
Adult Transition Program (ATP)

Program Description

The Adult Transition Program is designed for special education students aged 18-22 years who have completed high school with a certificate of completion. The students eligible for ATP have moderate to significant disabilities and require specialized academic instruction and assistance learning functional skills and applying them in the community.

The Adult Transition Program offers a full day, five day per week program.

The main campus for the program is located at:

31522 El Camino Real

San Juan Capistrano, CA 92675

(949) 234-5302

ATP Mission

The Mission of the Adult Transition Program is to provide an individualized education program which promotes independent living and employment according to each student's unique needs.

The communication needs of all students in ATP are supported by a Speech Language Pathologist (SLP). Through collaboration for a minimum of thirty minutes, weekly, in the form of group communication lessons in the classroom and/or the community. The SLP also consults with ATP staff to develop, implement and monitor communication goals for each student.
