INTRODUCTION

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 98-1B ("CFD No. 98-1B") of the Capistrano Unified School District (the "School District") resulting from the sale of the $4,830,000 Series 2018 Special Tax Bonds (the "2018 Bonds") in May 2018 and $5,780,000 Series 2020 Special Tax Bonds (the "2020 Bonds," and together with the 2018 Bonds, the "Bonds") in December 2020.

CFD No. 98-1B is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982 (the "Act"), as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 98-1B is authorized to issue up to $14,000,000. The proceeds of the Bonds will be used to finance the acquisition and construction of various school district facilities. The non-school facilities to be financed by CFD No. 98-1B include certain City of San Juan Capistrano facilities necessary for the development of the project. Certain facilities may also be financed through the levy of special taxes.

The bonded indebtedness of CFD No. 98-1B is both secured and repaid through the annual levy and collection of special taxes from all property subject to the tax within the community facilities district. In calculating the special tax liability for fiscal year 2024-2025, this report not only examines the financial obligations of the current fiscal year, but also analyzes the amount of new development which has occurred within the boundaries of the community facilities district. The current outstanding principal for the 2018 Bonds and 2020 Bonds are equal to $4,640,000 and $5,565,000, respectively, which is based on principal paid through September 2, 2023. The 2018 Bonds and 2020 Bonds are scheduled to be paid off in the years 2048 and 2050, respectively. Pursuant to the Rate and Method of Apportionment ("RMA"), the special tax shall be levied for the period necessary to fulfill the special tax requirement, but in no event shall it be levied after fiscal year 2055-2056. The RMA is included in Appendix C.

CFD No. 98-1B overlays portions of Community Facilities District No. 98-1A of the Capistrano Unified School District ("CFD No. 98-1A"). However, not all of CFD No. 98-1A is within CFD No. 98-1B. A map showing the property in CFD No. 98-1A and CFD No. 98-1B is included in Appendix A.

This report is organized into the following sections:

- **Section I**: Section I provides an update of the development activity occurring within CFD No. 98-1B. All new building permit activity is identified, including cumulative figures for "Developed Property."
- **Section II**: Section II examines the financial activity in the funds and accounts established pursuant to the First Supplement to the Indenture dated December 1, 2020, between CFD No. 98-1B and U.S. Bank National Association (the "Indenture"). A year-to-date summary illustrating all disbursements, special tax receipts and interest earnings of the 2018 Bonds and 2020 Bonds is provided.

- **Section III**: Section III analyzes the fiscal year 2023-2024 special tax levy.
- **Section IV**: Section IV determines the financial obligations of CFD No. 98-1B for fiscal year 2024-2025.
- **Section V**: Section V reviews the methodology used to apportion the special tax requirement between Developed Property and Undeveloped Property. A table of the fiscal year 2024-2025 special taxes for each classification of property is included.

I SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

A Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment of the Special Tax. The Rate and Method of Apportionment defines five categories of taxable property, namely "Developed Property," "Taxable Property Owner Association Property," "Taxable Public Property," "Taxable Religious Property," and "Undeveloped Property." The category of Developed Property is in turn divided into two separate rate classifications for residential and non-residential property and then further differentiated based on six different zones.

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued as of January 1 will be classified as Developed Property in the following fiscal year. For example, all property in CFD No. 98-1B for which building permits were issued prior to January 1, 2024, will be classified as Developed Property in fiscal year 2024-2025. Hence, the development research discussed below focuses on the twelve-month period ending January 1, 2024.

B Development Update

CFD No. 98-1B encompasses approximately 65 gross acres of land located in the City of San Juan Capistrano. Of this acreage, approximately 58 acres are expected to be developed into uses subject to a Mello-Roos special tax levy. At build-out, CFD No. 98-1B will include 318 residential units.

Background research was conducted to determine the amount and type of development activity that occurred during the previous fiscal year. Review of the City of San Juan Capistrano's building permit records indicated that prior to January 1, 2024, building permits had been issued for 318 residential units within CFD No. 98-1B. No property in CFD No. 98-1B is considered Undeveloped Property.

The table below lists the aggregate amount of Developed Property by special tax classification.

II SOURCES AND USES OF FUNDS

A Description of Funds and Accounts

The Indenture for the 2018 Bonds and 2020 Bonds established nine funds for CFD No. 98-1B. They are the Special Tax Fund, Bond Fund, Redemption Fund, Reserve Fund, Rebate Fund, Administrative Expense Fund, Surplus Fund, Costs of Issuance Fund, and Construction Fund. Within the Bond Fund, an Interest Account, Principal Account, and Capitalized Interest Account were created. Within the Construction Fund, a School Facilities Account and a City Facilities Account were created. All funds and accounts for CFD No. 98-1B are shown in Figure 1.

All special tax receipts are deposited in the Special Tax Fund. Monies in the Special Tax Fund are allocated based on the priority set forth below (see Figure 2):

1. **Interest Account of the Bond Fund** - the amount, if any, necessary to cause the amount on deposit in the Interest Account to be equal to the interest due on the Bonds on such Interest Payment Date;
2. **Principal Account of the Bond Fund** - the amount, if any, necessary to cause the amount on deposit in the Principal Account to be equal to one-half of the principal, if any, due on the Bonds on such Interest Payment Date;
3. **Reserve Fund** - the amount, if any, necessary to cause the amount on deposit in the Reserve Fund to be equal to the Reserve Requirement;
4. **Administrative Expense Fund** - if upon receipt of a Written Request of the Community Facilities District for an amount greater than the Priority Amount Priority Administrative Expenses, the amount necessary to be transferred thereto in order to have sufficient amounts available therein to pay Administrative Expenses;
5. **Construction Fund** - all money remaining until the School District notifies the Trustee in a Written Certificate counter-signed by the Developer that there shall no longer be any deposits to the City Facilities Account as determined by the Mitigation Agreement, to be divided between, and deposited to (i) the School Facilities Account in an amount equal to 50% plus $50.00 and to (ii) the City Facilities Account in an amount equal to 50% less $50.00; and
6. **School Facilities Account/Surplus Fund** - after the Trustee receives such Written Certificate, any remaining funds shall be deposited to the School Facilities Account or the Surplus Fund at the direction of the School District.

The Reserve Requirement is an amount equal to the lesser of (i) 10.00% of the original proceeds of the Bonds, (ii) maximum annual debt service on the Bonds, or (iii) 125.00% of the average annual debt service on the outstanding Bonds. The current Reserve Requirement is equal to $714,803.

Monies held in any of the aforementioned funds and accounts can be invested by the trustee at the direction of the School District and in conformance with the limitations set forth in the Indenture. Investment interest earnings, if any, will generally be credited to the fund or account for which the investment was made.

III FISCAL YEAR 2023-2024 SPECIAL TAX LEVY

The special tax levy for CFD No. 98-1B for fiscal year 2023-2024 equaled $486,810. As of July 31, 2024, $478,826 in special taxes had been collected by the County. A total of $7,984 in special taxes are delinquent, resulting in a delinquency rate of approximately 1.64%.

As a participant in the Teeter Program, the School District has received an apportionment from the County equal to the delinquent unpaid special taxes for fiscal year 2023-2024. This apportionment occurred in July 2024.

In addition to the Teeter Program, CFD No. 98-1B has covenanted to commence foreclosure proceedings against (i) parcels with delinquent special taxes in excess of $10,000 and (ii) all properties with delinquent special taxes if the delinquency rate exceeds 5% and the amount in the Reserve Account is at less than the Reserve Requirement.

Based upon the current level of delinquencies, no foreclosure action is required.

IV FISCAL YEAR 2024-2025 SPECIAL TAX REQUIREMENT

As directed by the School District, the special taxes are levied to achieve 110% debt service coverage on the 2018 Bonds and 2020 Bonds (taking the fiscal year 2023-2024 surplus into account). Therefore, the fiscal year 2024-2025 special tax requirement is equal to $495,404 and is calculated as follows:

Figure 3: Fiscal Year 2024-2025 Gross Special Tax Requirement

Total Fiscal Year 2024-2025 Gross Special Tax Requirement: $554,570

V METHOD OF APPORTIONMENT

A Maximum Special Taxes

The amount of special taxes that CFD No. 98-1B may levy is strictly limited by the maximum special taxes set forth in the Rate and Method of Apportionment. The initial assigned special taxes for each classification of Developed Property are specified in Tables 1 and 2 of Section C of the Rate and Method of Apportionment [1]. These special taxes escalate by 2% each fiscal year.

B Apportionment of Special Taxes

The special tax that is apportioned to each parcel is determined through the application of Section D of the Rate and Method of Apportionment. Section D apportions the special tax requirement in four steps which prioritize the order in which Developed Property and Undeveloped Property are taxed.

The first step states that the special tax shall be levied against each parcel of Developed Property at up to 100% of the assigned special tax. If the special taxes raised pursuant to the first step are less than the special tax requirement, then the second step is applied. The second step states that the special tax shall be levied against all parcels of Undeveloped Property at up to 100% of the applicable maximum special tax per acre.

The third and fourth steps are designed to accommodate changes in land use and are intended to be used only as a last resort. Since actual land uses have not substantially deviated from the original projections, these steps are not necessary.

Application of the maximum special taxes under the first step generates special tax revenues of $886,655 from Developed Property, which is sufficient to meet all obligations for CFD No. 98-1B for fiscal year 2024-2025 as outlined in Section IV. Therefore, the fiscal year 2024-2025 special tax levied against each parcel of Developed Property is equal to approximately 55.87% of the applicable maximum special tax for such parcel.

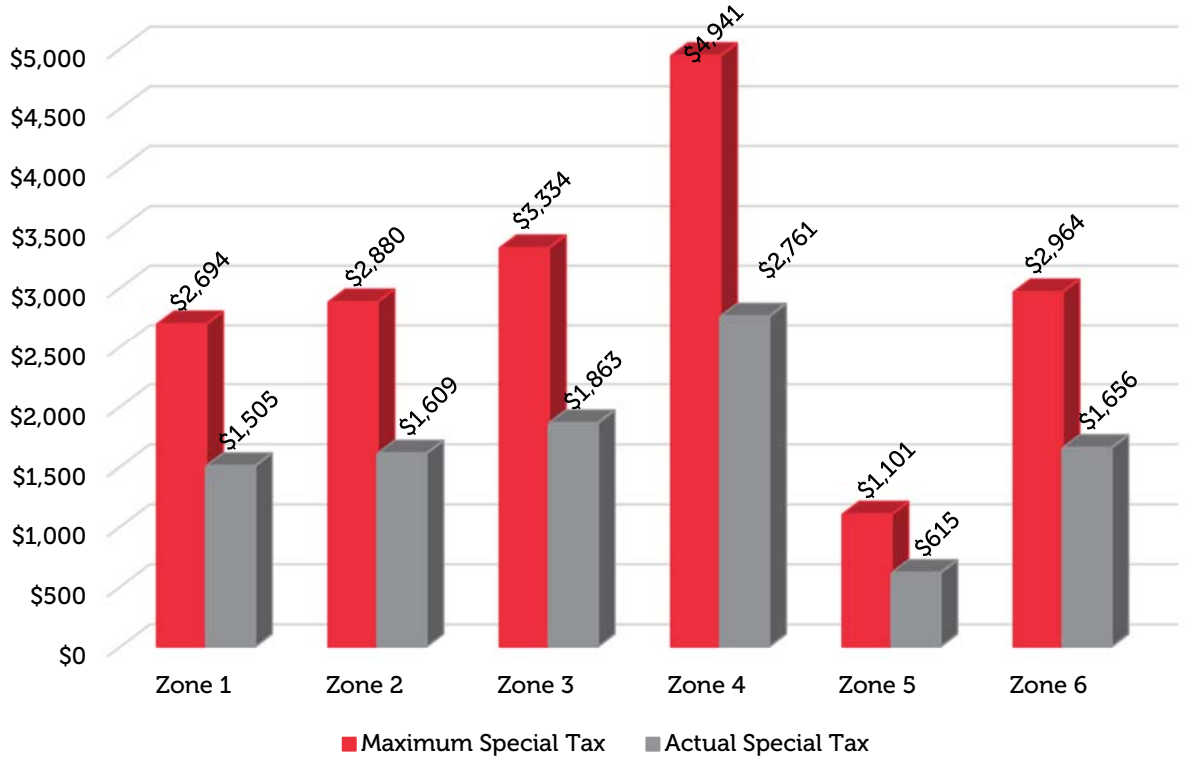

The fiscal year 2024-2025 special taxes for each classification of Developed Property are shown on Table 5 and graphically on the following page. The Special Tax Roll which lists the actual special tax levied against each parcel of Developed Property is shown in Appendix D.

[1] Technically, Section C states that the maximum special tax for a parcel of Developed Property is equal to the greater of (i) the "Backup Special Tax" or (ii) the Assigned Special Tax. In this report, all discussion of maximum tax rates for Developed Property focuses on the Assigned Special Tax.

Table 5: Fiscal Year 2024-2025 Special Taxes

.

b. Increase in the Maximum Special Tax

On each July 1, commencing on July 1, 2017, the Maximum Special Tax for Undeveloped Property, Taxable Property Owner Association Property, Taxable Public Property, and Taxable Religious Property shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2016-2017 and for each following Fiscal Year, the Board shall levy the Special Tax until the amount of Special Taxes equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax.

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property.

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of

Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel.

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property, Taxable Public Property and Taxable Religious Property at up to the Maximum Special Tax for Taxable Property Owner Association Property, Taxable Public Property and Taxable Religious Property.

Notwithstanding the above, under no circumstances will the Special Tax levied in a Fiscal Year against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 98-1B. To the extent that the levy of the Special Tax on Residential Property is limited by the provision in the previous sentence, the levy of the Special Tax on all other Assessor's Parcels shall continue in equal percentages at up to 100% of the Maximum Special Tax.

E. EXEMPTIONS

There shall be no exemptions for property in Zone 1, Zone 2, Zone 3, and Zone 4.

No Special Tax shall be levied on Property Owner Association Property, Public Property, and/or Religious Property in Zone 5 and Zone 6 at up to the Acreage amounts shown in Table 5 below:

TABLE 5

Zone	Exempt Acreage
5	2.89 Acres
6	4.56 Acres

Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property within Zone 5 and Zone 6 become Property Owner Association Property, Public Property or Religious Property. However, should an Assessor's Parcel no longer be classified as Property Owner Association Property, Public Property or Religious Property, its tax-exempt status will be revoked.

Property Owner Association Property, Public Property or Religious Property that is not exempt from Special Taxes under this section shall be subject to the levy of the Special Tax and shall be taxed Proportionately as part of the fourth step in Section D above, at up to 100% of the applicable Maximum Special Tax for Taxable Property Owner Association Property, Taxable Public Property or Taxable Religious Property.

F. REVIEW/APPEAL COMMITTEE

Any taxpayer may file a written appeal of the Special Tax levied on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the calculation of the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Board by filing a written notice of appeal with the clerk of the Board, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for its disagreement with the CFD Administrator's determination.

Interpretations may be made by the Board by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

G. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 98-1B may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section H:

"CFD Public Facilities" means either $11.5 million in 2016 dollars, which shall increase by the Construction Inflation Index on July 1, 2017, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 98-1B under the authorized financing program for CFD No. 98-1B, or (ii) shall be determined by the Board concurrently with a covenant that it will not issue any more Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.

"Construction Fund" means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

"Construction Inflation Index" means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

"Future Facilities Costs" means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund; (ii) moneys currently on deposit in the Construction Fund; and (iii) moneys currently on deposit in an escrow fund, if any, that are expected to be available to finance public facilities costs.

1. Prepayment in Full

All Assessor's Parcels of Developed Property and Assessor's Parcels of Undeveloped Property for which a building permit has been issued may be prepaid. The Special Tax obligation applicable to such Assessor's Parcel in CFD No. 98-1B may be fully prepaid and the obligation of the Assessor's Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel or any other Assessor's Parcel owned by such owner at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. The CFD Administrator will charge a fee to the owner requesting prepayment for providing this figure. Prepayment must be made not less than 45 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

Bond Redemption Amount	
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
less	Capitalized Interest Credit

Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

Paragraph No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.

2. For Assessor's Parcels of Developed Property compute the Assigned Special Tax and Backup Special Tax applicable for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Undeveloped Property (for which a building permit has been issued), compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Taxes for the entire CFD No. 98-1B based on the Developed Property Special Taxes which could be charged in the current Fiscal Year on all expected development through buildout of CFD No. 98-1B, excluding any Assessor's Parcels which have been prepaid, and

   (b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the estimated Backup Special Taxes at buildout of CFD No. 98-1B using the Backup Special Tax amount for the current Fiscal Year, excluding any Assessor's Parcels which have been prepaid.

4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").

5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").

6. Compute the current Future Facilities Costs.

7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").

8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.

9. Determine the Special Taxes levied on the Assessor's Parcel in the current Fiscal Year which have not yet been paid.

10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.

11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").

12. Verify the administrative fees and expenses of No. 98-1B, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").

13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.

14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").

15. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Prepayment Amount").

16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 98-1B.

The Prepayment Amount may be sufficient to redeem other than a $5,000 increment of Bonds. In such cases, the increment above $5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the Board shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

2. Prepayment in Part

The Maximum Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment
P_E = the Prepayment Amount calculated according to Section H.1
F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Maximum Annual Special Tax.
A = the Administration Fees and Expenses from Section H.1

The owner of an Assessor's Parcel who desires to partially prepay the Maximum Special Tax shall notify the CFD Administrator of such owner's intent to partially prepay the Maximum Special Tax and the percentage by which the Maximum Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Maximum Special Tax for an Assessor's Parcel within 30 days of the request and will charge a fee to the owner requesting prepayment for providing this figure.

With respect to any Assessor's Parcel that is partially prepaid, the School District shall (i) distribute the funds remitted to it according to Paragraph 16 of Section H.1. and (ii) indicate in the records of CFD No. 98-1B that there has been a partial prepayment of the Maximum Special Tax and that a portion of the Maximum Special Tax equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax shall continue to be authorized to be levied on such Assessor's Parcel pursuant to Section D.

Notwithstanding the foregoing, no full or partial Special Tax prepayment shall be allowed unless the amount of Assigned Special Taxes that may be levied on Taxable Property within CFD No. 98-1B both prior to and after the proposed prepayment, less expected

Administrative Expenses, is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

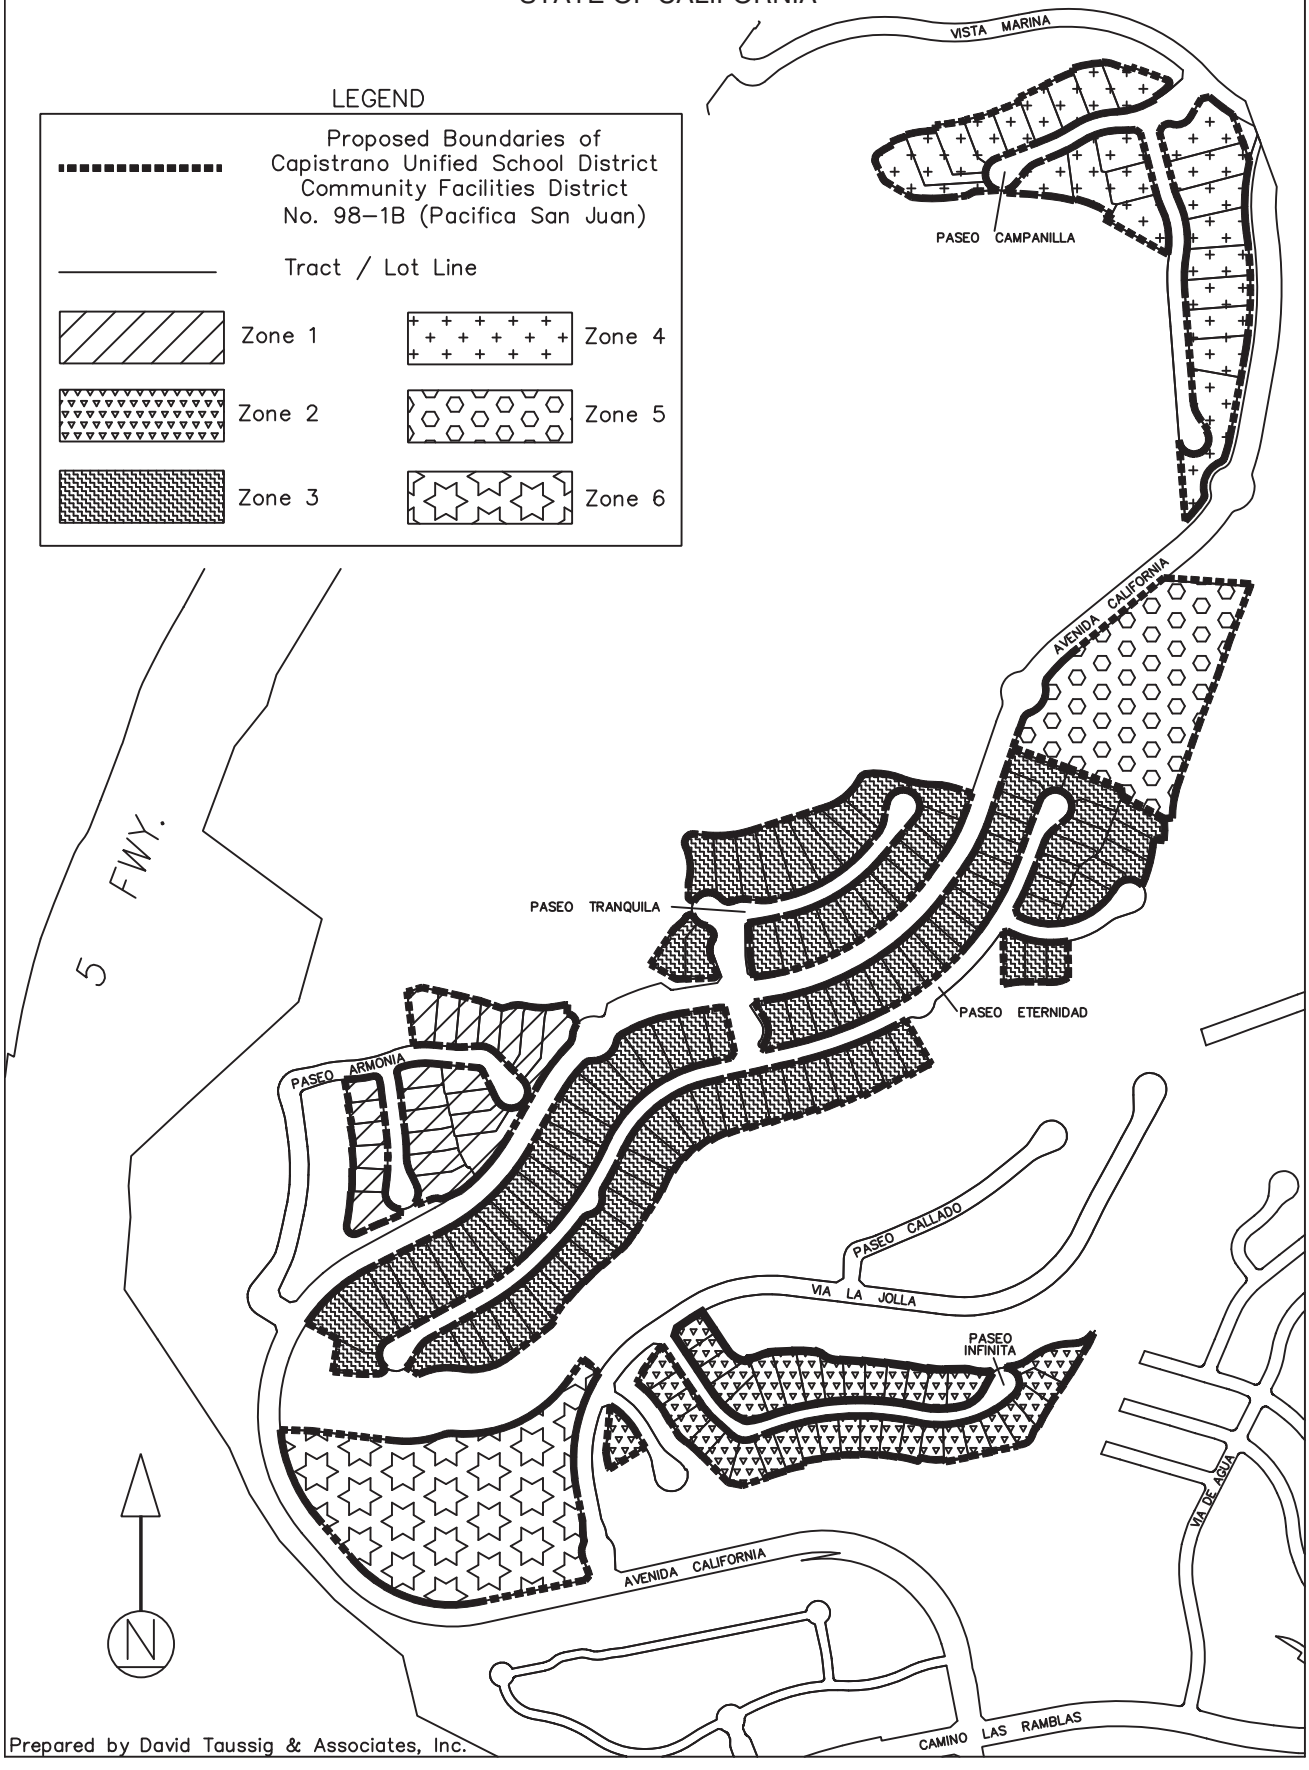

I. TERM OF SPECIAL TAX

The Special Tax shall be levied each year to fully satisfy the Special Tax Requirement, but in no event shall it be levied after Fiscal Year 2055-56.
