DAILY BULLETIN

THERE ARE NO SPORTS SCHEDULED FOR TODAY.

There is a **mandatory baseball meeting** for all those interested in trying out this **Thursday at lunch** in the big gym.

If you're parking off-campus, especially on Ceanothus, please double-check that you aren't blocking any neighborhood driveways. Our neighbors need to get in and out of their homes, and several have already reached out to admin and Chico PD. Let's be good neighbors and park respectfully!

Merit and Honors in Science

Looking for something to add to your resume or your college application? Science is now offering a Merit in Science and an Honors in Science upon graduation. The Merit in Science comes with a certificate and pin. The Honors in Science comes with a certificate, pin, and cord. Please, see the flyers posted around campus for requirements and additional information.
