1.Enrollment (District):

When you are a new student/family to the district, you must **enroll** online through the district's website (srvusd.net)

2.Annual Update (District) July 20 - August 10:

Returning families will receive an email from **SRVUSD** to complete the **Annual Update before every school year**

This is your opportunity to make the following updates to your student's Infinite Campus information:

Emergency contact phone numbers - Emergency contact email addresses - Home address - Add and/or remove emergency contacts

3.Online Registration (School Site):

If you are already **enrolled/have been enrolled** in the district, you still need to complete your **school's registration every year:**
