Online Course Selection

Once you have selected your courses from the back of this sheet, log into Infinite Campus and enter your course selections (see Infinite Campus Online Course Registration Instructions). Please remember to choose ALTERNATES for your elective choices (i.e. Visual/Performing Arts and CTE electives); if you do not, your counselor will choose for you. Print the IC portal summary page for your personal records.

Tips for High School Success

9th grade is a big adjustment year for teens. New social environment, bigger school, harder classes, and higher expectations all impact student performance. Keep in mind when selecting courses that it is important to maintain balance and consider outside activities and responsibilities. You have four years with us and plenty of time to get it all done! Set yourself up for success and a positive transition.

Get to know your teachers and counselor! We are all here to help and support you as you make your way through high school. SRVHS may be a big campus, but it is full of teachers, counselors, administrators and other staff members who care deeply about your success and well-being.

Course Change Requests

If you change your mind about one of your choices after the counselor pick up day at your school, please contact your middle school counselor and they will let SRVHS know. This must be done before you leave for spring break. **Requests via email or voicemail over the summer break will not be honored.**

***Non SRVUSD Students who are new to the district, please email this completed form to our Registrar, Ms. Kathleen O'Grady at kogrady@srvusd.net.**
