

Celebration Book Club Membership

Jackson Elementary School Library Fundraiser

Celebrate your student's birthday (or other event) with Jackson's Celebration Book Club. Your student will choose a new favorite book on their special day and place their dedication sticker inside. Kids love to see their friends' names in their favorite books. Your contribution helps to ensure the future of Jackson's beautiful library collection and our student's enthusiasm for reading. To join, please follow the steps below.

- 1. Donate \$20 for each student celebration.*
- 2. Complete one form for your family and return to Jackson library or your child's teacher.*
- 3. On the Celebration Day, your student will place an inscription in and check out a new hardcover book. (summer birthdays can be celebrated as ½ birthdays)*
- 4. Their name will be included on the Celebration Book Club display in the library.*
- 5. Return the book to the library to be shared with other students.*

Thank you for supporting Jackson School Library!
