THIS MONTH:

Welcome back !!!!

We're excited to introduce a variety of new menu items this school year. Our breakfast lineup now includes options like egg bites and overnight oats. We're also featuring new specials such as the birria loaded baked potato and chicken flautas. These dishes are made with a variety of scratch-made ingredients and fresh herbs grown in our district garden, to bring fresh, homemade flavor to our meals.

****Gluten Free variations are available for most menu items upon request.
