International Summer Programs 2026

Children's International Summer Village (CISV) is a global non-profit organization founded in 1950 with the aspiration to build global friendships and cultural understanding to inspire a more just and peaceful world. Today, there are over 200 chapters around the world. The programs are life-changing, and we want to help spread the word to fellow parents like you!

CISV's mission comes to life through a variety of summer programs, starting as early as age 11. At this age, children begin traveling in small groups of four, accompanied by an adult leader, to chosen locations where they meet delegations from around the world. CISV offers programs for children ages 11 through 17.

We invite you to join us to learn more about the range of CISV programs available.
