August 1, 2026

Dear Parent and/or Guardian:

This is to inform you that the Bonita Unified School District does not provide student and athletic accident insurance coverage for students. However, in accordance with Education Code Section 49472, the District has made available for purchase voluntary student and athletic accident insurance through Student Insurance.

This insurance provides broad coverage for 24-Hour, School-Time, Tackle Football, and Extended Dental. If your student participates in sports activities, it is suggested that you purchase the Extended Dental coverage.

IMPORTANT: All students participating in interscholastic sports (this includes cheerleaders, mascots, band, drill team, etc.) are required by the Education Code to have adequate accident/medical insurance. Tackle Football coverage must be purchased separately from 24-Hour and School-Time coverage. District procedures require all interscholastic participants to certify accident/medical insurance coverage before participation.

The following types of student accident insurance plans are available:

- 1. School-Time Plan:** Covers injuries caused by accidents occurring (1) at school during the school day; (2) while participating in school-sponsored and supervised activities; and (3) during direct and uninterrupted travel to and from residence and school for regular attendance.
COST: High Option – \$43.00 Mid Option – \$28.00 Low Option – \$14.00
- 2. 24-Hour Plan (with sports except HS Football):** Covers injuries caused by accidents occurring anytime (24 hours a day), anywhere in the world. Coverage also includes participation in certain organized sports.
COST: High Option – \$210.00 Mid Option – \$105.00 Low Option – \$82.00
