick leave without limitation.
- 9.1.4 Barring an emergency, unit members shall notify their immediate site administrator or his/her designee in advance of taking any sick leave.
- 9.1.5 The District may require a doctor's verification following any absence exceeding three (3) days, due to illness or injury, as a condition of payment of sick leave hereunder. (Board Approved 10/13/2015)
- 9.1.6 Unit members returning to work from sick leave after surgery or serious illness, upon the request of the District, must provide a doctor's release certifying medical permission to return to work. However, unit member's that are required to submit a doctor's medical request for sick leave prior to being out, due to serious illness or surgery, shall be required to provide the District with a doctor's release certifying medical permission to return to work. The doctor's release must state, the employee's date of return to work and include a list of work restrictions, if applicable. (Board approved 7/10/18)

- 9.1.7 When a unit member's employment terminates and more sick leave has been used than earned, the amount used but not earned shall be deducted from the final pay warrant.

Sick leave is transferred to CalPERS and CalSTRS (Some classified members have STRS instead of PERS) when an employee retires. The total remaining hours are reported, and they will be converted to service credit.

Sick Leave Conversion-Accrued sick leave can be converted to service credit at the time of your retirement. Sick leave service credit does not change your age at retirement or your effective retirement date; it simply increases the amount of service credit used in determining your retirement benefit. All state and school members are eligible to convert sick leave to service credit. Public agency members are eligible only if their employers' contract with CalPERS for this benefit. To have sick leave converted you must retire within 120 days of separation from your CalPERS employer. 2000 hours equals one year of service credit. To find out how much service credit your sick leave will provide, divide your sick leave hours by 2000. Vacation and other types of leave time such as compensatory time off (CTO), personal or annual leave, and holiday credits cannot be converted.

- 9.1.8 When a unit member is absent from duties on account of illness or accident for a period of five months or less, and has exhausted all available paid leave, the amount deducted from the salary due the employee for any month in which the absence occurs, shall not exceed the sum actually paid any substitute employed to fill the position during the absence.
- 9.1.9 Unit members working less than six (6) hours will received one (1) hour, over six (6) hours will not be charged as sick leave for employee medical appointments of two (2) hours or less which cannot be scheduled outside the work day as follows: 12 appointments per year for 12-month unit members, 11 appointments per year for 11-month unit members, 10 appointments per year for 10-month unit members. The unit members' schedule shall not affect their ability to attend such appointments without a sick leave deduction. Unit members shall notify their supervisor in advance of such appointments, and if additional appointments are needed, prior written approval must be obtained. However, the District and the Association understand that the District has the right to require written verification that appointment times outside the workday are not available to the employee. The purpose of this verification is to minimize the loss of work time with pay and without sick leave deduction. (Board Approved 3/10/2009)

9.2 Leave for Family Care

9.2.1 Family and Medical Leave Act

Unit members are eligible for leave under the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA). This is outlined in the District Personnel Handbook for Classified Employees. (Article 10)

9.2.1.1 FMLA leave and CFRA leave may be used to cover birth of a child, adoption, foster care, and serious medical condition of a parent, child, spouse/domestic partner or unit member. (Board approved 10/12/2021)

9.2.1.2 FMLA leave shall run concurrently with all other leaves. CFRA leave shall run concurrently with all other leaves except pregnancy disability leave. If the unit member is disabled due to pregnancy, CFRA leave shall commence at the end of disability period.

9.2.1.3 The term of FMLA and CFRA leaves is up to 12 weeks within a 12 month period.

9.2.2 In any calendar year commencing 2000, a unit member may use his/her accrued and available sick leave, up to an amount that would be accrued during six (6) months' employment at the unit member's then current rate of entitlement, to attend to an illness of a child, parent or spouse/domestic partner of the unit member. All conditions and restrictions applicable to the use by a unit member of sick leave shall apply to the use by the unit member of sick leave to attend to an illness of his/her child, parent, or spouse/domestic partner. (Board approved 10/12/2021)

9.2.3 Any sick leave described above shall be applied as personal necessity leave and taken from the unit member's personal necessity leave balance, if any. To the extent that the unit member's personal necessity has already been used for purposes other than to attend to an illness of a unit member's child, parent, or spouse/domestic partner, accrued sick leave may be used up to the amount described herein after any remaining available personal necessity leave has been used. (Board approved 10/12/2021)

9.2.4 The entitlement described herein does not extend the maximum period of leave to which a unit member is entitled under Section 12945.2 of the Government Code or under the federal Family and Medical Leave Act of 1993 (29 U.S.C. 2606 et seq.), regardless of whether the unit member receives sick leave compensation during that leave.

9.3 Bereavement Leave

9.3.1 Every unit member shall be entitled up to five days bereavement leave because of the death of any member of the employee's immediate family as described in article 9.3.2 below, with no deduction from the salary of the employee. (Board approved 10/12/2021)

9.3.2 "Member of the immediate family" shall mean: mother, father, mother-in-law, father-in-law, wife, husband, domestic partner, son, daughter, brother, sister of the unit member and/or spouse/domestic partner; or any relative in the immediate household of the unit member. (Board Approved 10/12/2021)

9.3.3 At the discretion of the Superintendent and where unusual circumstances exist, bereavement leave may be granted for a period of longer than the 5 days or because of the death of some other person than covered in the foregoing definition. Written request shall be made by the employee to the District Superintendent.

9.4 Jury Duty

9.4.1 A unit member is entitled to a leave to serve on jury duty. An employee shall receive his or her regular pay less any amount received for jury fees, exclusive of allowed mileage, parking, or meal expense reimbursement.

9.4.2 A unit member who serves a full day of jury duty (six hours or more) is not required to report to work on that day (or evening, in the case of evening shift employees). If a unit member serves less than a full day of jury duty (less than six hours), the employee shall report to work for an amount of time equal to the balance of the shift. Unless it is impractical to do so, an employee is expected to report to work prior to jury duty.

9.5 Industrial Accident

9.5.1 Unit members who have completed 12 months of continuous active District service shall be eligible for leave of absence because of industrial accident or illness which the District's industrial accident insurance carrier considers a valid claim. Allowable leaves shall be for not more than 60 service days in any one fiscal year for the same accident and shall commence the first day of absence.

9.5.2 Leave of absence under this provision shall not be accumulated from year to year. When the industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her for the same illness or injury.

9.5.3 Unit members shall be paid such portion of the salary due them for any month in which absence occurs as, when added to the temporary disability indemnity under the California Labor Code, will result in payment to them of not more than their full salaries.

9.5.4 Leave of absence applied for under this provision shall be reduced by one day for each day of authorized absence, regardless of a temporary disability indemnity award to the unit member.

9.5.5 Industrial Illness and Accident Leave is to be used in lieu of sick leave. When entitlement to Industrial Illness and Accident Leave has been exhausted, entitlement to sick leave shall then be used. If a unit member is receiving a temporary disability indemnity, the employee shall be entitled to utilize only so much of his/her accumulated sick leave and vacation leave which, when added to his/her temporary disability indemnity, will result in a payment to him/her of no more than his/her full salary. During any paid leave of absence, the unit member shall submit to the District all temporary disability indemnity statements and/or documentation, received on account of his/her industrial accident or illness. A review by the District of sick time, accrued vacation and external temporary disability payments will be done to verify if compensation is due to the employee and the amount due while on leave. Prior to payment of the salary amount, it will be subject to deductions for regular retirement and other authorized deductions. (Board Approved 5/21/2012)

9.5.6 The District may require a written statement from a physician verifying a unit member's absence under this leave and his/her ability to return to work.

9.5.7 The District will attempt to notify those affected by provisions of 9.5.5 prior to 30 days of the benefit being exhausted.

9.6 Personal Necessity Leave (Board Approved 5/21/2012)

- 9.6.1.9 The employee's election to use sick leave for any purpose allowable shall be indicated on the Personal Necessity and Personal Leave Request form which shall be attached to the employee's timecard. The employee shall check on the absence form the reason(s) for use of sick leave for reasons outlined in this section. Employees utilizing this option must notify the Principal or supervising Administrator to arrange for appropriate substitutes. Leave does not accumulate from year to year.

9.7 Personal Leave

Unit members will be granted personal leave under the following conditions:

- 9.7.1 The primary responsibility of the unit member is to the job assignment.
- 9.7.2 The leave is intended to provide unit members with an opportunity to attend to compelling obligations which cannot be met outside of normal working hours. Personal leave does not include activities involving recreation, compensation, training for employment other than with the District, or for receiving instruction of a university level, except where the Superintendent specifically approves leave for job-related instruction.

9.7.7 Leave is not cumulative from year to year.

9.7.8 The site administrator may request substantiation from the employee if additional information is required.

9.8 Pregnancy Disability Leave

Any unit member may utilize accumulated sick leave for the purpose of a disability related to pregnancy, miscarriage, childbirth, and the recovery therefrom. The length of such leave, including the date on which the leave shall commence and the date on which the unit member shall resume duties, shall be determined by the unit member and the unit member's physician; provided that such verification clearly demonstrates to the District that such leave is for disability and is not just for purposes of child care or any purposes other than pregnancy-related disability. Such pregnancy-disability leave with pay shall be granted and administered in the same manner as other temporary disability for illness or injury. Such time shall run concurrently with FMLA leave, but shall not run concurrently with CFRA leave.

(Board Approved 3/10/2009)

9.11.2 To request Catastrophic Leave, the unit member or designee shall submit the appropriate form to the Association President, along with verification of a physician that supports the request.

9.11.2.1 To qualify for such leave, the unit member will have suffered an illness or injury that is expected to incapacitate the unit member for an extended period of time, or that incapacitates a member of the unit member's family which incapacity requires the unit member to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the unit member because he/she has exhausted all Sick Leave and other paid leaves (as defined in Article 9).

9.11.2.2 A "member of the employee's family" shall be limited to the spouse, child, parent or an individual over which the unit member has legal guardianship.

Completed forms shall be returned to the Association President. Donating members hours will be translated in to the hourly rate of the employee. This amount will be applied to the hourly rate of the requesting member. i.e.: School Support Secretary earning \$17.60 (step 5) per hour requests Catastrophic Leave for 40 hours at a value of \$704.00 (40x\$17.60). The donated hour value from the members must equal or exceed the \$704.00. (Board approved 5/11/10)

9.11.3.3 A qualified unit member must have a minimum number of hours of Sick Leave equivalent to the hours the unit member works in thirty (30) work days to be a qualified donor and must maintain as a minimum the number of hours of Sick Leave equivalent to the hours the unit member works in twenty (20) work days.

9.11.3.4 Donated Sick Leave hours may be utilized in increments of at least four hours. If the hours of donated Sick Leave are not used, those hours will be retained by the donor.

- 9.11.4 If a unit member exhausts his/her donated Sick Leave from the Catastrophic Illness Leave Pool, the unit member or designee may request additional Catastrophic Illness Leave pursuant to this Article. However, in no event shall the unit member be eligible to use more than six (6) consecutive calendar months of Catastrophic Illness Leave.
- 9.11.5 The Association shall provide the District with the documentation needed to manage the Program.
- 9.11.6 The Association agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind related to any attempt by a unit member to retrieve donated Sick Leave used by another unit member pursuant to this Article. The Association also agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind which attempts to challenge in any way the legality or enforcement of this Article.
- 9.11.6.1 The Association agrees to indemnify and hold the District harmless from any loss or damage arising from the implementation of this Article.

10.1.1 A “Vacancy” is any position to which a unit member is not assigned and which has been identified by the Principal/District Administration as needing to be filled. Administration will refer and adhere to Article 15 for a full list of notification and re-employment rights that shall apply. (Board approved 6/20/16)

All vacancies within the unit will be e-mailed to all employees using their District e-mail address. The positions will be posted for at least five (5) working days before closing. The postings will contain a description of the position and a deadline for the application. Such postings shall be done as soon as the District determines that the position needs to be continued, but no later than thirty (30) calendar days from the date of vacancy. Internal and external postings will also be made available to staff via the District’s Human Resources webpage that advertises vacancies. Postings will also list the date and time the vacancy was posted. A copy of the vacancy notice shall be forwarded via e-mail to the Association President. All applications for voluntary transfers pursuant to 10.2.2 herein shall be considered for the posted vacancy if the vacant position is the same position as the transfer application. (Board Approved 10/13/2015, 6/13/2023)

If the District determines that the position should not be continued or that it should remain as an unfilled position, then the District will provide the Association with a written explanation as to why the position will remain unfilled or discontinued. This explanation must be submitted no later than thirty (30) calendar days from the date of vacancy. After receipt of the explanation, the Association may request negotiations, when appropriate, in accordance with PERB decisions.

Summer school openings shall not be considered vacancies. (Board approved 1/16/07)

Reassignment to a class with a higher salary range

An employee who is reassigned in classification to a different class title with a higher salary range, as the result of a promotion or reclassification, shall be placed on the step of the new salary range which would yield at least a 5% salary increase, not to exceed Step 5 of the new salary range. Unit members who do not work at least 75% of their contracted work year shall not move to the next step on the salary schedule for the upcoming school year.
2. Step increases shall be effective immediately, if a current unit member has had a change in classification arising from a promotion or has filled a newly authorized or vacant position. Step increases that are a result of a classification study that has been authorized by the Board shall become effective April 1. (per: Article 11.1.8) Step increases that result from a recommendation by the Superintendent to the Board shall become effective immediately upon action from the Board. (per: Article 11.1.9)
(Board approved 7/10/18)

10.1.2 An existing employee in a position has the right to keep their present position if the hours are increased. No employee with higher seniority can displace them due to the increased hours. This situation will not constitute a vacancy or a promotion.

(Board approved 6/23/2011, 7/10/18)

10.1.4 All applicants who are District employees shall be entitled to be interviewed, as long as the applicant meets the minimum requirements for the position, and as long as the District will not be required to test and interview more than eight (8) District applicants for the position vacancy. If applicants are judged equally qualified by that process, then the selection shall be based on seniority within the District.

- 10.1.5 A unit member who does not satisfactorily complete the probationary period for the promotion position shall be entitled to assume any vacancy in the class from which promoted, or any lower paying class for which the unit member is qualified for 39 months. If the employee refuses an offer for such employment (for equal or more hours) the employee shall lose all rights to future employment and be removed from the 39 month rehire list.
- 10.1.6 All new employees, and current employees transferring into a new position, will receive training provided by the District in the new position. This will include and is not limited to: on-the-job training or training consistent for the position. The length of time of this training will be established by mutual consent of the District and the Association. Any additional job training that is required during off work hours will be compensated by the District for both the employee and the trainer. (Board approved 6/13/2023)

10.2 Voluntary Transfers

- 10.2.1 A "transfer" is defined as a change from one location to another location without a change in job class/range/step/months/days/hours. (Board approved 7/10/18)
- 10.2.2 Unit members may at any time submit to the District Office a written request for transfer within their current class to another work location or division within the District. Such requests for transfer shall be on the appropriate District form. The District Office shall maintain a transfer file of all such requests received. The request for transfer shall remain valid only until the end of the school year in which it was submitted. Unit members may withdraw their request for transfer at any time. (Board approved 7/10/18)
- 10.2.3 If two or more applicants are found by the District to be equally qualified, then the applicant with the greatest seniority within the District classified service shall be appointed to the position. If the most senior person is denied the transfer, the administrator will meet with the employee and, if requested, will explain in writing the reasons for the denial.

10.3 Voluntary Demotions

A unit member may apply for a lower paying position. If the vacant position is one in which the unit member has held permanency in the last eight (8) years, then the procedures and standards for a voluntary transfer shall apply pursuant to Section 10.2 above. Otherwise, the individual employee shall be considered as an applicant under the posting and filling of vacancies, Section 10.1 above.

10.4 Involuntary Transfers

- 10.4.1 The unit member(s) to be involuntarily transferred may be selected based on the needs of an individual site, program or the District as a whole. All involuntary transfers shall be lateral and equivalent (within the same class/range/step/months/days/hours) to the position that the unit member is being transferred from as long as the position is equivalent in every other aspect to the position that the unit member is being transferred from. (Board Approved 5/21/2012, 10/12/2021)
- 10.4.2 Any member of the unit who is to be involuntarily transferred shall be informed by the Superintendent or designee of the reason(s) for the transfer. If the involuntarily transferred unit member so requests, a conference shall be held between the unit member and Superintendent or designee prior to the effective date of the transfer. Upon request of the unit member being transferred, the specific reasons for the transfer will be provided in writing.

Article 11 – Reclassification/Equity Study

- 11.1 It is the intent of the District and the Association to develop a process for ensuring that classified employees are substantially working within their assigned job classification.
- 11.1.1 Reclassification Study definition: A study to determine if a position needs to be aligned to another classification as a result of duties being performed.
(Board approved 1/16/07)
- 11.1.2 Permanent classified employees may request a review of their job classification when they believe that there has been a significant change in job duties. The request shall be submitted, in writing, to the employee's immediate supervisor by December 31st of each year. The supervisor shall transmit the request to the Personnel Department with a recommendation for approval or disapproval January 15th.
- 11.1.3 All reclassification requests shall be reviewed by a committee composed of two (2) ESP appointees, appointed by the SSEA Executive Board, and two (2) District appointees. The committee shall review and evaluate each request that is submitted, as well as the supervisor's review and assessment. The committee will either:
- A) Forward the request to the Superintendent with a recommendation for reclassification and appropriate salary placement, or
 - B) Deny the request and return it to the employee.
- 11.1.4 Employees whose request for reclassification is denied may, within 30 days of receipt of the denial, submit an appeal in writing to the Superintendent.
- 11.1.5 The Superintendent shall review and evaluate each recommendation received from the committee as well as any appeal from an employee and do one of the following:
- A) Approve the appeal or the recommendation and forward the recommendation to the governing board for its consideration. The governing board's decision shall be final; or
 - B) Deny the appeal or the recommendation; and inform the employee and the appropriate supervisor of the decision.
- 11.1.6 Additionally, the Superintendent may recommend the supervisor adjust the employee's duties to align with the current job description.
- 11.1.7 Permanent classified employees may request a reclassification once a year. An employee that is successful in his/her reclassification request may not request

another reclassification in his/her position for two (2) years. If denied, an employee may submit a request the following year.

11.1.8 Adjustments to classification, approved through this process, shall be effective as of that April 1st.

11.1.9 Nothing in this article shall preclude the Superintendent from making recommendations for Reclass to the Board at any time. Such Reclass shall become effective upon action from the Board.

11.2 Equity Study definition: A study to determine the appropriate compensation of a job classification.

Upon mutual consent between the District and the Association, a committee, comprised of three appointees from the District and three appointees from the Association, will perform an Equity Study to determine the appropriate compensation of job classifications. The committee will determine the procedure to be used. The committee will make recommendations to the District and the Association. (Board approved 1/16/07)

Article 12 – Grievance Procedure

12.1 Nothing within this procedure shall be construed to limit the right of a unit member to informally discuss any employment problem with the immediate site administrator or designated management person.

12.2 Upon mutual agreement of both parties, the timeline can be extended at any level of the grievance procedure.

12.3 Definitions

12.3.1 A "grievance" is an allegation by a unit member regarding a violation or misapplication of the specific provisions of this agreement when such application or violation has adversely affected the unit member(s). The Association has the right to file a grievance on behalf of any unit member or group of unit members. Actions to challenge or change the policies, regulations or other matters outside this agreement are not within the scope of this procedure, and review must be taken under separate processes. (Board approved 7/10/18)

12.3.2 A "day" is a day in which the central administrative office of the District is open for business.

12.3.3 The "immediate site administrator" is the lowest level management or supervisory person having immediate jurisdiction over the grievant and who has been designated by the District to adjust grievances.

12.3.4 A "grievant" is a unit member or group of unit members that are directly affected by an alleged violation, misinterpretation, or misapplication of this agreement. (Board approved 7/10/18)

12.4 Right to Representation

12.4.1 A grievant shall have the right to be represented at all stages of the grievance procedure by himself/herself, his/her representative, and/or by an Association representative. (Board approved 7/10/18)

12.5 Before filing a formal written grievance, the grievant shall attempt resolution by an informal conference with his/her immediate site administrator or next higher level administrator, as appropriate, if the immediate site administrator is unable to resolve the grievance.

12.5.1 Level I

The grievant must present the grievance in writing on the appropriate form to his/her immediate site administrator within fifteen (15) days after the occurrence or knowledge of the act or omission giving cause for the grievance. This shall be a clear, concise statement of the grievance, the date of the alleged circumstances involved, and the specific remedy sought. Within five (5) days there shall be a meeting/conference held upon request of either party. The immediate site administrator shall communicate his/her decision to the grievant in writing within ten (10) days after receiving the initial grievance. If the immediate site administrator does not respond within the time limits provided, or if the grievant does not agree with the decision, the grievant may appeal to the next level.

12.5.2 Level II

In the event the grievant is not satisfied with the decision at Level I, he/she must appeal the decision on the appropriate form to the Superintendent or designee within ten (10) days after receiving the decision. This statement should include a copy of the original grievance and appeal, the decision rendered, and a clear concise statement of the reasons for the appeal. The Superintendent (or designee) shall communicate his/her decision within fifteen (15) days after receiving the appeal. Within five (5) days of the receipt of the appeal there shall be a meeting/conference held upon request of either party. In his review, the Superintendent (or designee) shall be free to assign another management employee to investigate the grievance and try to resolve the grievance prior to the Superintendent (or designee) rendering a decision. If the Superintendent (or designee) does not respond within the time limits provided, or if the grievant does not agree with the decision, the grievant may appeal to the next level.

12.5.3 Level III

In the event that the Grievant is not satisfied with the decision at Level II, within ten (10) days after receipt of the Level II decision, the grievant shall request on the appropriate form that a mediation meeting be scheduled. The meeting shall be scheduled as soon as possible among the Superintendent, the Association President, the Director of Human Resources, the Grievance Representative and the Grievant to determine if a resolution can be reached before going to arbitration. Should an agreement be reached, within ten (10) days, any agreement shall be reduced to writing and signed by both parties.

12.5.4 Level IV (Arbitration)

12.5.4.1 If the Grievant is not satisfied with the decision at Level III, the Association, on behalf of the grievant may, within ten (10) days, appeal the decision on the appropriate form to the Superintendent (or designee) for arbitration. This statement shall include a copy of the original grievance and appeal, the decision rendered and a clear, concise statement of the reasons for appeal.

Upon receipt of an appeal, the Superintendent (or designee) shall, within ten (10) days, supervise the appointment of an arbitrator.

- 12.5.4.2 The California State Conciliation Service will be requested to supply a list of five persons who could serve as the arbitrator. From this list, each party to the grievance would proceed by striking one name from the list; each party to the grievance would then so continue alternately until one name remains who would then serve as the arbitrator. The first strike shall be determined by the flip of a coin.
- 12.5.4.3 The parties shall attempt to agree upon a statement of the issues to be submitted to the arbitrator. If the parties cannot so agree, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step, except for the issue of grievability. If any question arises regarding the arbitrability of a grievance, the party raising the question of arbitrability may, upon request, have such question first ruled upon and decided by the arbitrator prior to any other hearing on the merits of the grievance which would thereafter be conducted.
- 12.5.4.4 After a hearing and after both parties have had an opportunity to present written arguments, the arbitrator shall, within 30 days, prepare a written report for submission to the parties, stating the issues submitted, the facts presented, and the findings derived therefrom.
- 12.5.4.5 The findings of the arbitrator shall be limited to the specific issue or issues submitted pursuant to 12.5.2 above, and shall be based solely upon the evidence and arguments presented by the parties. The arbitrator shall not have any power to add to, subtract from, or modify the terms of this Agreement, or the written policies, rules, regulations and procedures of the District, nor to so recommend. No finding of the arbitrator shall be retroactive beyond the beginning of the last payroll prior to the ten-day period specified in Level I of the grievance procedure. The arbitrator shall have no power to render a finding on any grievance occurring before or after the term of the Agreement. The findings of the arbitrator shall be binding on both parties.
- 12.5.4.6 The fees and expenses of the arbitrator and each hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

Article 13 - Safety

- 13.1 The District shall provide a safe working environment for all employees. All employees will cooperate in maintaining such an environment.
- 13.2 Employees will report in writing unsafe conditions to the appropriate management employee.
- 13.3 Employees shall immediately report any accident in which an injury or a potential injury exists.
- 13.4 Safety equipment which is required by the District shall be provided at District expense. Employees will utilize such equipment and shall follow safe operating procedures.
- 13.5 A District Safety Committee shall be formed and consist of one member of each group(CSEA-California School Employee Association, ESP-Educational Support Personnel, SSEA- Shasta Secondary Education Association, Management, Confidential, Supervisory) with each site being represented by those members. The District Safety Committee shall meet at least three times each school year at the call of either the Association or District chair. The Committee shall have the following responsibilities:
 - 13.5.1 Review all reports of on-the-job accidents of employees.
 - 13.5.2 Conduct safety inspections of District facilities where employees work.
 - 13.5.3 Recommend to the Superintendent or designee programs of in-service safety training, safety rules and regulations, and improvements in District safety conditions of employment. Employees who serve on the Safety Committee shall receive release time as authorized by the District.
 - 13.5.4 The Safety Committee shall develop any necessary forms.

Article 14 – Compensation

14.1 Salary

14.1.1 The most recently Board approved salary schedule shall be Appendix A. It is recognized that in order to maintain unit members' movement on this schedule the District incurs costs for each year it is maintained. These costs can be calculated by comparing the total cost of unit members' salaries in the base year to the total cost of unit members' salaries in the following year, making adjustments for positions eliminated and positions added by deleting both from the calculation.
(Board approved 1/16/07)

14.1.1.1 Appendix A provides a stipend for an AA degree, BA/BS, and Masters degree. Unit members will provide proof of a degree by September 30.
(Board approved 12/17/2019)

14.1.1.2 Payroll Errors - Any payroll error resulting in insufficient payment of a unit member shall be corrected as soon as possible and a supplemental check issued not later than ten (10) working days after the employee provides notice of the error to the payroll department. Any payroll error resulting in an overpayment to a unit member shall be corrected as soon as possible. The supervisor of the payroll department or their designee will contact the unit member and provide them with the reason for the overpayment and the exact amount of the error. The unit member and the payroll supervisor or designee will work collaboratively on a reasonable repayment scheduled when needed. (Board Approved 12/12/17)

14.2 Fringe Benefits

14.2.1 Participation in California's Valued Trust (formerly Central Valley Trust)

Unit members shall participate in the California's Valued Trust (formerly Central Valley Trust) pursuant to the Trust document and the participation agreement with the Trust. Both parties have waived the right to bargain any modification in medical benefits for the duration of the agreement. The trustees of the Trust will assume the sole responsibility for providing benefits and shall have the authority to modify the benefits. The District's sole responsibility shall be the payments to California's Valued Trust, as listed in 14.2.2 below. (Board Approved 5/13/2014)

14.2.2 Contributions

Note: Effective with the July 1, 2022 ESP contract historical contribution data was removed from this section. See previous contracts for historical data.

14.2.2.1 The District shall contribute an annualized amount to medical, dental, vision and life insurance plans for eligible members.

14.2.2.2 If enrolled in the HDHP-2 plan option, the District will contribute the difference between the employee cost and the District cap to a District sponsored Health Savings account on the employee's behalf.

14.2.2.3 Any amount over the above District's dollar contribution for dental, vision and medical coverage in any benefit year will be deducted from the unit member's pay.

14.2.2.4 For any fiscal year in which there is a funded COLA, the District will add the percentage increase of the funded COLA to the existing annualized medical benefit cap for eligible members.

2022/23 Example: 2021-22 Medical cap = \$12,829.75

Funded COLA 5.33% = \$619.00

2022/23 Medical cap = \$13,513.67

The benefit cap will be updated as necessary following the approval of the state budget to reflect the current year. (Board approved 5/25/22)

14.2.3 Insurance Enrollments and Coverage

14.2.3.1 Dental Insurance

All full-time employees must be enrolled for dental insurance coverage. Coverage equivalent to the plan for eligible employees and their eligible dependents as of October 1, 1991, with coverage increased to \$2,000 annually and \$1,000 orthodontia coverage for adult and child at the 50/50 level of coverage shall be offered.

14.2.3.2 Vision Care Insurance

All full-time employees must be enrolled for vision care insurance coverage. Coverage equivalent to VSP Plan C, \$10.00 deductible shall be offered.

14.2.3.3 Medical Insurance

All full-time employees must enroll for medical benefit insurance coverage in a plan which has been mutually agreed upon by the Association and the District.

14.2.4 Other Insurance Options

14.2.4.1 Group Term Life Insurance

For benefit year 2003-2004, the District will provide all full-time employees with group term life insurance coverage equivalent to the group term life insurance benefits which existed as of December 1, 1991. If, however, such insurance can be cancelled, the remaining premiums shall be added to the Annualized Amount defined in 14.2 above for the 2003-2004 benefit year only. For benefit year 2004-2005 and all subsequent benefit years, the District shall not provide any group term life insurance for unit members.

See: Section 14.2 above.

14.2.4.1.1 Beginning in the 2017-18 benefit year the District will provide a \$50,000 term life insurance plan for each ESP unit member who is employed a minimum of four (4) hours. The District will work with the Health Benefits Committee to determine the carrier and shall have the freedom to change carriers. This provision will remain in effect in subsequent school years unless otherwise bargained.
(Board Approved 12/12/17)

14.2.4.2 IRS Section 125 Plan

The District will maintain an IRS Section 125 Plan for purposes of health and welfare deductible payments and employee contributions. The cost of the separate administration of the plan will be borne by the participants. This provision is contingent upon the County Office's ability to process any Section 125 payroll deduction.

14.2.4.3 Benefits Committee

A benefit committee composed of representatives of each of the bargaining units, the confidential employees, the supervisory employees and management employees shall be formed no later than January 15, 2004. This committee shall search, investigate, review, and recommend health and welfare plans, schemes, and other measures which could result in cost savings. These shall be brought back to the table for negotiation. Any re-opener related to benefits must be in response to the report of this committee.

14.2.5 Insurance Benefits for Part-Time Employees

The Annualized Amount shall be prorated for part-time unit members based upon the ratio of their employment to full-time employment. Unit members who have a regular assignment of six

hours or more, shall receive the benefits up to the annualized amount for a full time employee. The proration will be based upon the total number of hours the part-time employee is paid per day in comparison to an eight-hour day. Additionally, the District shall increase that proration amount by 5%. The employee may elect to apply the District contribution proration to any one or more of the insurance benefits, but is not required to take any insurance benefit. Any portion of the proration that is unused will remain with the District unless enrolled in the HDHP-2 plan option. The part-time employee may also elect to have the premium payments prorated in accordance with the current practice. Employees working less than eight-hours per day have the option to decline insurance benefits. (Board approved 7/10/18)

14.2.6 Domestic Partners

Effective March 1, 2000, the District will offer the domestic partner insurance coverage to active employees, so long as there is no additional premium to the District for doing so.

14.2.7 Medical and Dental Insurance for Retirees and/or Disabilitants

14.2.7.1 In order to qualify for the District paid contribution for employees, the retiree/disabilitant must have at least 15 years of service in the District immediately preceding retirement/disablement and be at least age 50 at the time of retirement or disability. The District paid contribution for employees will be based on the prorating of the total number of hours paid per day in comparison to an 8 hour position. (Board approved 5/13/2014)

As with active employees, unit members who have held an assignment of six hours or more shall receive the same benefits of an eight hour per day/40 hour per week employee for that assignment school year. Any employee who held a position of less than six hours per day shall receive the district paid contribution in an amount prorated based upon the ratio of their employment to an eight hour (full time) employment. (see illustration)
(Board approved 5/11/10)

The District paid contribution will cease when the retiree/disabilitant becomes eligible for either Medicare or MediCal, or when the retiree/disabilitant reaches the age of eligibility for Medicare or MediCal, whichever occurs first. (Board approved 1/16/07)

14.2.7.2 The maximum dollar contribution by the District toward the purchase of retiree/disabilitant (including eligible dependents) health and welfare benefits for any fiscal year will be a prorata share of \$620,000 per fiscal year, subject to the reductions specified below. The "prorata share" shall mean the maximum contribution set forth below multiplied by a percentage equal to the total salaries paid to bargaining unit members during the previous fiscal year divided by the total salaries paid to all District employees during the previous fiscal year. The parties agree that this contribution may be less than the total cost of the benefits in this fiscal year.

The following example is offered for illustration purposes only:

Bargaining unit salaries	9,145,000
Total employees salaries	12,740,000
Ratio	.72
Allocation of .72 of \$620,000 to this unit	446,400

14.2.7.3 The District will contribute the maximum contribution for that year (prorated and adjusted as provided in this Agreement) in a designated account entitled Retiree Health Benefit Fund ("Fund"). The monies deposited in the Fund will be invested according to the requirements of law by the District with the intent to obtain a high interest rate, consistent with the law and established investment principles. Investments in Certificates of Deposit will be for the longest possible term consistent with law and cash flow circumstances of the District. From the Fund the District will contribute toward the cost of benefits for the balance of that fiscal year. Any funds remaining unexpended at the end of the fiscal year, including interest earned thereon, will remain in the Fund and carry over into the next fiscal year. The money in the Fund will be expended only for contributions toward retiree/disabillant health benefits. In the event that the current year's prorata maximum contribution and any funds accrued from previous fiscal years, including interest earned thereon, is insufficient to pay the full cost of benefits for the current fiscal year, it is agreed that the current year's prorata maximum contribution plus any accrued funds will be divided by the number of eligible retirees/disabilitants as of October 1 of the current fiscal year. That "individual cap" will be the maximum amount contributed by the District toward the purchase of benefits for each retiree/disabillant. Each retiree/disabillant wishing to receive the benefits shall contribute the excess by monthly payment in advance to the benefit provider. Failure to make each payment on time will result in cancellation of the benefit. The District agrees to provide to the Association information on a semi-annual basis regarding income and expenditures for the Fund.

14.2.7.4 For 1997-98 and subsequent fiscal years the prorata maximum annual District contribution will be reduced by the amount contributed by the District toward the purchase of health and welfare benefits for retiree/disabilitants (including eligible dependents) not covered by the Agreement of the parties dated November 17, 1997, because they retired prior to the effective date of that Agreement and did not execute any agreement under which the retiree/disabillant would be covered by the terms set forth in the agreement dated November 17, 1997.

14.2.7.5 The parties agree that the prorata maximum annual District contribution specified above includes funds allocated for this purpose by the District out

of funds received at any time in the past and the future from the State of California pursuant to the "Gould" settlement agreement. The parties agree that this is the total District contribution from all sources, regardless of any changes in District revenues.

14.2.7.6 For purposes of this subsection, "health and welfare benefits" shall be defined as the medical, dental and vision benefits as established, modified, or terminated, as per the collective bargaining agreement, for then-current bargaining unit members represented by ESP in each fiscal year. The parties agree that none of the benefits referred to herein is vested as to any current or future retiree or disabilitant or any of their spouses or dependents, but instead their benefits are dependent upon and will be equal to the benefits for future retirees and any modifications thereto, as provided in section 9 of the Agreement between the parties dated November 17, 1997. All rights of a retiree/disabilitant, spouse, or dependent to District health and welfare benefits or to contributions toward those benefits, including, but not limited to, rights under this section, shall be terminated upon the death of the retiree/disabilitant.

14.2.7.7 Retiree/disabilitants who have dual/spousal coverage may elect retiree only or disabilitant only coverage. Once this election is made, the retiree/disabilitant may return to dual/spousal coverage. In the event that an eligible current or future retiree/disabilitant is married at the time of retirement and that marriage later terminates, the retiree/disabilitant will then be entitled to coverage as an unmarried person only, regardless of whether the retiree/disabilitant later remarries. The prior spouse shall not be entitled to any benefits. In the event a retiree is single at the time of retirement, the retiree may not add a spouse/dependent or domestic partner after retirement. (Board Approved 5/13/2014)

14.2.7.8 If any unification or other procedure results in the reduction of territory within the boundaries of the District, the prorata maximum annual District contribution as specified in sections 14.2.7.2 and 14.2.7.3 will be reduced by the same percentage loss of ADA due to the reduction in territory. This loss will be determined by using the actual prior year P-2 by school site.

The following example is offered for illustration purposes only:

Total prior year ADA	4752
Reduction ADA Current Year	1387
Ratio	.29
Reduction in \$620,000	\$179,800

14.2.7.9 For purposes of retiree/disabilitant coverage, effective March 1, 2000, domestic partners will be recognized as a dependent (not a spouse), and

the retiree will be required to pay 100% of the fair market value as determined by the District's benefit provider for the dependent coverage and the District paid cap does not apply. (Board Approved 5/13/2014)

14.2.8 State Disability Insurance Plan (SDI)

Unit members are covered by State Disability Insurance. The full cost of the program shall be paid by the employee through automatic payroll deduction.

14.2.9 PERS Retirement Service Credit

A full year of service credit with PERS is equal to 1,720 hours because ESP members are paid hourly. Therefore, if you work eight hours per day, you will need to work at least 215 days per fiscal year to receive one year of service credit with PERS. If you work less than eight hours a day, you will either need to work more days in the fiscal year or you will receive the prorated service credit with PERS. Partial credit will be given to those working less than the full-time equivalent. For those working less than eight hours per day, any extra duty is creditable to PERS and therefore adds to your service credit for that fiscal year.

14.3 Uniforms

The District may require unit members to wear a distinctive uniform and items of identification. As determined by the District, the purchase, lease or rental of such uniforms, equipment, identification badges, emblems and cards required by the District shall be borne by the District.

14.4 Automobile Mileage Expense Reimbursement

A member of the unit who is authorized in advance by the site administrator to use his/her personal automobile in the performance of duties shall be reimbursed at the rate as established by Board Policy. To be eligible for such mileage reimbursement, an employee must follow District approval and claim procedures.

14.5 Personal Property Loss or Damage Reimbursement

Subject to prior approval, unit members will be reimbursed for loss or damage to personal property used in the performance of duties in compliance with the Board Policy in existence at the time of the signing of this Agreement.

14.6 Educational Cost Reimbursement

Permanent employees are eligible for reimbursement for tuition and non-consumable supplies and books for college and university work when the courses are approved by the Superintendent in advance of enrolling in the course. The course taken must be one that will improve the employee's skill in their present job class or one that will provide skills necessary for a promotional job class in the District or District-approved career path. The amount of funds set aside for this purpose will be \$2,500 per school year for the ESP Unit. The rate of reimbursement for college credit courses will be fifty dollars (\$50.00) per unit if not attending

Shasta College, or the existing Shasta Community College per unit rate if attending Shasta College. (Board Approved 3/10/2009, 7/10/18)

14.7 Retirement Incentive

- 14.7.1 Eligible unit members will be given a retirement incentive of ten percent of their current annual salary at the time of notice.
- 14.7.2 In order to be eligible, the unit member must give written notice to the District at least three months before the effective date of the resignation from employment for retirement purposes. The unit member must also have been employed by the District for at least 15 consecutive years of service as of the date of the notice.
(Board approved 5/11/10)
- 14.7.3 The District will develop a retiree work program to enable retired employees to perform services for the District after retirement, subject to administrative approval. Prior to retirement, the retiree candidate shall notify the District of the tasks which the retiree is willing to perform. The District may contact the retiree when such tasks are available. A year-to-year agreement may be developed to include minimum guaranteed work availability. Participation in the program shall be at management's discretion. The employee will be paid at step 1 of the ESP Salary Schedule. It is the employee's responsibility to notify PERS of any/all post retirement work performed in the District. (Board Approved 3/10/2009, 5/21/2012)

14.8 Stipends

Administering Medication(s) to Students

Annually the District will seek volunteers to assist in administering of student medications on an "as needed" basis. Unit members that volunteer and are trained may be designated by a district or site administrator for the purpose of assisting in administering medications at all school sites. The stipend for this service will be \$500.00 annually for each unit member designated to perform this service. Up to two (2) people at a single site may be trained and designated to perform this service. Payment shall be made each year at the end of May.

Coaching

The District will consider ESP members for Certificated Coaching positions. An ESP unit member will be considered a "walk on coach" therefore this assignment will be on an annual basis. Positions will be posted annually, however if no certificated staff member is selected, the administration may appoint the returning ESP member without interview at the administration's discretion. ESP Coaches will receive paid release time when needed to attend and travel to district approved sporting events. Practices are to be scheduled at the conclusion of the employees' work day. ESP Coaches will have the ability to accrue longevity in the assignment and will receive the same stipend and all other provisions as outlined in the Certificated Extra

Duty Salary Schedule. (see copy of the Certificated Extra Duty Salary Schedule, Appendix B)
(Board Approved 12/12/17, 6/13/2023)

Article 15 – Layoff and Reemployment

15.1 In the event of a need to lay off or reduce hours of unit members, the District shall notify the Association of its intended action and, upon request, shall meet and negotiate concerning the impact of a layoff and the decision to reduce hours.

15.2 Layoff and Notice of Layoff

15.2.1 Unit members shall be subject to layoff for lack of work or lack of funds. Whenever a unit member is laid off, the order of layoff within the job class shall be determined by time served. The unit member who has been employed the shortest time in the class, plus higher classes, shall be laid off first. "Layoff for lack of funds or layoff for lack of work" includes any reduction in hours of employment or assignment to a class or grade lower than that in which the unit member has served, voluntarily consented to by the unit member, in order to avoid interruption of employment by layoff.

15.2.2 For purposes of layoff as specified in Ed Code 45308, all paraprofessionals hired prior to July 1, 2000 shall be considered in a single class; all paraprofessionals hired on or after July 1, 2000 shall each be considered to be in the class of the unit member's individual job description. (For example: Title 1 paraprofessionals, Special Education paraprofessionals, etc.)

15.2.3 Notice of layoff and displacement rights, if any, shall be sent to all potentially affected unit members. Notices shall be by certified mail or by hand service. The notice shall contain the effective date of layoff, a statement of displacement and reemployment rights, a statement of seniority information, and reason for layoff.

15.2.4 Any unit member wishing to exercise their seniority to displace a less senior unit member, as provided herein, shall make such request to the Superintendent or his/her designee within 10 calendar days of receipt of the written notice of layoff. The date of request will be considered as the date of postmark or the date hand-delivered to the District Office. Failure to comply with the deadline provided herein shall be deemed a waiver of these rights.

15.3 Seniority for Purposes of Layoff

15.3.1 Seniority shall be measured for each classification in which a unit member has obtained permanent status. For each classification seniority is time served in that classification plus time served in higher classifications. Time served shall be measured from first date of paid service in each classification.
(Board approved 1/16/07)

- 15.3.2 A unit member whose position is reduced or eliminated shall have the right to move/bump into any class in which the unit member has held permanent status (passed probationary period) and in which the unit member has seniority over another unit member being displaced. When a unit member exercises his/her bumping rights, a change in classification (for which they are eligible) or an increase in hours, days, or months shall not constitute a promotion.
(Board approved 6/23/2011)
- 15.3.3 No seniority credit shall be earned during periods of unpaid separation from the District service, unless on leave for military service.
- 15.3.4 In the case of two or more employees having identical seniority, the seniority shall be determined by lot.
- 15.3.5 Upon request, the District shall provide seniority lists to the Association and all potentially affected unit members.
- 15.3.6 Any challenges of seniority shall be mutually reviewed by the District and Association within ten business days of date of provision of seniority lists.

15.4 Reemployment and Other Rights

- 15.4.1 Laid off unit members shall be eligible for reemployment for a period of 39 months. Reemployment shall be in the reverse order of layoff.
- 15.4.1.1 Whenever a vacancy occurs in a classification for which there is a reemployment list, the position shall first be offered to unit members currently working within the classification and to individuals on the reemployment list, in order of seniority. A vacancy remaining after following this procedure shall be filled by promotion or new hire.
- 15.4.1.2 Such persons laid off have the right to apply and be interviewed for other positions within the District during the period of 39 months and the laid off unit member shall receive preference over applicants outside of the bargaining unit if the unit member qualifies through normal District hiring procedures and has qualifications comparable to the top acceptable candidates.
- 15.4.2 Offers of reemployment shall be made via the U.S. Mail Service, certified mail, return receipt requested, and shall include the specific position and/or hours being offered, initial job description, pay range, a mechanism for acceptance or refusal of the offer of reemployment within the prescribed time limit, and a place for the unit member's signature.

- 15.4.3 A unit member may refuse an offer of reemployment to a specific position for which the unit member is eligible; however, a refusal of two lateral offers of reemployment to the classification from which laid off shall automatically result in removal from the reemployment list and loss of any reemployment rights. Refusal of any offers of reemployment on a substitute or temporary basis shall not constitute a refusal of reemployment. (Board approved 7/10/18)
