PRINCIPAL'S MESSAGE

Welcome El Dorado High School, where excellence is our standard and potential is realized. Our high school handbook is your go-to resource for all the essential information and guidelines to ensure our school campus is safe, inclusive, and a thriving learning community. Our main purpose at El Dorado High School is to ensure that each of our students are at the center of our CORE Values: Responsibility, Integrity, Acceptance, Kindness, Respect, and Spirit.

Within the student handbook, you will find the key CORE Values that are foundational to our school community (Responsibility, Integrity, Acceptance, Kindness, Respect, and Spirit). We encourage every student to embrace these values and demonstrate them within their daily interactions with peers, teachers, and staff.

The handbook provides details on EDHS' rigorous academic programs, extracurricular activities, and support services designed to foster your personal growth and academic success. We deeply believe in empowering our students to pursue their passions, explore new interests, and cultivate their talents.

Safety is our utmost priority, and this handbook details all policies and procedures that promote a safe and secure school community. We EMPHASIZE the importance of respect, empathy, and understanding for ALL of our students.

As members of the El Dorado High School community, we EXPECT each student to adhere to the rules and regulations outlined in this handbook, which are in place to maintain a positive and safe learning environment. We value open communication and collaboration between students, teachers, and parents, fostering a strong partnership that supports student achievement and overall well-being.

Please take advantage of all the available resources within the contents of this handbook, as it will serve as your guide throughout the 2025-2026 school year at El Dorado High School. As you go through the school year, please remember the best way to succeed at El Dorado High School is to engage in the following habits:

1. Be on time to EVERY class
2. Reduce time out of class each day
3. Reduce overall school absences
4. Show up to class prepared to learn
5. Communicate with your teachers

Together, we can create a remarkable high school experience where each student can thrive, excel, and make a lasting impact on the El Dorado High School community.

OFF LIMIT AREAS

The parking lots are off limits during class, passing, breaks, and lunches. During lunch time, you may only be in the following areas: lower quad, upper quad, cafeteria, and multi-purpose room. The rest of the campus is off limits. Students out of bounds are subject to be searched and disciplinary action.

AERIES PORTAL

The Aeries parent and student portal is a website that parents and students can log into to check grades, update contact information, and see any other information the school provides to you. Access to the aeries portal can be found on our schools [website](#).

PARENT SQUARE

Parent Square (PS) is a two-way private communication platform. It provides a safe way for administrators, teachers, staff, groups and parents to connect and effectively communicate. All school, grade level and classroom information is sent from one centralized place to your computer or mobile phone via email and/or text or you can download the FREE app! It is important for all current PS users to verify that your AERIES information is correct since PS pulls your contact information from AERIES. Enrollment in PS is automatic, we recommend that you register for PS by accepting the invitation from PS when you receive it. **If you haven't received an invitation, send an email to cgarrett@eduhd.k12.ca.us, use the subject line "Parent Square". Include your name, email address and student name. Please look for an invitation email to join Parent Square. Click the link to activate your account and register.*

DAILY BULLETIN

Announcements regarding events on and off campus are submitted by staff and coaches daily. The daily bulletin is announced by students each morning. All activities, athletic events, meeting dates, club news, teacher news, scholarship information and special schedules, etc., are published each day. Listen for it daily or check it out for yourself on the school website at: <https://cougar.eduhd.k12.ca.us/Bulletin/index.html>

STUDENT SUPPORT SERVICES

EDHS offers a number of support programs for our students. Students wishing to access these programs may do so by speaking with a teacher, counselor, school nurse, or assistant principal:

- Counseling Office
- Wellness Center
- College and Career Center
- Public Health Nurse
- El Dorado County Probation
- Placerville Police Department

ASSOCIATED STUDENT BODY MESSAGE

The El Dorado High School Associated Student Government is maintained through the active support of the students by authority of the Principal and Board of Trustees. The ASB organizes student activities, regulates student body funds, and advises the administration on policies affecting students. The ASB constitution was written and revised by students for the purpose of serving the entire student body.

We believe the creation of a positive school climate, "STARTS WITH YOU!" When you see something that is wrong - bullying, littering, cheating, etc. - say something to stop it. If you see something good being done, say something to that person. If you have the strength to lead, you can make a great difference in our school. We can affect more change if students take charge as the leaders on the campus. Step up and help make El Dorado a great place! We have an anonymous reporting app called STOPit that you can use to report.

STUDENTS CLUBS, ACTIVITIES, AND ORGANIZATIONS

GET INVOLVED...There are many different types of student activities aimed at meeting every student's interests, such as: Key Club, California Scholarship Federation (CSF), Yearbook, Faith Out Loud, Choir, Drama Club, Academic Decathlon (competitive academics), Multicultural Club, Speech and Debate, Interact Club, Manos a la Obra, Natural Resource Club, Circuit Breakers Robotics Team, Health Academy, EDHS Litterarum Club, Athletics, Cheerleading and Student Government. A complete list of clubs and their descriptions are available in the counseling office and on our school [website](#).

ID CARDS AND ASB CARDS

All students will have access to a digital ID card, which can be accessed on a cell phone or other digital device. Students are expected to carry an ID card on campus at all times and be prepared to present it at the request of any staff member. ID cards are necessary to check out books and materials from the library, to leave campus during unscheduled periods, to be admitted to any EDHS-sponsored dance, athletic events or activity, and to ride buses.

Students who purchase an ASB card will have their ID card specially marked. The activity ID entitles a student to significant discounts on most school activities. Money derived from the sale of ASB cards goes to support all school-sponsored activities.

TEXTBOOKS AND EQUIPMENT

Students are financially responsible for any books and materials issued to them. If paying for a lost or stolen book, make sure you get a receipt. No diploma will be issued to graduating seniors, nor will students be permitted to participate in athletics or dances, until all debts are cleared.

LIFE FITNESS UNIFORM EXPECTATIONS & LOCKER POLICY

Students are expected to wear their Life Fitness uniforms every day they have class. If a student forgets their uniform, they will be provided a "loaner" uniform for the day. However, if the use of loaner clothes becomes an excessive habit, a meeting will be scheduled with the student, the Life Fitness teacher, and the Assistant Principal to discuss the matter. Additionally, a phone call home will be made to ensure that parents are informed and supportive of efforts to address the issue.

If a student becomes defiant or refuses to wear the loaner uniform, they will be referred to the administration for further action. Our goal is to maintain consistency and accountability in class expectations, ensuring all students participate safely and appropriately.

Lockers will be assigned to students who are in life fitness. Please remember, the school does not assume responsibility for loss or damage to the contents of lockers. We do, however, ask that you report any problems (vandalism, theft etc.) to the assistant principals' office AT ONCE. Be advised that school administrators may inspect lockers at any time with reasonable suspicion.

CLASSROOM CONDUCT

In general, problems that are of a basic classroom nature - tardiness, violation of class rules, non-participation, lack of effort, and poor academic progress - will be handled by the teacher. Continued problems of this nature will be referred to the appropriate Assistant Principal or Dean of Student Services.

CLOSED CAMPUS AND CUTTING CLASS

El Dorado High School is a closed campus school. Students must remain on campus until their school day is completed. This includes their unscheduled periods. Closed campus violations/cutting class will result in detention(s) and progressive disciplinary action for repeated offenders. THE PARKING LOT IS OFF LIMITS DURING SCHOOL HOURS. Students are not allowed to return to their cars or go to the parking lot during the school day including during lunch. Students are required to be in their assigned classes during the school day. Students will not loiter on private property or disturb the peace.

UNSCHEDULED PERIODS

Students with an unscheduled period during the school day are not permitted to leave campus unless their school day is complete. Students with unscheduled periods in the middle of the school day are expected to be in the cafeteria or the tables in the upper quad. Students who ride the bus are not permitted to leave campus and then return to ride the bus, they must remain on campus until they get back on the bus. Students who drive or are picked up by parents are permitted to leave IF their school day is complete.

MESSAGES AND DELIVERIES

When classes are in progress, phone messages will only be delivered in case of a serious family emergency. This is in adherence to the School Board's directive to not interrupt the instructional process. We discourage the delivery of items for students at school such as: balloons, flowers, lunches, etc. If necessary, items may be dropped off by parents to the main office; parents may text their student to come and pick up during lunch, breaks, or passing. Food deliveries including but not limited to, door dash, grub hub, uber eats, and pizza, are not allowed. Delivered food will be discarded and not given to students. The school will not be held financially responsible for food that has been discarded. Students violating this policy will receive detention with progressive disciplinary action.

ILLNESS AND FIRST AID

When students need to go to the Health Office, they must first obtain a pass from their teacher (except for emergencies).

1. Students must check-in with the health technician immediately upon arrival.
2. Parents will be contacted by school staff if a student is ill or injured and must go home.

3. Under NO CIRCUMSTANCES is a student permitted to leave campus without authorization.

MEDICATIONS

If students must take medication during school hours, a *Medication-In-School* form must be signed by a doctor and the student's parent/guardian and returned to the health tech at El Dorado High School. This includes over-the-counter medications and prescription medicines, including emergency medications such as inhalers and Epi-pens. The medicine must be brought to school in the prescription labeled original container and over the counter medications in the original container. The medicine is kept in a locked cabinet and the student must come to the health office to obtain the medication. If you have any questions please contact the health office at EDHS, 622-3634 ext. 1011. The medication in school form can be found on the district website: eduhsd.k12.ca.us/Student-Success/Health-Services/index

EMERGENCY CONTACTS

Emergency contact information must be updated through the Aeries Parent Portal online <http://parent.eduhsd.k12.ca.us>. If you do not have Internet access, you can access the parent computer in the main office or fill out an emergency card in the counseling office.

TRANSPORTATION

Most El Dorado High School students ride buses at some time during the school year, either to or from school or with athletics, field trips, or other school activities. The number one priority for the Transportation Department is to ensure the safety of all passengers. Therefore, orderly conduct is expected at all times and everyone aboard is to follow the directions of the driver. Remember, all school rules apply on the bus and at the bus stop. Violators of the bus rules are subject to disciplinary action, which may include the DENIAL of transportation. Semester bus passes may be purchased at the District Transportation office. Daily bus trip passes are available at school from the school finance office. Bus route information and costs are posted at the school and on the District's website at www.eduhsd.net. If you have question, please call 530-622-5081 ext. 7245 or ext. 7250. Bus passes can be purchased online by going to the following website: eduhsd.k12.ca.us/Transportation/Bus-Fees--Applications

PARKING AND DRIVING REGULATIONS

Students who drive to school are advised that all provisions of the California Vehicle Code are strictly enforced. Parking is limited and available on a first-come first-served basis. If you have a circumstance that requires special consideration, please contact your assistant principal. Citations will be issued to vehicles improperly parked or vehicles in the faculty/reserved lots. Students who violate parking lot and driving regulations will be subject to discipline consequences and/or loss of parking privileges. Students are not permitted to loiter (hang out) in the parking lots. The school assumes no responsibility or liability for theft or damage to cars, motorcycles, or bicycles. At no time are cars, trucks, bicycles, etc., to be driven on sidewalks, lawns, athletic areas or any area NOT designated for vehicle traffic. The parking lots are off limits during school hours. You must also be advised that school administrators with reasonable cause may inspect vehicles on campus at any time.

SKATEBOARDS AND SCOOTERS

These items should not to be brought to school and are not allowed to be ridden on campus at any time. They often cause campus and class disruption and are frequently misplaced or stolen. If they are brought to school, they must be stored in a classroom or office. The school will not investigate or participate in attempts to recover such lost or stolen items.

COUNSELING AND GUIDANCE SERVICES

The El Dorado High School counseling/guidance/career staff is committed to assisting all students. This includes academic, career development, and personal/social domains. Students and parents/guardians are encouraged to contact the counseling office to meet with their student's counselor.

ADVANCED PLACEMENT (AP) TEST DATES

For specific test days and dates go to www.collegeboard.com or see the school calendar. Testing dates are May 5 through May 16.

EXPECTATIONS FOR GRADUATING SENIORS

Participation in the graduation ceremony and related Senior activities is a privilege, not a right. Any senior who commits a suspendable offense or has excessive absences of any kind during the fourth quarter of the senior year may not be allowed to participate in the graduation ceremony or the senior activities. Vandalism, including senior pranks, to the school or property constitutes grounds for suspension. Seniors will be required to sign a notification of expectations during the second semester detailing the specifics of what is required in order to participate in graduation.

FINAL EXAM POLICY AND ABSENTEEISM

Final examinations are mandatory at El Dorado High School and will not be given early. Students who miss their final exam will be issued a grade of “incomplete” for the semester. Students are required to make-up their missed final exam during the first 2 weeks of the following semester to replace the “incomplete” grade with a letter grade. Failure to do so will result in lower semester grade. Seniors will not be cleared to participate in Senior Activities or Graduation without completion of all their finals.

FLEX TIME SCHEDULE

Flex Time (FLEX) is an enrichment and recovery period. We will offer students four Flex Time periods every week where they can select offerings that are curricular or co-curricular in nature. Flex Time will be 41 minutes long following first period to allow time for students to complete or practice performances, suit out for PE recovery, work in small groups with the teacher or individually on skills, and make up longer assignments such as labs and tests while balancing our regular periods. Teachers will post their Flex Time offerings on Flexisched for students to sign up for starting Monday of each week. Students will be able to select and change where they are going during Flex Time up until 5 minutes before the Flex Time period, unless they have been assigned an offering by a teacher. This will be marked by a red check mark on your schedule in Flexisched. Students will have a choice from skill remediation (or re-teaching), make-ups, study hall, or enrichment.

Flex Time is a period that students must attend and will be marked present or absent for. Cutting FLEX will result in a lunch detention and progressive disciplinary action. It is our hope that Flex Time brings more choice, flexibility, and meaningful contact between all members of campus.

Where do I go if I don't sign up for Flex Time?

You can sign up for Flex Time on the school website. You can also go directly to our flexisched website. Do NOT search for flexisched on google; you will most likely get a different school's flexisched website.

What happens if I don't sign up for a Flex Time?

Students will be given 1 lunch detention for the 1st offense, 2 lunch detentions for the 2nd offense, and a Saturday School for the 3RD offense, along with a parent phone call and possible social probation.

ATTENDANCE PROCEDURES

****EDHS IS A CLOSED CAMPUS** - Students are not allowed to leave campus or be out of bounds during their school day (including lunch). Students are to check in/out through the attendance office if they are going to be released early or arrive late. Upon returning to the campus, students must check in at the attendance office. Failure to sign out, even for a verified absence, will result in disciplinary action. Students leaving campus without permission, who return on the same day, are subject to search. Absences must be cleared within 3 days/ 72 hours of the absence or disciplinary action will be taken. The attendance line is available for attendance messages 24 hours a day.

Please send a note with your student or call the attendance office for a pass and allow 15-30 minutes for the pass to be processed.
