

# Give your kids a strong financial start

Unum Whole Life Insurance for children can help

**You do everything you can to protect your kids and their future — including their financial well-being. That's why life insurance, even at a young age, is so important.**

If an accident or illness were to claim the life of your child, this policy could provide the resources needed to deal with the financial strain of your loss — so you can take care of your family during this difficult time.

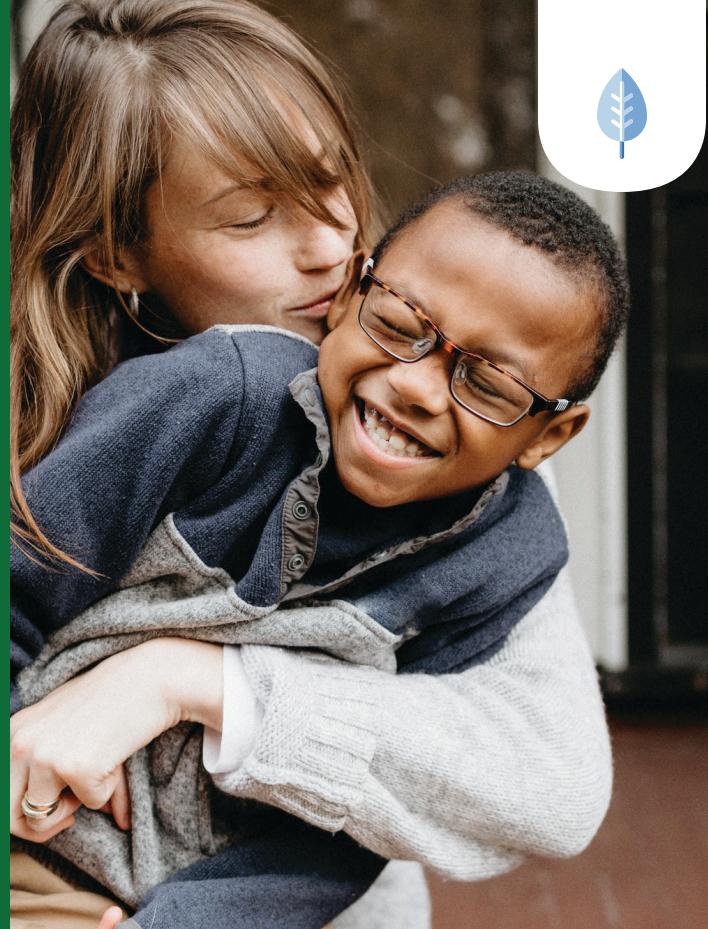

This coverage can be purchased without purchasing employee coverage. Each policy covers one child or grandchild; you can purchase coverage for each of your children and grandchildren.

## Child eligibility

Coverage is available to your:

- Children (natural and legally adopted)
- Stepchildren
- Grandchildren

Children/grandchildren are eligible from 14 days old until their 26th birthday. Children must reside in the U.S. to receive coverage.

## Features that add value

Cash value accumulates at a rate of 3.75%. You can borrow from the cash value if you choose, or use it to buy a reduced policy with no more premiums.

Policy amounts of \$5,000 to \$25,000 require no health questions to qualify for coverage, if you apply when you are first eligible. If you wait, there will be a few medical questions. Coverage from \$25,000 to \$50,000 is available but requires health questions to determine eligibility.

At age 70, the policy is fully paid up. This means no more premiums must be paid. The benefit is payable to the beneficiaries upon death.

## Three reasons to buy this coverage at work

- 1 You get competitive rates when you buy this policy through your employer, and the premiums are conveniently deducted from your paycheck.
- 2 You own the policy so you can keep it even if you leave the company or retire. Unum will bill you directly for the same premium amount.
- 3 Coverage becomes effective on the first day of the month in which payroll deductions begin.

When you buy life insurance, you name the people who will receive the money from the policy when you die. These people are called beneficiaries. Unum will pay benefits to the beneficiaries in one lump sum; however, if a beneficiary is a minor (typically younger than 18, but this may vary by state) and no financial guardian has been appointed, the benefits will be paid to that minor through a Unum Retained Asset Account.

A Unum Retained Asset Account is a fund held in Unum's general account for the named minor beneficiary. The account accrues interest regardless of Unum's actual investment performance, and, while not FDIC insured, the account funds are fully guaranteed by Unum. For more information about the retained asset account, please contact Unum.

For policies effective 1/1/2026 and after, cash value accumulation is based on a non-forfeiture interest rate of 3.75% and the 2017 CSO mortality table.

Exclusions: If within two years (one year in North Dakota) from the date of issue of this policy the insured individual dies by suicide, while sane or insane, Unum would not pay

the death benefit. The amount payable by Unum in place of all other benefits shall be the sum of the premiums paid, without interest, less any debt secured by this policy.

Termination: The policy will terminate on the earliest of the following:

1. written request by you to terminate the policy;
2. the insured dies;
3. the policy matures; or
4. the loan value exceeds the guaranteed cash value of this policy.

This information is not intended to be a complete description of the insurance coverage available. The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations which may affect any benefits payable. For complete details of coverage and availability, please refer to Policy Form L-21848 or contact your Unum representative.

Unum complies with all state civil union and domestic partner laws when applicable.
