## 2024-2025 School Accountability Report Card

### (Published During the 2025-2026 School Year)

## General Information about the School Accountability Report Card (SARC)

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2025-26 School Description and Mission Statement

### About Our School

The Palermo Community Day School staff believe that we can achieve our fundamental purpose of high levels of learning for all students if we work together towards this common goal. This involves parents, teachers, paraprofessionals, and students collectively. Students at the Palermo Community Day School are provided the time and support necessary to cultivate behaviors and attitudes that will enable them to grow academically and socially. We are committed to maintaining a safe environment where all students can learn and grow to their fullest potential.

The Palermo Union School District is comprised of five schools: Helen Wilcox (TK-3), Honcut (K-2), Golden Hills (4-5), Palermo

## 2025-26 School Description and Mission Statement

(6-8), and the Palermo Community Day School (K-8). The district encompasses a 75 square mile area located in Butte County in the northern Sacramento Valley. Each student has an Individualized Rehabilitation Plan with a required weekly counseling and community service component. Typically students are enrolled for one or two trimesters and are able to apply for readmittance back into the traditional school setting. Palermo has an ongoing Memorandum of Understanding with Oroville City Elementary School District (OCESD) and Thermalito Union School District (TUSD) for the placement of up to 12 "at risk" students in Community Day.

**Mission Statement:** The Palermo Community Day School K-8 is designed to meet the needs of students who are exhibiting behavioral, academic, and/or attendance problems. The intent of the program is to help students develop problem-solving skills and more effective coping strategies that will result in a greater chance of success when they return to the regular school setting. CDS staff maintain high expectations across the academic, social, and emotional domains, and remain committed to developing increased resiliency within our students.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## School Facility Conditions and Planned Improvements

**School Facilities:** Facilities are maintained in a manner to ensure that they are clean, safe and functional as determined by an evaluation instrument developed by the State of California Office of Public Construction.

**Teaching and learning space:** The Palermo Community Day K-8 has one portable classroom approximately 8 years old. Staff and student bathrooms are adequate and are maintained in clean and working order. The outside area includes grass, large trees, concrete picnic tables and benches maintained in safe and working order.

**Maintenance and repair:** District maintenance staff ensure that any necessary repairs are completed in a timely manner. A work order process is used to provide efficient service and ensure that emergency repairs are given the highest priority.

**Cleaning process:** The district governing board has adopted cleaning and safety standards for all schools in the district. A summary of these standards is available at the school office or the district office. The Maintenance & Operations Supervisor works with custodial staff to develop cleaning schedules to ensure a clean and safe school.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

Mathematics (grades 3-8 and 11)			20	23	35	37

### 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Parents and guardians are given the opportunity to work in a mutually supportive and respectful partnership with the school to help their child succeed. Parents are welcome to volunteer in the classroom and for fundraising and community events. Parents and guardians may support their child's learning environment by monitoring school attendance and homework completion.

## 2025-26 School Safety Plan

In compliance with state regulations, the District Comprehensive Safety Plan/Emergency Management Plan is reviewed, updated and approved by the Governing Board annually by March 1. Each school maintains a copy of the Safety Plan on site and a copy of the site Emergency Conditions portion of the plan in each classroom. Key elements of the Safety Plan include: a plan of action for maintaining a safe and orderly environment conducive to learning at the school (ie: assessment of school safety, identification of strategies and programs that will maintain school safety and campus security) and emergency management

procedures consistent with the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) developed by the U.S. Department of Homeland Security. Key elements of the site Emergency Conditions include: a plan of action for a coordinated school wide response to emergencies (i.e. intruder on campus, fire, emergency lockdown, evacuation, etc). Safety drills are held on a regular basis. Fire drills are held monthly. Earthquake/disaster and intruder drills are held twice a year. Visitors to the campus are required to sign in at the school office and wear a visitor's pass at all times.

## Fiscal Year 2024-25 Types of Services Funded

Palermo Community Day School provides standards based, high quality instruction to all students in all subject areas. In addition, we also provide additional academic support and supplemental services through the use of intervention classes within the school. All students that attend CDS receive weekly counseling sessions and additional social/emotional lessons with our wellness coach. This year, our students are provided additional support with in-person and online lessons by the Choose Well Program, aka, Mister Brown. Achievement data and student progress is regularly monitored in order to insure that students are assigned to appropriate classes and intervention services.
