This Tiered structure was based upon a negotiated MOU between the District and RTPA on April 5, 2024. The District will provide an annual Prop 28 allocation at the beginning of the school year to each Comprehensive High School. The tiered amounts will be based upon the following factors: time, experience, market value, specialized training and program growth/decline. The process for how the stipends are determined is outlined further in the MOU. The tiered schedule is also relevant for stipends funded with "Other," generated funds. In the event that a program is unable to generate the "Other," necessary funds to support a stipend assigned to an individual, the District will not provide additional funding to fund the stipend. These stipends are not STRS eligible.
