BEST Business Enhancement System Transformation

Welcome to BEST Authentication!

Your Gateway to the BEST Advantage System!

What is BEST Authentication?

BEST Authentication is a secure, online portal that will provide users with single-click access to all BEST Advantage System applications, including: Budget, Financials, Human Capital Management, infoAdvantage Reports, Employee Self-Service and Manager Self-Service. Users will no longer have to remember sperate usernames and passwords for each of the systems. Please note, you will only see the specific applications that you have been granted access.

How Do I Get My Log-In Information?

All employees will be receiving a BEST Authentication welcome email with their username and password. If you have not received this email, please reach out to your District Office, or email the BEST Project Help Desk at: helpdesk@lacoe.edu. Once you receive your login information, write your username and password below for easy access in the future. You will have the option to change your password upon login.
