Our Vision is to provide a positive, safe, and culturally responsive environment that ensures exemplary academic growth for all students to become lifelong learners and productive citizens on their path to college and career readiness. Our Mission is to accomplish our vision by; Teaching a relevant and rigorous CCSS-based curriculum, using assessments to drive instruction to meet the needs of our diverse student population; Providing a safe environment through PBIS and character education for students and staff; Collaborating effectively within and across grade-level teams; and Encourage involvement by partnering with parents and the community.

Raymond Case Elementary provides a culturally responsive environment, where Every student is measurably learning in Every classroom, Every subject, Every day. Raymond Case provides a unique and wonderful educational experience for children guided by equity. Our single most important goal is to ensure that every student enjoys academic success throughout his or her educational experience and feel connected to their classroom and school.
