HIGH SCHOOL PRINCIPAL'S REPORT: Doug Kaelin reported that the teachers' in-service workday was spent working on the WASC Mid Cycle Report. There were a lot of sports events over winter break. Mr. Sharrock is in charge of the information to be displayed. The new sign has many cool features. The marquee at the elementary school is back up and running as well. The trees on the south lawn were trimmed and some need to be taken down altogether.

SUPERINTENDENT'S REPORT: Doug Kaelin reported that the surveyors were here to map out the layout of the new gym. The re-roofing of the district office is still in progress. The Math curriculum adoption took place today. The latest report on the Governor's budget says that more money will be coming to schools, but we cannot rely on that.
