## Bathroom Etiquette!

Parents/Guardians, please remind your child when they use the bathrooms on campus to stay on task and help us keep our campus clean. Make sure they know to go in, use the bathroom, wash their hands, and then come out - there is no need to linger inside. Please also remind them that paper towels go in the trash can and not on the floor or in the toilet. When all is done, please return to class promptly. Thank you for helping keep our campus clean!
