GENERAL ANNOUNCEMENTS

1. May is Mental Health Awareness Month. Today's challenge for you is...**Inner Voice Check** – Notice the way you talk to yourself today. Would you say those things to a friend? If not, try rephrasing one negative thought into something more fair.

2. Students, as we approach the end of the school year, this is your reminder to save any important work to your Google Drive or a personal flash drive rather than storing files locally on lab or library computers.

Over the summer, IT will be resetting all lab and library computers as part of our regular maintenance process. Any files saved directly to these devices will be permanently removed during the reset process.

We strongly recommend making it standard practice for you to save all work to Google Drive or a flash drive to ensure your files remain safe and accessible at all times.

3. Students who received a summer school letter, please return your registration permission slip! It is due May 29th to the Counseling Office. If you have any questions about summer school, please come to the Counseling Office.

4. Students – if you plan on working over the summer, stop by the counseling office to get a new work permit form! Your current work permit will expire once school is out!

5. Attention FCCLA members!!! Today we will be having our awards luncheon. Golden State Degrees and grad cords will be given. See you there!!!

6. Attention students doing Powder Puff and Volley Bros! Your permission slips are due in the office by Friday. If you haven't picked one up, they are in the main office.
