

Is Your Child Ready for Middle School?

This summer, help prepare your child for the rigors of middle school with LRMS Boot Camp! Mrs. Bleidistel will welcome, introduce, and help your child feel comfortable knowing all the "ins and outs" of Middle School in a safe classroom environment!

This camp will help incoming LRMS 6th graders learn how to comfortably navigate the middle school campus. Students will be given a **tour** of the school, so they know how to get to their classes easily within the passing periods. This course will provide:

- **Confidence & Expectations**
- **Organization** skills for six classes
- **Successfully** use and navigate Canvas, the learning management system of LRMS
- **Understand** letter grades and report cards
- **Time management** skills using an **AGENDA**
- Review **writing, reading** and **math** skills to help your student be prepared for the first quarter

This class will prepare your child so that when the first day of school begins, there will be no questions about what to expect. I have been teaching sixth grade at Ladera Ranch Middle School since it opened, and know what it takes to be **successful** at LRMS. I am here to help you and your child make a great transition into middle school.
